2. Representations

2-A Responsible Authorities

Responsible Authority:	Environmental Health Consultation Team
Representative:	Mr Dave Nevitt
Received:	05 th April 2018

I wish to make Representations on the following grounds: Representation is made in relation to the application, as the proposals are likely to increase public Nuisance and may impact upon Public Safety.

------------------	-----------------------------

My wife and I strongly object to this application.

A late restaurant licence for this premises will transform this section of Avery Row, our residence (29 Avery Row) is a matter of a few metres from the proposed new late operating business!

We already endure noise and inconvenience from trash removal from La Petite Maison, smokers sheltering in our doorway etc from the existing restaurants in Lancashire Court but a new licensed premises virtually opposite our bedroom windows would seriously impact any quieter periods which we as residents are currently able to enjoy ...

Please please refuse this application.

Received: 06th April 2018

I want to fully object to the licensing timing of 1am for this premises.

We have a lot of anti social issues with all the existing licensed premises and this will add to the issues.

I have children here whom have been exposed to aggressive behaviour from toxiated people leaving from some establishments around here and it is becoming too regular.

There is a huge issue with noise and disturbances from people leaving these places too. They also urinate on our doors regularly. Also the constant screaming and shouting takes a toll on our sleep.

It is a concern for us to having another place with a late license. We have to endure the problems as we live here. It is time that licenses were restricted. Also when the staff leave there is constant issues with noise. Also they chat, smoke and drink after work on the street also talk very loudly without any care about the residents.

Received: 04th April 2018

I have lived opposite these premises for the last 18 years and they have always been office space.

A late license granted to these premises changes the character of the street.

People leaving late at night and smoking outside will create considerable late night disturbance to the small residential block I live in.

Received: 04th April 2018

I have already objected to this application in the past for reasons that have been outlined in my past objection surely in Westminster records.

The area is transforming from quiet residential to busy late night noise with considerable damage to our physical and emotional wellbeing. Please reject vehemently.

This is the second application relating to this building and restaurant where I do not feel I was appropriately notified by the council (I had no idea these applications were happening: first the restaurant application now the variation of licence to late hours).

I had already objected to the application for the restaurant in the past for reasons that I have outlined in my past objection surely in Westminster's records (please refer to those)

The area is transforming from quiet and residential to busy late night noise with considerable damage to our physical and emotional wellbeing.

The little courtyard just outside our door is already a smoking hub for waiters and staff of the all to many restaurants and bars around Avery Row, the late hours licence would

turn the area into a loud gathering site for drunk people.

Also, this licence variation application is quite tactical: first they applied for a regular restaurant and only upon winning the first application they applied for a late licence.

------------------	-----------------------------

The neighbourhood infrastructure cannot support more late night patrons, particularly if any alcohol is involved.

This is becoming an issue in the neighbourhood, with some vomit on doorsteps, glasses filling doorsteps, and significant noise issues increasing.

We already have noise issues associated with Patrons leaving Mews of Mayfair late in the evening.

The way in which the buildings are set up in Avery Row and Brooks Mews means that all noise resonates loudly up and is very disruptive to all residential neighbours. We also have an inability to do much reduce noise levels due to our own planning limits on window glazing.

In addition, neighbouring streets (such as Brooks Mews) are already struggling under the strain of traffic through day and night.

Please can you ensure our part of Mayfair retains its character by rejecting this late night license allowance.

Received:	5 th April 2018
------------------	----------------------------

I am writing concerning the above licensing application in Avery Row by Lemonthree Ltd.

I am the owner of Flat E Avery Court, 29 Avery Row, which is partly opposite Avery House.

We are about 25-30 yards from the front door, our closest point being about 10-12 yards away, which are our bedrooms.

Avery Row is a vibrant and active street with many facilities, but later in the evening and at night it is an extremely quiet largely residential street and I am concerned that noise from this premises and its events may have a disproportionate impact long into the night if the variation to the licence is approved. My objection falls under the prevention of public nuisance licensing objective.

It is unclear, at this stage, of the layout proposed for the premises – will any part of it operate as a vertical drinking bar or a disco? Some of my representations are as

follows:

Extension of hours for sale of alcohol for consumption on the premises – will this be for restaurant use or bar use?

Extension of hours for sale of alcohol for consumption off the premises – why is this needed to 1am?

Hours of extension for recorded music – what type of music?

Would it be background or DJs?

Will doors and windows be kept closed to control noise breakout?

Will there be a noise limiter and is there sufficient insulation?

How large is the first floor area hatched black, which they wish to include within the licence?

The premises is not operating yet so we don't know what sort of operation is intended and don't have a 'baseline' to measure the impact of later hours as it hasn't yet operated to 'core' hours.

The plans are not available and so I cannot see the details of the changes or the location of the terrace – does the terrace overlook the bedrooms?

Terraces – will there be music on the terraces? Will people be able to drink on the terraces until 1am?

Will dispersal of customers later at night be an issue?

There doesn't seem to be planning permission for the hours sought.

More information and clarification on these points would be appreciated and I would consider withdrawing representation if these points are addressed,
