2. Representations

2-A Responsible Authorities	
Responsible Authority:	Westminster City Council's Environmental Health Consultation Team
Representative:	Nicola Curtis
Received:	06 October 2016

I wish to make the following representations in relation to the above application:

1. The provision of Late Night Refreshment 'indoors' and the hours requested for this activity will have the likely effect of causing an increase in Public Nuisance in the area.

The applicant has provided additional information with the operating schedule which is being considered but does not address the concerns of Environmental Health.

The granting of the new Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the Edgware Road Cumulative Impact area.

UDPATE: On 20 October 2016, the Environmental Health Consultation Team proposed the conditions set out in Appendix 4. The application has not been amended to date to include these conditions.

Responsible Authority:	Metropolitan Police
Representative:	Bryan Lewis PC4161CW
Received:	12 October 2016

With reference to the above application I am writing to inform you that the Police, as a Responsible Authority, object to your application for a new Premises Licence as it is our belief that if granted the application may undermine the Licensing Objectives contained in the 2003 Licensing Act.

Our objections relate to the follow:

- The hours applied for late night refreshment are beyond core hours as set out in the WCC Statement of Licensing policy
- The hours sought for LNR are later than the hours the premises are open to the public

UPDATE: On 28 October 2016, the Metropolitan Police provided a number of conditions (see Appendix 4) and advised the applicant:
I will still have to maintain my objection as previously explained. However your agreement to my conditions will provide reassurances. Any reduction in the hours sought for late night refreshment will reduce our concerns.

The application has not been amended to date to include these conditions and there has been no reduction in the hours sought for the provision of late night refreshment.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy CIAI applies	<p>(i) It is the Licensing Authority’s policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
----------------------------	--

Policy HRS1 applies:	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>
Policy FFP2 applies:	It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas, other than applications to vary hours within the Core Hours under Policy HRS1.
