2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service (Withdrawn)
Representative:	PC Caroline Cockshull
Received:	9 th April 2018
<p>Following on from our conversation earlier today please can you confirm your agreement to amend the hours for supply of alcohol as follows:</p> <p>Mon – Sat 1000hrs – 2300hrs</p> <p>Sun 1200hrs – 2230hrs</p> <p>Also as discussed we would want the following additional condition attached to the licence:</p> <p>Outside the hours authorised for the sale of alcohol and whilst the premises are open to the public, the licence holder shall ensure that all alcohol within the premises (including alcohol behind the counter) is secured in a locked store room or behind locked grilles, locked screens or locked cabinet doors so as to prevent access to the alcohol by both customers and staff.</p> <p>Please can you confirm that you are happy for this condition to be added.</p> <p>With regards to the CCTV condition offered, we would like to bring it in line with the model condition by replacing “The premises has a comprehensive 7 camera CCTV system” with “The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team”</p> <p>Again, if you could confirm that you are happy with this change.</p> <p><u>Further correspondence from applicant</u></p> <p>Further to our conversation earlier today regarding the condition – “Outside the hours authorised for the sale of alcohol and whilst the premises are open to the public, the licence holder shall ensure that all alcohol within the premises (including alcohol behind the counter) is secured in a locked store room or behind locked grilles, locked screens or locked cabinet doors so as to prevent access to the alcohol by both customers and staff.” – please see further comment below –</p> <p>On further consideration of the condition regarding the secure storage of alcohol behind the counter – given that the premises is operating as a café and restaurant and that it is only during the last 60 minutes of each day’s trading hours which will not be licensed for alcohol sales as agreed with police licensing, my client feels it is disproportionate to request that alcohol be stored behind grilles/in a locked cabinet and is also not practical in this particular premises due to space and ambience. The premises is covered by CCTV cameras for the DPS to ensure that staff are working within the confines of the licence as he confirms his staff already do in his other restaurant in the same area.</p> <p>Instead he proposes the following condition to ensure adherence to the licensable hours –</p> <p>Staff will be trained on the conditions placed on the licence with particular regard to the hours</p>	

licensed for alcohol sales. A training log will be maintained and all staff will be required to sign and date this log to confirm they have received this training and that they fully understand their responsibilities.

Please advise if this will be acceptable.

Further correspondence from police

We would want the condition below to remain on the Licence, therefore the Metropolitan Police, as a Responsible Authority, will object to the above Application. It is our belief that if granted the application would undermine the licensing objectives in relation to the prevention of crime and disorder, as there are insufficient conditions within the operating schedule. We have concerns that this application will cause further policing problems in an already demanding area.

If your client were to agree to have the condition remain then we could withdraw our objection, alternatively if the opening hours of the premises were amended to mirror the amended hours for sales of alcohol then this would negate the need for this condition & similarly we could withdraw our objection.

Following their agreement of conditions above, the MET Police have subsequently withdrawn their representation.

Responsible Authority:	Environmental Health Consultation Team
Representative:	Mr Ian Watson
Received:	18 th April 2018

Please find attached conditions proposed by Environmental Health. These incorporate conditions proposed in the operating schedule but converted to model conditions and conditions agreeable to the Licensing Police, PC Cockshull.

It is noted that the application has been modified to reduce the hours for the sale of alcohol to Monday to Saturday 10.00 to 23.00 hours and Sunday 12.00 to 22.30 hours. The terminal hour for opening would be amended to Monday to Saturday 23.30 hours and Sunday 23.00 hours.

<p>I object to this application on the basis of noise, taking the business away from long established existing restaurants plus the fact that the person who made this application has already a coffee shop and a restaurant. I hope that you will take this into consideration.</p>	
Received:	26 th May 2018
<p>I feel that there are so many licensed premises in our immediate area, another one will only add to the unbearable noise we have to contend with. Most of the restaurants on Hereford Road allow people to drink outside their premises, and during the months of April through to October (weather dependant) we have to put up with loud drunken behaviour. This can continue until midnight most evenings.</p> <p>So , no, I really don't want another premises with a licence. Instead I would like the premises already with a licence to show a lot more consideration for residents.</p>

Because of my poor eyesight and advancing years, it is very difficult for me to comment on Application Reference 18/0300/LIPN electronically.

My main comments are as follows:

1) Given that 13 Hereford Road, London, is directly behind my house at 10 Rede Place, W2 4TU, I am concerned as to any possibility of these premises being allowed to play music late at night?

2) Given the relatively small size of these proposed licensed premises, will the extractor fan from their kitchen be powerful enough?

3) Rede Place is a pleasantly little quiet mews, yet - for the past 2 years - we have suffered almost constant noise and disruption due to excavation of ground floors at Two Rede Place addresses, could we please now have some peace and quiet?!

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies

(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.

(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.

Policy FFP1 applies:

Applications will only be granted if it can be demonstrated that the proposal meets relevant criteria in Policies CD1, PS1, PN1 and CH1.

