

WESTMINSTER CITY COUNCIL

STATEMENT OF DECISION

COMMITTEE OF THE CABINET MEETING – 23 MAY 2006

Notice is hereby given that the Committee of the Cabinet meeting on 23 May 2006 took the following executive decisions following consideration of a report on the following matter:

Submission of Building Schools for the Future Outline Business Case

Decisions:

- (a) Approved the BSF Outline Business Case for submission to Partnerships for Schools and the DfES;
- (b) Noted that a further, Final Business Case would be required after the procurement exercise;
- (c) Authorised the Chief Executive, in consultation with the Cabinet Member for Children's Services, to make any necessary changes to the Outline Business Case suggested by Partnerships for Schools and the DfES; and
- (d) Supported the proposal that other Council services on BSF sites could be incorporated into the procurement process, within BSF procurement timescales and as part of the procurement documentation, and noted that this proposal would be considered by full Cabinet in due course.

Reason for Decisions:

The Outline Business Case shows that the plans for capital investment are currently affordable within the allocation of DfES funds. The business case needs to be submitted to Partnerships for Schools and the DfES by the 27 May 2006 for their consideration and approval so that the project can move to the procurement stage.

The decisions come into force on publication of this notice.
