## London Local Authorities Bill

Clause	Adoptable?	Description	Relevant Department	Proposed By
1 to 3	No	Deals with citation and commencement	N/A	N/A
4 to 6	No	Decriminalises littering and certain dog related offences, making contraventions subject to penalty charge notices, rather than fixed penalty notices	Community Protection, Environment & Housing	London Councils
7	No	Enables the Secretary of State to extend the type of premises which may be subject to a street litter control notice. This will bring into the scope of such notices public buildings and others which are not commercial or retail premises	Environment	Chartered Institute of Waste Management, ENCAM & Wandsworth
8	No	Empowers local authorities to make a charge for the use of urinals	Environment	City of London
9	Yes (It is purposed that this should be amended so as not to require adoption)	Enables a local authority to calculate the charge for a s.115 consent according to the amount of highway occupied	Transportation	Kensington and Chelsea
10	Yes	Requires the display of food hygiene documentation on food premises. ("Scores on	Community Protection	Lambeth

		the Doors”)		
11 to 20	No	Power to require remedial action to remedy failure to comply with notice in respect of houses in multiple occupation and carry out works in default	Community Protection	Kensington and Chelsea
21 & 22	No	Amends the powers of entry to premises pursuant to section 239 of the Housing Act 2004 so as to remove the need to serve notice of entry on the owner, except where there is no occupier; it removes the need to give notice at all where any delay in entering is likely to give rise to unnecessary and imminent risk to the safety or health of the occupiers, it will enable an authorised officer to enter premises to carry out a survey or inspection if invited to do so by the occupier and it amends the provisions with regards to officers' authorisations	Community Protection & Housing	Camden
23	Yes	Enables local authority to impose, on notice, a new condition on existing premises licences that authorise regulated entertainment, prohibiting nudity or partial	Community Protection	Tower Hamlets

		nudity		
24	No	Amends a typo in the City of Westminster Act 1996 (sex establishments) and enables service of summonses and notices by ordinary post	Community Protection	<b>WCC</b> (Martin McVitie)
25	No	Enables a local authority to enter into a contractual arrangement with a “market manager” enabling the market manager to carry out certain activities, i.e, publicity for the market, arranging for the making of applications for street trading licences and collecting fees and charges. (Provides that arrangements may not make provision in relation to “reserved statutory functions” which include granting, renewing, revoking and varying street trading licences, prescribing standard conditions and charging fees	Community Protection	Hammersmith and Fulham
26	No	Makes provision for the sale of motor vehicles over the internet where the vehicle is kept on the street to be caught by the street trading regime. The intention is to catch dealers who are selling motor vehicles as part of a business,	Community Protection	Richmond

		not private sellers		
27 to 29	No	Enables the seizure of certain goods and equipment that are deposited in a street in readiness for unlicensed street trading and forfeiture without the need to seek a court order, in certain circumstances. (For WCC only, but see below)	Community Protection	<b>WCC</b> (Patrick Rigabie)
30 to 33	No	Makes identical provisions to those above for Camden	Community Protection	Camden
34	No	Minor amendments to previous legislation	N/A	N/A
