Received:	17 th January 2017

I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Cumulative Impact Area, a locality where there is traditionally high levels of crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

I have noted your list of proposed conditions and will take them into consideration when dealing with your application.

The fact that customers will be able to buy alcohol on the premises, consume it at the outside tables and be able to stand around the tables to drink will almost certainly increase noise levels whilst encouraging anti-social behaviour in a residential area of Covent Garden. People may gather outside the residential property during the day and evening, causing significant disturbance to residents, in particular privacy issues for those on the ground floor.

Name:	Mrs Lola Freeman - Director of Florin House Management Ltd
Address and/or Residents Association:	Florin House 30 Tavistock Street London WC2E 7PB
Received:	9 th January 2017

I write in my capacity as a Director of Florin House Management Ltd which represents owners of the residential upper floors of 30 Tavistock St WC2E 7PB and 24a and 20a Wellington St WC2E 7DD.

We note the Licensing application 16/14133/LIPN which relates to Provision of late night refreshments and Supply of Alcohol.

This is a change from existing A1/A3 cafe licence.

We are concerned at this change of use because it seems to indicate alcohol will also be allowed at the pavement seating during extended hours.

The flats in 30 Tavistock St entrance all have bedrooms on the front facade of Wellington Street.

We are worried about a loss of amenity on the assumption noise levels are likely to increase if customers are allowed to congregate and drink during extended hours in the outside seating area.

The extended licence will also mean we are likely to see late customers congregating outside the front door at no 30 Tavistock and likely at no 24a as well.

It is often the case that we have to ask people to stand aside when entering the front doors of our property and if they have been drinking that could be more problematic for us.

I therefore ask you to consider the likely loss of domestic amenity aspects of this application on behalf of the resident in the flats above known as Florin House.

Further comments:

I ask that in the event that this licence is granted that the sale of alcohol ends at 22.30 and the premises close at 23.00 in line with the planning permission 16/06316/FULL. I then ask for a specific condition in residents' interest not to allow outside tables to be used or serving of alcohol after 21.00 and also ask for an earlier terminal hour so that the premises actually close at the end of core hours rather than 30 minutes later.

<p>With regard to the application 16/14133/LIPN at the Charles Dickens I, as owner of Flat 4 at 20a Wellington Street I am writing to voice my concern over the Late night allowance of serving of alcohol to tables outside on the pavement and which would inevitably lead to increased noise late at night to those living in the street of which there are many. I would be grateful therefore if you see fit not to grant license to serve alcohol outside after usual pub hours.</p>

<p>I write on behalf of the property owner of flat 1 Florin House, 24a Wellington Street, London WC2E 7DD in respect of this licence application. We write to object to the proposed application as flat 1, 24a Wellington Street is located directly above the premises where the proposed licence would be granted. We believe that granting of this licence would result in increased noise and customers congregating directly outside the building which would negatively impact on the residential premises directly above. A granting of the licence would also result in increased alcohol consumption outdoors and we feel that this would without doubt result in a nuisance to the residential tenants above. We kindly request you consider this objection to the application and not grant consent for the proposed licence.</p>

<p>The change in license for this development to enable later drinking will further add to the increasing night time noise issues in this area. Despite your regulations there will be people drinking outside of the premises as they currently do with others in the area. This will be a particular issue for residents at the other entrance to my block in Tavistock Street, whose door is directly adjacent to the planned restaurant. There does seem to be a direction of travel towards extending the Piazza style across into Wellington / Tavistock Street which will be lovely for the visitors but not for those that live there and need to sleep at night.</p>

This is a change from existing A1/A3 cafe licence.

I am concerned because in Part 3 of the application Page 14 the BOTH box is marked seemingly showing alcohol will also be allowed at the pavement seating during extended hours.

Our flat is located above the premises and our bedroom faces onto Wellington St directly above the premises. We are worried about a loss of amenity on the assumption noise levels are likely to increase if customers are allowed to congregate and drink during extended hours in the outside seating area.

The extended licence will also mean we are likely to see late customers congregating outside our front door at no 30 Tavistock as the cafe tables are also located on Tavistock St. It is often the case that we have to ask people to stand aside when entering our property and if they have been drinking that could be more problematic for us.

