

WESTMINSTER CITY COUNCIL

STATEMENT OF DECISION

SUBJECT: VICTORIA STREET, ARTILLARY ROAD JUNCTION SIGNALS IMPROVEMENT

Notice is hereby given that the Cabinet Member for Sustainability and Parking, has made the following executive decision on the above mentioned subject for the reasons set out below.

Summary of Decision

That the Cabinet Member for Sustainability and Parking reaffirmed the City Council's support for the Victoria Street junction with Artillery Row highway improvements as part of TfL's Local Safety Scheme allocation for 2016/17, and agreed to it being implemented

That approval is granted to complete the design and implementation of the proposed highway improvements shown on the General Arrangement drawing, Plan A, included in **Appendix B**.

That the Cabinet Member for Sustainability and Parking gave delegated authority to the Executive Director for City Management and Communities to agree minor modifications to the approved scheme, in consultation with the Cabinet Member for Sustainability and Parking Services.

That approval was given for capital expenditure of up to £400,000, (inclusive of risk and contingencies) necessary for the design and implementation of the works. All costs will be funded from TfL's LIP allocation 2016/17.

Reasons for Decision

The proposed scheme will contribute to the Council's City for All objectives. It is intended that this scheme will:

- Improve the public realm and pedestrian facilities.
- Make the junction safer for pedestrians, cyclists and other vulnerable road users.
- Provide improved lighting in line with national standards.
