In considering applications for premises licences under the Licensing Act 2003, the sub-committee is advised of the following:

POLICY CONSIDERATIONS

The City of Westminster statement of licensing policy applies to all applications where relevant representations have been made. The Licensing Sub-Committee is required to have regard to the City of Westminster statement of Licensing Policy and the guidance issued by the Secretary of state under Section 182 of the Licensing Act 2003.

GUIDANCE CONSIDERATIONS

The Licensing Authority is required to have regard to any guidance issued by the Secretary of State under the Licensing Act 2003.

LIVE MUSIC ACT 2012

The Live Music Act amends the Licensing Act 2003 by:

- removing the licensing requirement for amplified live music taking place between 8am and 11pm before audiences of no more than 200 persons on premises authorised by a premises licence or club premises certificate to supply alcohol for consumption on the premises (at a time when those premises are open for the purposes of being used for the supply of alcohol for consumption on the premises), subject to the right of a licensing authority to impose conditions about live music following a review of a premises licence or club premises certificate
- removing the licensing requirement for amplified live music taking place between 8am and 11pm before audiences of no more than 200 persons in workplaces not otherwise licensed under the 2003 Act (or licensed only for the provision of late night refreshment)
- removing the licensing requirement for unamplified live music taking place between 8am and 11pm in any place, subject to the right of a licensing authority to impose conditions about live music following a review of a premises licence or club premises certificate relating to premises authorised to supply alcohol for consumption on the premises
- removing the licensing requirement for the provision of entertainment facilities
- widens the licensing exemption for live music that is integral to a performance of Morris dancing or dancing of a similar type, so that the exemption applies to both live or recorded music instead of just unamplified live music in that instance.
