In considering applications for premises licences under the Licensing Act 2003, the sub-committee is advised of the following:

POLICY CONSIDERATIONS

The City of Westminster statement of licensing policy applies to all applications where relevant representations have been made. The Licensing Sub-Committee is required to have regard to the City of Westminster statement of Licensing Policy and the guidance issued by the Secretary of state under Section 182 of the Licensing Act 2003.

GUIDANCE CONSIDERATIONS

The Licensing Authority is required to have regard to any guidance issued by the Secretary of State under the Licensing Act 2003.

PERMITTED TEMPORARY ACTIVITIES

The licensee of any premises is entitled under the Licensing Act 2003 to apply for permission to hold temporary events, authorising licensable activities instead of or in addition to any activities that may be authorised by a premises licence, subject to the following restrictions:

- 1) No more than 12 events over a total of 21 days may be held at any one premises in any year
- 2) Each event must last for no more than 168 hours
- 3) There must be 24 hours between each event
- 4) The number of people at each event must be less than 500.

A Temporary Event Notice for each event (a TEN) is required to be given to the licensing authority, the police and environmental health service no later than 10 working days before the event for a 'standard' TEN or 5 to 9 working days before the event is due to begin for a 'late' TEN. The licensing authority is required to send an acknowledgement by the next working day.

Once a Temporary Event Notice is given the police and environmental health service have a right to object to the event if they are satisfied that the event will undermine any of the licensing objectives of preventing crime and disorder, prevention of public nuisance, protection of children from harm and promotion of public safety. They must serve an objection notice stating their reasons as to why the objectives would be undermined to the licensing authority and the premises user within 3 working days of receiving a copy of the TEN. The licensing authority is required to hold a hearing and may issue a counter notice which will prevent the event taking place.

LIVE MUSIC ACT 2012

The Live Music Act amends the Licensing Act 2003 by:

- removing the licensing requirement for amplified live music taking place between 8am and 11pm before audiences of no more than 200 persons on premises authorised by a premises licence or club premises certificate to supply alcohol for consumption on the premises (at a time when those premises are open for the purposes of being used for the supply of alcohol for consumption on the premises), subject to the right of a licensing authority to impose conditions about live music following a review of a premises licence or club premises certificate
- removing the licensing requirement for amplified live music taking place between 8am and 11pm before audiences of no more than 200 persons in workplaces not otherwise licensed under the 2003 Act (or licensed only for the provision of late night refreshment)
- removing the licensing requirement for unamplified live music taking place between 8am and 11pm in any place, subject to the right of a licensing authority to impose conditions about live music following a review of a premises licence or club premises certificate relating to premises authorised to supply alcohol for consumption on the premises
- removing the licensing requirement for the provision of entertainment facilities
- widens the licensing exemption for live music that is integral to a performance of Morris dancing or dancing of a similar type, so that the exemption applies to both live or recorded music instead of just unamplified live music in that instance.

APPENDIX D

Anand-Patel, Sumeet

From: Peter Mayhew <p.mayhew@btbl.co.uk>
Sent: 27 March 2015 00:51
To: Anand-Patel, Sumeet; Curtis, Nicola; Janes, Toby
Cc: Charles Martin; '26 Greek Street'
Subject: Premises Licence Variation - 26 Greek Street, (Ref. 15/00736/LIPV)

Dear Sumeet,

I have spoken with PC Toby Janes and we met with Nicola Curtis earlier today (Thursday). I would be most grateful if you could confirm if there are any further representations regarding this application for a variation of the premises licence?

Following these discussions, the applicant would be willing to withdraw the proposed amendment to condition 20 subject to both the Police and Environmental Health withdrawing their representations against all other aspects of the variation and subject to there being no further representations against the application:

1. *Non-Dining Diners - Within the premises up to 10 customers are permitted to purchase alcohol without food. The availability of alcohol without food during the permitted hours shall not be promoted or advertised externally.*
2. *Non-Dining Diners - these are customers who attend the premises with other people who are consuming food, but who themselves are not eating food at the premises. They may consume alcohol without food only when the persons with whom they are attending are consuming food.*

This would leave the existing condition 20 unchanged.

