1. Executive Summary

- 1.1 This report presents the current Work Programme for approval based on discussions at the last meeting and with senior officers. It also provides an update on the Action Tracker.

2. Key Matters for the Committee's Consideration

- 2.1 The Committee is asked to:
- Review, approve and, where required, prioritise the draft list of suggested Work Programme items at Appendix 1; and
 - Note the Action Tracker at Appendix 2.

3. Background

- 3.1 This Work Programme takes from the Work Programme agreed at the Committee's last meeting on 31 January 2018. It is presented here for the Committee to review and amend as appropriate.
- 3.2 There have been two key changes to the Work Programme for the Committee's January meeting. Both arose from the committee meeting on 31 January 2018.

At that meeting, Members received an update on the delivery of enhanced care in Westminster's care homes, and it was agreed at that meeting that providers would be invited to the meeting on 9 April 2018. This will now take place later in the year. The second change concerns the scheduling of the report requested by the Committee on the provision of sexual health care in relation to demand for services located within Westminster by people located from outside the borough and ensuring local residents are therefore not disadvantaged. Following officer advice, this will be deferred until the next meeting of the Committee.
