EVENT OVERVIEW

Following on from last year, with a shorter route, the parade will begin at the top of Portland Place. The parade will travel along Portland Place until arriving at Oxford Circus where it shall continue along, via Regent Street, Piccadilly Circus, Regent Street St James's, Pall Mall, Cockspur Street and ending in Whitehall/Whitehall Place. **Parking and vehicle access will be affected along the route.** The event will attract many spectators onto the streets, so pavements will be very busy.

There will also be some exciting events taking place within Soho and Leicester Square; focused on stages in Dean Street, Archer Street, Golden Square and Leicester Square with entertainment scheduled from 12:00pm to 8:00pm.

You can download the general information leaflet for Soho businesses and residents from the Residents and Business pages of our website at prideinlondon.org/rbl

We are working closely with Westminster City Council, the Greater London Authority, the Metropolitan Police, London Fire Brigade, London Ambulance Service and Transport for London to plan the management of this major event.

ROAD CLOSURES

In order to ensure the safe operation of the event there will be extensive managed road closures and large numbers of stewards and volunteers deployed across the entire footprint. Full details of all road closures are available at prideinlondon.org/rbl

ALCOHOL MANAGEMENT

Pride in London is committed to minimising disruption and maximising safety. We know that effective management of alcohol is a key part of maintaining the event as accessible, friendly and safe. To assist us in this, we seek the cooperation of all on and off sales licensees as well as restaurants who serve alcohol with food.

BUSINESS LIAISON TEAM

Pride in London has a dedicated Business Liaison Team. You should already have received an email or leaflet with general information about plans for the day, road closures and access restrictions. In the run up to the event, the team

If you would like to contact the Business Liaison Team to arrange a drop-in or to deal with any query please email rlb@prideinlondon.org

BUSINESSES WISHING TO EXTEND STANDING AND SMOKING AREAS

If your premises are situated in the following roads where the road closure is managed by Pride in London it may be possible to extend the standing and smoking areas on the street.

Old Compton Street	Frith Street	Dean Street
Wardour Street	Homilly Street	Archer Street
Soho Street	Carlisle Street	Golden Square
Lisle Street	Duncannon Street	

Businesses outside of these areas must trade as normal and in compliance with their existing licence. If there are any changes to road closures or operational plans ahead of Pride weekend, Pride in London will visit before July 2017 to explain these in detail.

The streets in Soho become very busy during the event. Pride in London wants to minimise the impact on businesses and where possible provide additional space for their customers. However, public safety is our primary concern and there needs to be strict conditions for businesses wishing to operate outside of their premises. Businesses can therefore apply to Pride in London to extend the operation of your business onto the highway. This includes the following activities: smoking, sitting, standing, eating and drinking, including alcohol.

ALCOHOL MANAGEMENT

Please help us to reduce the impact of excessive alcohol consumption

Excessive alcohol consumption is a cause of anti-social behavior, nuisance, a risk to health and can be a safety issue at events.

We ask all licensees within the event footprint to help us minimise the impact from excessive alcohol consumption. We will be providing extensive stewarding across the whole event footprint.

Pride in London is organised by London LGBT+ Community Pride, 100 Miles House, 145 Aldersgate Street, London, EC1A 4DF
with Members: @PrideInLondon, Sir Elton John, Sir Ian McKellen, David Furnish & Marking Nevechova

We are working with the Police and officials from Westminster City Council and we will all be patrolling the event throughout the day. If there is a need for enforcement, then the appropriate agency will be contacted and action taken accordingly.

We will be asking all licensed premises to prominently display a Pride in London Responsible Premises poster.

This confirms you are willing to act responsibly and work with Pride and officials to help keep the event safe and reduce the risk and nuisance from excessive alcohol. The Business Liaison Team will provide you with a copy of the poster.

PLEASE HELP US TO REDUCE THE IMPACT OF EXCESSIVE ALCOHOL CONSUMPTION.

We ask you to:

- Act as a responsible licensee
- Serve all drinks in plastic bottles/glasses
- Not serve people who are intoxicated
- Limit the amount of alcohol you sell to sensible limits for personal consumption only
- Report people causing a nuisance to the police, an event official or steward
- Display your Pride in London Responsible Licensee logo in a prominent place
- Sell all beverages in a plastic container, bottle or can and not glass

What we will be doing:

- Police, officials and event stewards will be located throughout the event to help support the Pride in London
- We will have patrolling teams able to visit you if you have problems
- We will provide you with a contact number and email address to report issues

Remember failing to act responsibly could place your licence at risk. Enforcement officials will be patrolling the event footprint throughout the day.