When I spoke with Toby he indicated that the Police would be minded to withdraw, subject to this aspect of the variation being removed; as the rest of the application falls within current Westminster Policy for the area.

As we only met Nicola today, she quite properly, was only able to give us an indication subject to further discussion with her colleagues on the matter; however it was felt that this amendment would be looked upon favourably. We look forward to the conclusion of her discussions in due course.

I would be most grateful if you could check the status of the application and inform us of any further representation, were there to be any.

Kind regards

Peter

VARIATION

Continued from previous page...

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

A variation is sought to remove two conditions (11 & 17) on the licence which are no longer appropriate for the nature of the business.

While the applicant is also seeking to slightly increase the permitted hours, these will remain within the core hours, outlined in Westminster City Councils licensing policy statement.

The applicant is also seeking to include the condition to amend the existing condition 20 to permit a small number of non-dining diners to consume alcohol without food at the premises.

While we are seeking to remove condition 11, the application also seeks to remove 'off-sales of alcohol' from the licence.

Subject to a successful variation, the application seeks to remove the name Pudding Bar and refer to the premises licence in future as '26 Greek Street'

Licensing Act 2003**26 Greek Street, London, W1D 5DE**

I refer to the application for variation of the Premises Licence 15/00449/LIDPSR for the above premises.

The premises are located within the West End Stress Area as defined within the City of Westminster Statement of Licensing Policy.

2. To remove condition 11 from the premises licence "Off-Sales of alcohol shall be restricted to bottles of Churchill's Port only"
3. To remove condition 17 from the premises licence "Alcohol sold or supplied at the premises shall be restricted to bottled beer/cider, wine and port only"
4. To amend condition 20 on the premises licence to include the following:
"Within the premises up to ten customers are permitted to purchase alcohol without food. The availability of alcohol without food during the permitted hours shall not be promoted or advertised externally."
5. To vary the permitted hours for the Provision of Late Night Refreshment 'indoors':
 - a. FROM Friday and Saturday 2300 to 2330 hours

6. To vary the permitted hours for the Supply of Alcohol 'on' the premises:

 - b. TO Monday to Thursday 1100 to 2330 hours, Friday and Saturday 1100 to 0000 hours and Sunday (no change) 1200 to 2230 hours

I wish to make the following representations in relation to the above application:

1. No representation raised.
2. No representation raised.
3. The removal of the conditions from the Licence will have the likely effect of an increase in Public Nuisance in the West End Stress Area.
4. The proposed amendment of the condition will have the likely effect of an increase in Public Nuisance in the West End Stress Area.
5. The increased hours for the provision of Late Night Refreshment 'indoors' will have the likely effect of causing an increase in Public Nuisance in the West End Stress Area.
6. The increased hours for the Supply of Alcohol 'on' the premises will have the likely effect of causing an increase in Public Nuisance in the West End Stress Area.

The applicant is advised to contact the undersigned to arrange a suitable time for inspection of the premises.

The applicant has provided additional information within the operating schedule which is being considered but does not fully address the concerns of Environmental Health.

The granting of the variation where representation is made would have the likely effect of causing an increase of Public Nuisance in the West End Stress Area.

Should you wish to discuss the matter further please do not hesitate to contact me.

Subject: RE: Premises Licence Variation - 26 Greek Street, (Ref. 15/00736/LIPV)

Hello Peter,

Thank you for confirming that you wish to withdraw the amendment to condition 20.

At our meeting we discussed that I would need the WCs to be designated 1 as male and 1 as female as we do not accept unisex facilities. I also propose the following conditions since the new occupier has not yet taken over the premises and there will be some layout changes:

1. The variation of the Premises Licence will have no effect until the premises have been assessed as satisfactory by the Environmental Health Consultation Team and this condition has been removed from the Licence.
2. Before the premises open to the public, the plans will be checked by the Environmental Health Consultation Team to ensure they are an accurate reflection of the premises. Where the premises layout has changed from the existing plans a variation application may be required.

