## 1. Executive Summary

- 1.1 The Council is required, if it wishes to pay such allowances, to adopt a Members' Allowances Scheme on an annual basis with effect from 1 April each year.
- 1.2 In drawing up the revised Members' Allowances Scheme regard has been given to the recommendations of the London-wide Independent Remuneration Panel convened by London Councils whose most recent report (2010) is listed with the relevant statutory guidance as background documents.
- 1.3 The Members' Allowances base budget has remained unchanged since 2010. During this period no increase for inflation has been made. It is recommended that no provision be made once more for inflation.

## 2. Recommendation

- 2.1 That the Council be recommended to approve the Members' Allowances Scheme attached as Appendix A for 2014/15 with effect from 1 April 2014.

### **3. Background**

- 3.1 There is a requirement for local authorities if they wish to adopt a Members' Allowance Scheme on an annual basis, with effect from 1 April each year. Schemes can be amended at any time.
- 3.2 When considering a new scheme, or amending an existing scheme, local authorities must have regard to the report of the London Councils' Independent Panel on the Remuneration of Councillors and relevant guidance from the Secretary of State. The Committee and the Council gave consideration to both of these when agreeing previous schemes and these documents are available as background papers to this report. The Council's overall budget for Members Allowances remains in the bottom third of all London Boroughs.

#### **Members' Allowances**

- 3.3 The current Members' Allowances Scheme was adopted by the Council on 6 March 2013. The Scheme for the 2014/15 municipal year requires the approval of the full Council, upon recommendation from the General Purposes Committee. As in previous years regard has been given to the findings and recommendations detailed in the Panel's most recent report published in 2010.
- 3.4 The Chief Whip of the Majority Party has, as in previous years, been consulted on the proposals, which have also been shared with the Chief Whip of the Minority Party whose comments are set out in paragraph 6.1 below.

#### **Basic Allowance**

- 3.5 It is proposed to retain the level of Basic Allowance payable to all Members at the same level, i.e £9,000 per annum.

#### **Special Responsibility Allowance (SRA)**

- 3.6 Significant adjustments were made to the scheme in 2010 which intended, within the constraints of the existing budget provision, to ensure the scheme rewarded more fully the duties and tasks undertaken by Members. Accordingly, no significant changes to the Scheme have been made since then.
- 3.7 The Scheme continues to reflect and reward the levels of duties undertaken by Members in formal posts, including those bodies which have a particularly frequent schedule of meetings.

#### **ICT Allowance**

- 3.8 As part of the Members Allowances Scheme approved at the time of the City Council elections in 2006, provision for the payment of a one off allowance of £1,000 upon election was made to allow for the purchase of ICT equipment.

This was paid again in 2010 and is next due for payment next year in 2014. The interim Chief Information Officer has confirmed that the value of the IT allowance continues to be acceptable given that the cost of IT commodity computing kit has been stable or reducing over recent years and this is offset against increasing demand.

#### **Travel and Subsistence Allowance**

- 3.9 The Council's scheme is more restrictive than the Panel's recommendations and only allows for travel claims for approved duties outside of the Greater London area (travel to other London Boroughs is not reclaimable). No change to this part of the scheme is proposed. Reference is included in the scheme to the availability of all zone permits for Members, for use when undertaking official duties.

#### **4. Legal Implications**

- 4.1 There is a requirement that councils must make any scheme for the following year to commence on 1 April. Schemes can be amended at any time but new schemes can be introduced only from the start of each year commencing on 1 April. The approval of the full Council is necessary to any amendments to existing schemes or the adoption of new schemes.
- 4.2 Regulations relating to Members' Allowances require the publication of the report of the Independent Remuneration Panel, the scheme of allowances and details of the total sums paid to each Member under each category of allowance in each year. The statutory guidance on the publicity requirements suggests that details of allowances paid are made available on the Council's website together with information on the responsibilities of elected Members and the duties and time commitment which the basic allowance is intended to remunerate. This has previously been agreed by this Committee.

