2. Representations

2-A Responsible Authorities	
Responsible Authority:	Licensing Authority
Representative:	Mr Steven Rowe
Received:	01 May 2018

I write in relation to the application submitted for a New Premises Licence for HaiDiLao situated in the Trocadero, 13 Coventry Street.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Prevention of Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

This application seeks to permit the following licensable activities and operating times:

- Exhibition of films, performance of plays, recorded music, performance of dance and anything of a similar description: Monday to Sunday from 10:00 to 01:00
- Late Night Refreshment: Monday to Sunday from 23:00 to 01:00
- Supply of Alcohol: Monday to Sunday from 10:00 to 01:00

This application also seeks to permit 24 hour access to hotel residents and their bona fide guests.

The Licensing Authority would like to note that Monday through to Thursday, the proposed operating times for licensable activities exceed Westminster's core hours by 1 hour and 30 minutes; Friday through to Saturday, an additional hour is being sought past Westminster's core hours; and on Sunday, an additional 4 and a half hours are being sought than the hours proposed in the Council's core hours policy.

This premises is situated within the West End Cumulative Impact Area and as such a number of policy points must be considered, namely CIP1, HRS1, RNT2 and HOT1.

As previously stated, the operating hours for licensable activities fall far beyond Westminster's Core Hours policy. The Licensing Authority would encourage the applicant to consider reducing these hours to comply with policy HRS1.

The premises currently falls within policy RNT2. Policy RNT2 states that "Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact Area." At present, the applicant has not addressed this policy concern relating to cumulative impact and,

therefore, the Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the Cumulative Impact Area.

Furthermore, the Licensing Authority do have concerns in relation to this application as it is believed there is insufficient information in the application form to fully consider this application. The Licensing Authority encourages the applicant to provide further submissions as to the operation of the premises and the use of plays, films and dance as part of the premises operation. Furthermore, the applicant has made reference to 24 hour access to hotel residents and their bona fide guests. The Licensing Authority require further information as to, firstly, what hotel this application is relating to and, secondly, whether the restaurant will operate separately from that of the hotel. The applicant needs to provide further information as to how hotel residents and their bona fide guests are to access the premises as this is unclear from the plans submitted with this application.

Once this information has been provided and the Licensing Authority have been able to fully consider the application, further discussions will be held with the applicant and any further submissions will be forwarded on for Members information.

Please accept this as a formal representation.

Responsible Authority:	Environmental Health Service
Representative:	Mrs Sally Fabbricatore
Received:	23 April 2018

I refer to the application for a new Premises Licence for the above premises.

The premises are situated in the West End Cumulative Impact Area as stated in City of Westminster's Statement of Licensing Policy.

This representation is based on the Operating Schedule and the submitted plans, the ground floor titled with the address and drawing number P17-117 A 07 00 02 P1 and the lower ground P17-117 A 07 B1 02 P1.

The applicant is seeking the following on the **ground floor and lower ground floor:**

1. To allow the Supply of Alcohol both 'on and off' the premises Monday to Saturday 10:00-01:00 hours.
2. To allow Late Night Refreshment both 'indoors' and outdoors Monday-Sunday 23:00-01:00 hours.
3. To allow the provision of Regulated Entertainment 'indoors' of Plays, Films, Recorded Music, Performance of Dance and anything similar, Monday to Sunday 10:00- 01:00 hours and Sunday 12:00-00:00 hours.
4. To allow the above provisions for hotel residents and theirs guests 24 hours a day.

5. To allow the above provisions from the end of New Year's Eve to the start of New Year's Day.

I wish to make the following representation in relation to the above application:

1. The provision of the Supply of Alcohol may cause an increase in Public Nuisance in the cumulative impact area, it may also impact on Public Safety.
2. The provision of Late Night Refreshment may cause an increase in Public Nuisance in the cumulative impact area.
3. The provision of Regulated Entertainment may cause an increase in Public Nuisance in the cumulative impact area.
4. The 24 hour use may cause an increase in Public Nuisance in the cumulative impact area.
5. The non-standard timings may cause an increase in Public Nuisance in the cumulative impact area.

The applicant has proposed conditions within the operating schedule which are being considered. Further conditions may be proposed by Environmental Health in order to help prevent Public Nuisance and protect Public Safety.

The granting of the new Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the cumulative impact area and may impact on Public Safety.

Should you wish to discuss the matter further please do not hesitate to contact me.

Responsible Authority:	Metropolitan Police Service
Representative:	PC Toby Janes
Received:	01 May 2018

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, make a representation against the above application.

It is our belief that if granted the application would undermine the licensing objectives in relation to the prevention of crime and disorder as there are insufficient conditions within the operating schedule.

The venue is situated in the West End cumulative impact area, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

Our main concern is that guests will have 24 hour access to the premises and there are

no details of how this will be managed, i.e. through a separate entrance.

I will be in touch shortly to discuss this application in more detail.

10:42 AM on 23 Apr 2018 Whilst I fully support the proposal to turn this unit into a restaurant, I would like to make the licensing authority aware that there are 18 residential properties directly opposite the site and would like them to ensure that given the very late closure (later than the existing units - Five Guys/Kingdom of Sweets etc), all steps are put in place to prevent loud music from exiting the premises as residents need to sleep.

Currently the unit operates without doors/windows and granting a late night music licence as it stands would leak noise onto the street. I've not seen the plans for the unit, but if doors and windows are being installed, then steps need to be in place to ensure all openable doors/windows onto the street do not leak music onto the street until 1am.

Controls also need to be in place to ensure speakers etc are not placed in a position whereby they project music outwards onto the pavement.

As I said, I've no objection to convert this unit, but possible noise remains my primary concern.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<ul style="list-style-type: none"> (i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1 (ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.
Policy HRS1 applies:	<ul style="list-style-type: none"> (i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy. (ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.
Policy RNT2 applies:	Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact Areas.

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