Please do let me know whether these conditions are acceptable, and also whether the Soho Society's concerns have been addressed.

Kind regards

Nicola Curtis GradCIEH

Dear Sir,

Application 15/00736/LIPV - Pudding Bar, 26 Greek St, W1

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, make a representation against the above application as it is our belief that if granted the application would undermine the Licensing Objectives.

I will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.

Should you wish to discuss the matter further please contact me on 0207 641 3179 or via email, tjanes@westminster.gov.uk

Yours sincerely,

Toby Janes

15 February 2015

Dear Sir/Madam

Ref: 15/00736/LIPV26 Greek Street

I write to make a relevant representation to the above application on behalf of the Soho Society.

The Soho Society is a charitable company limited by guarantee established in 1972. The Society is a recognised amenity society and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the Society supports the City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

The Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.

Hours of operation

The proposal includes licensable activities, including sale of alcohol, outside of Westminster core hours. The license should be limited to these, namely Monday to Thursday 10am-11.30pm, Friday-Saturday 10am-12midnight and Sunday 12midday-10.30pm.

Sale of alcohol without food

The proposal includes changes to permit sale of alcohol without food. This is incompatible with the nature of the restaurant business where alcohol sales are ancillary to a table meal. This is set out in the existing conditions, which should remain.

This area has been identified by the City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder

and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the Stress Areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the Policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the Policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

Yours faithfully,

David Gleeson

1. Relevant representations

- 1.1 The Metropolitan Police have not made a representation following the applicant's agreement to a number of conditions proposed by the Police which are attached at Appendix B.
- 1.2 The Environmental Health Service have made an adverse representation to this application as it is their belief that the proposals will have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety.
- 1.3 Three local residents and a company representing a number of residents have made adverse representations against this application on the ground of public nuisance.

The applicant has written to the residents explaining the nature of this application. All letters and emails are attached as background documents to this report. The applicant has confirmed that:

- The premises will continue to operate as a restaurant. All alcohol, whether served from the basement or ground floor, will only be sold to persons who are dining at the restaurant.
- The restaurant's bar area, located in the basement, is decreasing in size when compared to the previous restaurant's (Made in Italy) Licence plans.
- The restaurant bar will only be used by restaurant customers before, during or after a meal at the premises. During busy periods this will help our client responsibly manage customers within the premises, rather than queuing outside for a table.
- There will be no increase in capacity. A new and limited capacity has been agreed for the basement area.
- There will be no access to Greek Court or the alleyway, which is understood to be accessed by other restaurants in any event.
- The permitted hours and other Licence conditions will remain the same as the Made in Italy Licence.
- The applicant will implement comprehensive customer management procedures to ensure the restaurant's customers, including smokers; do not cause you any nuisance whatsoever.

Policy HRS1 applies:

- (i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.
- (ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.

Policy STR1 applies:

- (i) It is the Licensing Authority's policy to refuse applications in the Stress Areas for: pubs and bars; fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.
- (ii) Applications for other licensable activities in the Stress Areas will be subject to other policies and must demonstrate that they will not add to cumulative impact in the Stress Areas.

Food and Drink

Back in the bare-brick darkness of Shackfuyu, Ross Shonham brings me a plate of dressed goat shabu shabu-style. This consists of thin slivers of billy kid blanched in a stock of seaweed, dried shitake mushroom and benito flakes. These are chilled and placed on a salad of shaved cucumber, leek, spring onion, pickled carrot and shiso leaves with a dressing of orange and yuzu juices, miso paste, chilli oil, rice wine vinegar, ginger, Korean hot bean paste and garlic.

The textures are delicate, the flavour a punchy mixture of umami and citrus with a lasting chilli finish. It couldn't be more different to the kofte, the braised goat or to the dim memory I have of melting roast kid in Portugal ten years ago, further testament to the versatility of this cheap, healthy, morally improving meat.