#### **5. Financial Implications**

- 5.1 The Members' Allowances budget for 2014/15 is £1m (excluding provision for the employer National Insurance contributions) and as in recent years no inflationary element is proposed for 2014/15. The base budget has remained unchanged since 2010 and the changes proposed can be met from the existing budget.

#### **6. Consultation**

- 6.1 The Chief Whip of the Minority Party has commented that savings could be made by deleting payments to Deputy Cabinet Members (saving £64,000) and to Vice-Chairmen of Committees (saving £10,000). He also commented that no more than one SRA should be paid to any Councillor, a practice adopted by several Councils.

**MEMBERS' ALLOWANCES SCHEME FROM 1 APRIL 2014 TO 31 MARCH 2015**

1. This Scheme is made under, and in accordance with, the provisions of the Local Authorities (Members' Allowances) (England) Regulations 2003.
2. The rates of allowances specified will apply until the Scheme is amended or replaced, in which event the revised rates of allowances will be paid from the date from which the amendment takes effect.
3. Subject to the relevant form being completed at the appropriate time, entitlement to allowances under the Scheme commences on the date upon which a Member is elected to the Council or is elected or appointed to an office qualifying for special responsibility. The entitlement ceases on the date upon which a Member ceases to hold a qualifying office or ceases to be a Member of the Council (the fourth day after polling day in the year of City Council elections, i.e. the Monday). An apportionment of the relevant allowances will be made in the same proportion as the number of days that the Member held Office or was a Member, bears to the number of days in the relevant year.
4. Any Member may by notice in writing to the Head of Legal and Democratic Services elect to forego for any period any part of an entitlement to an allowance under the Scheme which will take effect from the date upon which the notice is received by the Head of Legal and Democratic Services.
5. Allowances will be paid by equal monthly instalments on the 20th day of each month. A £1,000 lump sum Basic Allowance for Members to purchase ICT equipment will be paid to any Member elected at a by-election. No ICT allowance shall be payable unless the confirmation is received that computer hardware and an email address for Council use is available. This allowance will not be paid if a Member received this allowance upon having been elected at a by-election in the previous 12 months.
6. Except where so authorised by the Head of Legal and Democratic Services any claim for travel and subsistence allowances must be made within two months of the date of the duty to which the claim relates.

**Basic Allowance**

7. A Basic Allowance of £9,000 pa from 1 April 2014 will be paid to every Member of the Council who formally elects to receive it.

**Special Responsibility Allowance**

8. Payments of Special Responsibility Allowances will be made to Members of the Council who hold special offices unless they formally elect not to receive them. Attached as Annex A is a list of the Special Responsibility Allowances payable from 1 April 2014.

## **Conferences**

9. Councillors are entitled to have their Conference fees met when approved by the appropriate Cabinet Member, Committee or the Head of Members Services in consultation with the relevant party Chief Whip and to receive payments at the approved rates for travel and subsistence in respect of their attendance at conferences held outside the City to discuss matters relevant to the discharge of the Council's functions.

## **Travel Expenses**

10. Members and Co-opted Members are entitled to claim payment of Travel Allowances at the rates of allowance set out in Annex B where expenditure has necessarily been incurred to enable them to attend an approved duty, defined as set out in Annex C, but only when travelling outside the Greater London area. Members of Education Admissions and Exclusions Appeal Committees are entitled to claim travel allowances for attendance at meetings relating to their membership at the rates set out in Annex B.

Members of the Council shall be entitled to a City Council all zones official parking permit for use when undertaking official council duties and otherwise used in accordance with the rules relating to their use.

## **Subsistence**

11. Subsistence may be claimed only for accommodation or meals at conferences (approved in accordance with paragraph (i) of Annex C) where such costs are not included in the conference fee, subject to the maximum allowance referred to in Annex B.

## **Payments whilst under Suspension**

12. Payments of allowances, basic and special responsibility, shall not be paid to a Member who is suspended or if partially suspended that element of special responsibility allowance which may be payable in respect of an office held by the Member to which the partial suspension relates.

## **Pensions**

13. No Members of the Council shall be entitled to membership of the Local Government Pension Scheme in accordance with Section 7 of the Superannuation Act 1972.