I therefore ask you to consider the likely loss of domestic amenity aspects of this application as a resident in the the flats above known as Florin House.

Address and/or Residents Association:	
Received:	15 th January 2017

This representation is being made by the Covent Garden Community Association (CGCA). CGCA is recognised by both Camden and Westminster as the Amenity Society for the Covent Garden area (defined as the area bounded by High Holborn, New Oxford Street, Charing Cross Road, St. Martin's Place, Northumberland Avenue, Victoria Embankment, Lancaster Place, Aldwych and Kingsway) and so represents the interests of those who live and work in this area.

The CGCA's Licensing Subcommittee is authorised by the Association to make Representations on any Licensing Applications which the Subcommittee believes may have an effect on local residents or other members of the community through likely impact on one or more of the Licensing Objectives. This authorisation was last renewed at a meeting of the Executive Committee of the CGCA on 16th March 2015.

This Representation is being made regarding the grant of a premises licence for 26 Wellington Street. The landlord for these premises is seeking a licence for the premises to operate as a restaurant. There have previously been 2 premises on the site both operating as cafes. The premises are situated on the ground floor of a residential building and we are concerned about the impact of the grant of a licence on Public Nuisance The conditions offered are NOT the full MC66 conditions. This is, presumably, because the planning permission was granted in August 2016 was for an A1/A3 café use and specifically excluded primary cooking. This, along with waiter/waitress service

and non-disposable crockery etc are required to comply with M66 and so benefit from the CIA exemption for a restaurant.

As a result the premises could be much more intensively used than would be the case for a formal restaurant and so we believe that the premises should NOT receive the benefit of the exemption. We believe that to prevent an impact on public nuisance the grant of a licence should be restricted to the hours on the planning permission. The premises should therefore close at 23:00 on all days of the week with the sale of alcohol terminating 30 minutes earlier than this at 22:30.

In addition to prevent any nuisance being caused by customers seated outside we believe that it would be appropriate to impose a condition that tables and chairs outside should not be used after 21:00.

We note that that applicant has offered a condition regarding the hours of waste collections, restricting them to the period 08:00-23:00. We would ask that this is narrowed to 08:00-20:00 so that the noise associated with glass bottles does not cause a nuisance in the later part of the evening.

In addition we would ask that a similar time restriction is imposed on deliveries as these can also cause a nuisance by disturbing residents above the premises and in the vicinity. We believe that with this earlier terminal hour and these conditions the additional impact on Public Nuisance will be minimised.

We hope that this representation is clear. If you have any questions please contact the undersigned.

I am writing with reference to being in receipt of licensing application 16/14133/LIPN, which relates to Provision of late night refreshments and Supply of Alcohol. This is a change from the existing A1/A3 cafe licence.

I understand that the landlord for these premises is seeking a license for the premises to operate as a restaurant. It was previously two cafes and the site itself is of historical interest.

The premises are situated on the ground floor of a residential building and I am concerned about the impact of the grant of a license on both Public Nuisance grounds and on the grounds of loss of amenity.

In order to prevent an impact on public nuisance the grant of a license should be restricted to the hours on the planning permission. The premises should therefore close at 23:00 on all days of the week with the sale of alcohol terminating 30 minutes earlier than this at 22:30.

In addition to prevent any nuisance being caused by customers seated outside we believe that it would be appropriate to impose a condition that tables and chairs outside should not be used after 21:00.

It appears that the planning permission granted in August 2016 was for an A1/A3 café use and specifically excluded primary cooking. This, along with waiter/waitress service and non-disposable crockery etc are required to comply with M66 and so benefit from the Clear Indoor Air exemption for a restaurant. The conditions offered are NOT the full MC66 conditions. As a result the premises could be much more intensively used than would be the case for a formal restaurant and so we believe that the premises should NOT receive the benefit of the exemption.

In addition whilst the applicant has offered a condition regarding the hours of waste collections, restricting them to the period 08:00-23:00. We would ask that this is narrowed to 08:00-20:00 so that the noise associated with glass bottles does not cause a nuisance in the later part of the evening.

The same time restriction should also be imposed on deliveries as these can also cause a nuisance by disturbing residents above the premises and in the vicinity.

I therefore ask you to consider the likely loss of domestic amenity and public nuisances aspects of this application as a resident in the flats above known as Florin House.