I'm sold. It's time to take the goat by the horns. You'd be ma-a-a-a-ad not to.

The Licensing Act 2003

Re: Shackfuyu, Basement And Ground Floor 14 Old Compton Street London

I refer to the application for variation of the Premises Licence 10/02561/LIPV

The premises are located within the West End Stress Area as stated in the City of Westminster's Statement of Licensing Policy.

This representation is based on the operating schedule and plans submitted of the basement.

The applicant is seeking the following:

1. To reconfigure the kitchen and bar area on the basement floor. The changes look to introduce a new bar counter in the area formerly designated as the kitchen.
2. Removal of condition 18 "There shall be no draught sales of alcohol"

I wish to make the following representation

1. Representation is made to the reconfiguration of the kitchen and bar area in the basement as it will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety in the West End Stress Area.
2. No objection.

Environmental Health has concerns over the reconfiguration of the basement area with regard to the relocation of the licensed area into the existing kitchen. The proposed area does not benefit from a secondary means of escape and the accommodation staircase located at the rear of the premises results in an excessive travel distance for escape purposes.

Should you wish to discuss the matter further please do not hesitate to contact me.

OBJECTION

I own Flat 5 and Flat 7 in 14 Old Compton street and all my windows of receptions and bedrooms are facing Old Compton street.

A change into a bar will bring more noise, as people will stand in front of the restaurant with drinks. Also there will be a lot of smoking which will disturb in the flats.

I can only accept similar terms, like the previous restaurant "Made in italy" and kindly ask you not to change or extend the permit to a bar, or allow anything similar to a bar in the future.

- **Mr Robert Airton - Not Provided, ,**
Received: 14 Feb 2015
OBJECTION

It appears from the change application 15/00761/LIPV that they are increasing the bar area in the basement.

The changes to that already authorised are not clear from the application as the existing layout of the basement is not shown. This makes it very difficult to understand the extent of the proposed changes.

If they are changing the middle area of the basement to a bar or increasing the bar capacity then I object to the change. This is a restaurant and sale of alcohol should remain connected to food. I believe that there are enough bars in Soho.

As the owner of a flat upstairs I welcome changes that would improve the restaurant.

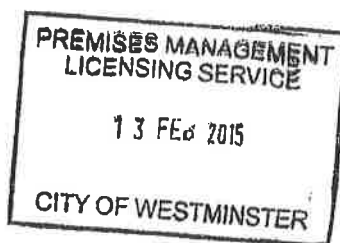

However, as before there should be a restriction placed so that staff do not use the side doors into Greek Court for anything other than emergencies. The noise from Greek Court reverberates around the narrow alley and causes disturbance to all of the flats overlooking it.

Dear Sir

Bone Daddies

Basement and ground floor, 14 Old Compton Street London W1D 4TH

Ref - 15/00761/LIPV

I refer to the above licence application and would like to raise a formal objection. I own Flat 4 and both my bedroom windows overlook Greek Court. The residents of number 14 and Greek Court, have had countless problems with previous operators of the ground floor premises with noise in Greek Court.

I am concerned that the proposed bar on the ground floor will be used as a bar and not incidental to the purpose of the property - ie a restaurant. This will lead to increased noise from customers

I would also ask that restrictions on the use of Greek Court are imposed. That is to say the Fire doors opening onto Greek Court are NOT to be used except in the case of a fire and they must be kept shut at all times

I know that we all need to live together in the small area which is Soho and we are looking forward to eating in the new restaurant which is opening on the ground floor of our building but hope that the new owners can also be reasonable and consider our concerns

Yours faithfully

Dear Sir

Bone Daddies Limited – 14 Old Compton Street London W1D 4TH

We refer to the above's licence application and would like to raise a formal objection. We represent the interests of the residents of Flats 1-8 of the property as well as the residents of Greek Court.

The basis of our objection is that the Bar being proposed in the basement will cause extra public nuisance to the tenants in the properties referred to above due to the change in use from restaurant to bar .