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

2. Representations

2-B Other Persons	
Received:	13 th April 2018
<p>We object to above application as insufficient safeguards for residents etc in area (especially nearby in Praed Street where we have a 'street drinking & homeless issues)for issue of 'off licence'</p> <p>We cannot see plans on register to fully understand application and request that they be sent to us by applicant</p> <p>We require conditions such as CCTV, no beer or alcohol over 5.5%, lockable cabinets for alcohol. spirits to be sold behind counter, no miniatures of alcohol etc.</p> <p>We suggest conditions attached to recent grant of Premise licence for 'off sales' to Co-Operative shop (just opened) a short distance away in same complex of Merchant Square be same for this application.</p> <p>As always we are happy to meet up with applicant or their solicitor/agent to resolve matter without need for a licensing hearing at WCC.</p>	
Received:	13 th April 2018
<p>As a recognised amenity society by Westminster City Council, we are officially charged with working towards the preservation and enhancement of the architectural and environmental quality of Little Venice, Maida Vale and the Paddington Waterway area (including planning and licensing issues). We are concerned with the well-being and sense of community of its residents, including those who live in the vicinity of this part of Merchant Square, which has a large proportion of residential accommodation.</p> <p>A branch of Co-op recently opened nearby, having obtained a licence of off sales but with restrictions to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. It is these licensing objectives with which we are concerned here.</p> <p>We are not clear what the purpose of the application is. The application is described as 'Licensed Food Hall with adjoining customer café sitting on the lower ground floor of the Marks & Spencer head office. Café and food hall for use by members of the public. Note that external seating (east side of plan) is for use by staff and bona fide guests only.'</p> <p>However, as far as we are aware, the premises currently comprises a small café with a larger seating area. Where is the food hall? Where is the licensed area? Are the off sales to be general off sales or off sales to the tables and chairs as part of the café? How does the application and licence, if granted, relate to the existing premises licence for Waterside House? Has the applicant considered the potential for nuisance from people buying alcohol to drink in Merchant Square, particularly on sunny days and</p>	

evenings? We should be glad of confirmation about the above from the applicant.

We note that although some conditions are proposed – e.g. CCTV; Challenge 25; No super-strength beer, lagers or ciders above 5.5% ABV (alcohol by volume) shall be sold at the premises save for premium beer or ciders in glass bottles – the applicant considers that ‘No additional steps required to promote the licensing objectives identified beyond existing statutory duties’ for public nuisance.

Given the nature of the Merchant Square development, we anticipate some problems with off sales unless further conditions are imposed. These could include:

- During the hours that the premises is open but not authorised to sell alcohol, all alcohol within the trading area shall be secured behind locked screens that customers do not have access to it.
- No more than 15% of the trading area shall at any one time be given over to the display of alcohol.
- There shall be no self-service of spirits, save for mixed spirits with an ABV of 5.5% or less.
- No spirit measures of less than 20cl shall be sold at the premises save that this prohibition shall not apply to mixed spirits, being spirits mixed with a non-alcoholic beverage.
- Notices shall be displayed at the exit to the premises requesting that customers should leave quietly.

We recognise that this proposal is designed to provide services for locals as well as people who are not residents in this area. However, it is vital that the interests of residents in Merchant Square are protected.

Should there be a hearing, I hope to attend but if unable, will ask Richard Brown to represent us.

Representative:	Mr Ian Watson
Received:	17 April 2018
<p>I refer to the application for variation of the Premises Licence.</p> <p>This representation is based on the information provided within operating schedule.</p> <p>The applicant is seeking the following variation</p> <ol style="list-style-type: none"> 1. To permit regulated entertainment in the basement function rooms at any time. 2. To permit recorded music in the ground floor restaurant and bar (STK) from 23.00 hours to 00.00 hours (midnight) Sunday to Wednesday and 23.00 hours to 01.00 hours Thursday to Saturday. 3. Remove condition 11 of Annex 3. <p>I wish to make the following comment.</p> <ol style="list-style-type: none"> 1. The hours requested to permit the provision of regulated entertainment within the basement function rooms will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the area. 2. The hours requested to permit the provision of regulated entertainment within the ground floor restaurant and bar will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the area. 3. Removal of condition 11 will have the likely effect of causing an increase in Public Nuisance within the area and impact on Public Safety within the premises. <p>The applicant has not offered any conditions to alleviate the impact especially with regard to prevention of public nuisance.</p>	
Responsible Authority:	Metropolitan Police Service (Withdrawn)
Representative:	PC Toby Janes
Received:	12 April 2018
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, make a representation against the above application.</p> <p>It is our belief that if granted the application would undermine the licensing objectives in</p>	

relation to the prevention of crime and disorder as there are insufficient conditions within the operating schedule.

We have concerns that this application will cause further policing problems in an already demanding area.

I will be in touch shortly with a list of conditions that I believe will satisfy police in relation to the prevention of crime and disorder.

Following the proposal and agreement of conditions, the Police have withdrawn their representation.

2-B Other Persons

Received:	31 March 2018
------------------	---------------

I object to the above application. Allowing entertainment in the basement premises at any time would fail to satisfy the licensing objectives of prevention of crime and disorder and prevention of public nuisance. Persons leaving the premises after parties which are bound to involve alcohol consumption will wake residents at all hours of the night. This is a residential area too and that must be remembered when commercial operators keep trying to extend their licences and their profits.

Received:	10 April 2018
------------------	---------------

I object to the above application as the provision of entertainment in the basement area with no limitation of times will cause public nuisance and be likely to lead to crime and disorder. This location is adjacent to a residential building and it is imperative that entertainment is limited by a closing time which is reasonable from the point of view of residents.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy HRS1 applies	(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy. (ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.
Policy MD1 applies	It is the Licensing Authority's policy that applications will only be granted if the proposal meets the relevant criteria in Policies CD1, PS1, PN1 and CH1.
Policy PVC1 applies:	Applications will generally be granted and reviews determined, subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1.
