Dear Mr Large

PLANNING APPLICATIONS SUB-COMMITTEE (29.4.10)

I refer to your recent letter.

I confirm that I would consider myself to have an interest in the application relating to 44 Welbeck Street in view of the representation regarding this application lodged by Councillor Jonathan Glanz. I would therefore need to declare a prejudicial interest when considering this planning application.

However, I also confirm that my association with Councillor Glanz is confined to dealings with him as a result of Council and party political business. He is not a close associate of mine and I only see him socially at political events.

I confirm that I consider that I am able to deal with the application wholly objectively and am willing to make a declaration to that effect at the Planning Applications Sub-Committee. Accordingly, I ask the Standards Sub-Committee formally to consider my application for a dispensation from the relevant provision of the Members Code of Conduct.

Yours sincerely

Councillor Alan Bradley