We would also like conditions imposed similar to those for Made In Italy and previous licencees that is to say that the fire doors which open onto Greek Court can only be used in an emergency and NOT for any other reason and must be kept shut at all times.

Yours faithfully

Dear Mr Drinkwater

I write further to the letter attached to my email below. I hope you don't mind me contacting you by email.

I have now seen a copy of your representation. I hope I can reassure you further in respect of the concerns raised in your letter, as follows:

1. The premises will continue to operate as a restaurant. All alcohol will be sold to persons who are dining at the restaurant.
2. The restaurant's bar area in the basement is actually decreasing in size when compared to the previous restaurant's layout plans.
3. There will be no increase in capacity.
4. Following the fit out works there will be no access to Greek Court or the alleyway, which we understand is accessed by other restaurants in any event.
5. The permitted hours for licensable activities will remain the same.
6. The Made in Italy Licence conditions will remain the same, save for the restriction on draught beer to allow a limited selection of draught beers to be sold at the premises.

Please do not hesitate to contact me or Mr Shonhan if you would like to discuss further.

Thank you for your consideration of our letter and this email.

Kind regards

Jack

Dear Mr Drinkwater

14A Old Compton Street Restaurant

We act for the new operator of the above restaurant. We have been instructed to submit our client's Premises Licence application.

We understand from our client, Mr Ross Shonhan, that you have raised concerns about the proposals. We would be very grateful for your consideration of this letter, which we hope helps to answer any queries you may have.

Mr Shonhan intends to open a new sister restaurant to his existing restaurant, Bone Daddies, located on Peter Street in Soho. The Licence application seeks to regularise slight changes to the layout of the basement area and allow a limited selection of speciality draught beers to be served. There are no proposed changes to the ground floor restaurant or the permitted hours. For the avoidance of any doubt, the premises will continue to operate as a restaurant within the current hours.

Mr Shonhan would be delighted to meet you on site to discuss further. He is a responsible operator and hopes his restaurant will be a valuable addition to the building and popular with local residents.

Please do not hesitate to contact Jack Spiegler of this office if you have any queries arising.

Yours sincerely

There are no proposed changes to the ground floor restaurant. For the avoidance of any doubt:

Dear Mr Babak

**Application to vary a Premises Licence
Bone Daddies Shackfuyu Restaurant, 14A Old Compton Street**

We refer to your representation in respect of our client's application and our previous letter to you.

Our client has since met with the City Council's Environmental Health Consultation Team, District Surveyor and the Fire Brigade. The officers were satisfied with the proposals and agreed a limited capacity in the basement (no more than 25 customers).

As previously stated, the application seeks to: (a) regularise slight changes to the layout of the basement area; and (b) allow a limited selection of speciality draught beers to be served. There are no proposed changes to the ground floor restaurant. Our client hopes the following assurances will also help to address your concerns:

1. The premises will continue to operate as a restaurant. All alcohol, whether served from the basement or ground floor, will only be sold to persons who are dining at the restaurant.
2. The restaurant's bar area, located in the basement, is decreasing in size when compared to the previous restaurant's (Made in Italy) Licence plans.
3. The restaurant bar will only be used by restaurant customers before, during or after a meal at the premises. During busy periods this will help our client responsibly manage customers within the premises, rather than queuing outside for a table.
4. There will be no increase in capacity. A new and limited capacity has been agreed for the basement area.
5. There will be no access to Greek Court or the alleyway, which we understand is accessed by other restaurants in any event.
6. The permitted hours and other Licence conditions will remain the same as the Made in Italy Licence.
7. Our client will implement comprehensive customer management procedures to ensure the restaurant's customers, including smokers, do not cause you any nuisance whatsoever.

If the above clarification has helped to address your concerns, our client would be most grateful if you would kindly consider withdrawing your representation. If you have any outstanding concerns, please do not hesitate to contact Jack Spiegler of this office to discuss further and/or arrange a meeting with our client.

Our client would also like to thank you for your patience and cooperation during the restaurant fit out period.

Yours sincerely