APPLYING WITHIN THE PRIDE IN LONDON MANAGED AREA

We would encourage your business to partner with Pride in London by registering as a 'Responsible Licensee'. You will find an application form at the end of this pack.

All applications will be reviewed and consent granted on a case-by-case by Pride in London and if necessary Westminster City Council and the Metropolitan Police. Please note, that if you wish to extend beyond your normal licence you will need to complete a TEN.

Approval of your TEN application will be dependent on your location and the likely impact on safety. Failure to apply for an extension on your existing licence could involve enforced removal of equipment and the potential closure of your premises. Where consent is granted it is likely to be to the width of the pavement to the kerb. A minimum of 4 metres free space must be left along any street for emergency vehicles access and to accommodate the anticipated crowds. The space will be clearly marked on the morning of the event.

Temporary Event Notices (TEN)

If you want to allow the consumption of alcohol outside your premises and you do not have off sales on your premises (this will be stated on your Premises Licence if you have one) you will need to apply for a Temporary Event Notice (TEN) with Westminster City Council. Information on TENs can be found at: www.westminster.gov.uk/temporary-events-notice

HOW BUSINESSES CAN BENEFIT FROM PRIDE IN LONDON

Pride in London is an important event for tourism in London and there is great potential for businesses to benefit from the extra visitors to London on the day, specifically along the parade route and in the Soho area. More than half of last year's visitors said they were **more likely to spend their money** with LGBT+ friendly companies. There are a number of ways you can get involved which will help maximise your revenue potential during Pride in London:

- *Installing a window display that highlights your support for the LGBT+ community. This could be as simple as a rainbow flag. Businesses showing support are much more likely to receive positive mentions on social media and greater press coverage.*
- *Supporting the volunteers of Team Pride by offering a complimentary item, such as a glass of wine with a meal, bottle of water on the day or a discount.*

3. HEARING PROCEDURE FOLLOWING NOTICE OF OBJECTION BY POLICE/ENVIRONMENTAL HEALTH

- 3.1 The Sub-Committee is being asked to consider the notice of objection and hear any oral evidence given by or on behalf of the premises user and the Police/Environmental Health.
- 3.2 The Sub-Committee must consider whether to give a counter notice to the temporary event notice given by the premises user if it considers it necessary for the promotion of the licensing objectives.
- 3.3 The Council must convene a hearing to consider the notice of objection and give at least two day's notice to the premises user and the police.
- 3.4 The Sub-Committee must either reject the notice of objection to allow the event to take place, or issue a counter notice to prevent the event from taking place, or where or, after hearing the objections, allow the notice but attach relevant conditions from the premises licence. Please note not all premises will hold a premises licence.

- 3.5 The Council must, where it decides not to give a counter notice, give the premises user and the Police/Environmental Health a notice of the decision at least 24 hours before the beginning of the event period specified in the temporary event notice.
- 3.6 Where the Council decides to give a counter notice, it must give the premises user the counter notice and the reasons for its decision; and a copy of the counter notice and the reason for its decision to the police, at least 24 hours before the beginning of the event period specified in the temporary event notice.

4. APPEAL

- 4.1 Schedule 5, Part 3 of the Licensing Act 2003 provides a right of appeal to the premises user against the giving of a counter notice, and a right of appeal to the chief officer of Police/Environmental Health where the Council decides not to give a counter notice. Such an appeal must be commenced within 21 days beginning with the day on which the appellant was notified by the Licensing Authority of the decision appealed against.
- 4.2 No appeal may be brought later than five working days before the day on which the event period specified in the temporary event notice begins.

5. POLICY CONSIDERATIONS

- 5.1 The Westminster Statement of Licensing Policy for applications relating to premises and personal licences and temporary event notices made under the Licensing Act 2003 was determined for a three-year period commencing 7 January 2011. This contains no specific policy for Temporary Event Notices but urges longer periods of notice to be given for events which involve the use of the streets or necessitate the special management of traffic and services.
