**First representation from resident**

I am writing to you as a very long time resident of 47 Lexington Street - almost thirty years - and obviously a neighbour of 49 Lexington Street about the application by Shaftesbury/Carnaby Plc concerning the application the notice of which was sent out on the 1 September concerning above all the playing of recorded music and also the sale of Alcohol on the ground floor and basement of the above premises. The previous occupiers of the aforementioned premises, a friendly quiet restaurant called Aurora, were, even if they held, it seems, a similar licence to the one being re-applied , for the most part were extremely quiet and restrained, only very rarely playing music, even in the open garden premises behind the ground floor, which in fact also formed part of their restaurant.

In the last few years there has to me been already an unwelcome excess to the ecology of the area explosion of restaurant and other activities that have increasingly and annoyingly ever more spilt out onto this narrow thoroughfare that is Lexington Street,

also with inevitably increasing and unpleasant even dangerous rubbish piles everywhere much of the time.

There are a considerable number of long standing residents in this old, beautiful and indeed fragile street that dates from the very early years of the eighteenth century. I also fully realise that this is Soho with its attendant inevitable bustle. But I certainly strongly object to these premises serving alcohol after 11 pm and above all totally would object to the granting of any MUSIC/CLUB-like license of ANY KIND being part of the activities of these premises, that will interfere both with my work and living here, as well of course my sleep - and equally that of my family, who also live here at no 47 next door to the premises in question.

I am happy to engage of course in any appropriate discussion about this with either yourselves or Shaftesbury about matters raised here that are of clearly immediate concern to myself.

### **Second representation from resident**

re my objection to the licensing application 49 application and my objections outlined in my email 23 September:

I note a notice now on the premises of Fernandez and Wells at 41 Lexington Street which states " that under the terms of their licence it is not possible to take glasses outside - we would be grateful if you could restrain from doing so - also to respect neighbours by leaving premises quietly"

I would be grateful if similar requirements were imposed on all addresses on the street including at number 45, Mildreds which serve cocktails to those waiting to go to the this perfectly fine restaurant, but causing often intense blockage of persons, semi-stubbed out cigarettes and other litter on the street!

<b>Received:</b>	26 September 2017
------------------	-------------------

There are at least 17 flats in Lexington Street and another five or six within ear shot in Broadwick Street/Silver Place. The majority are lived in, some by families, in contrast to Air B&B or buy to leave. In short the North end of Lexington Street is a truly residential street.

<b>Received:</b>	22 September 2017
------------------	-------------------

Have nothing to object to with license apart from music playing. I live in the first floor flat on 47 Lex. Loud music playing nightly up to 00:00 in the basement and ground floor of 49 Lex would be very disruptive because walls of these old houses are very thin and the sound travels. This has long been a relatively quiet residential street in Soho.

<b>Received:</b>	17 September 2017
------------------	-------------------

Other premises in the vicinity are only licensed to sell alcohol until 1100 hours including the John Snow pub. The noise created by intoxicated people after such time would be disruptive to residents of the area.

<b>Received:</b>	16 September 2017
------------------	-------------------

Lexington Street is primarily a residential street and having read through the application for a new restaurant in this location I am objecting to the late hours this licensing application will cover. There was a restaurant at No 49 Lexington Street (Arora) for at least 30 years and it caused no problems and as this proposed new restaurant is planning to serve alcohol and refreshments after 23.00 hrs this is totally unacceptable to the residents of the surrounding flats and houses and could cause a severe nuisance in the street at night. It could be called a night-club.

Lexington Street has a busy pub, The John Snow, on its corner with Broadwick Street and four other restaurants and a club in the street three of which serve alcohol up to 23.00. We, the residents do not want noisy drinkers in the street after mid-night disturbing our resting hours.

10 October 2017

Dear Ms McAusland,

**Application for a Premises Licence 17/09666/LIPN  
49 Lexington Street, W1F 9AP**

Westminster City Council have provided us with a copy of your representation in respect of our premises licence application. We would be grateful for your consideration of this letter, which we hope will help to address the concerns you have raised.

Sadly, the previous owner of the restaurant passed away earlier this year. His company became insolvent some time prior to his death. As a result, the restaurant's premises licence lapsed. This means we had to apply for a new premises licence.

The application seeks a new licence with the same licensable activities, permitted hours (except for a reduction in recorded music hours – see below) and conditions as the lapsed licence. The proposals also seek to regularise the historical use of the basement dining area by including this in the licensed demise.

The provision of recorded music was permitted 24 hours a day under the lapsed licence. We have proposed to reduce this to hours consistent with the sale of alcohol only. We hope this assists. In any event, we anticipate the provision of music will be consistent with the restaurant use of the premises. The historical licence included a requirement that alcohol is only sold to persons taking a table meal on the premises. This condition has been reflected in the application to ensure future tenants do not operate the premises as a bar. In addition, there is no proposal for off-sales of alcohol. This means the proposed licence would not allow customers to take drinks outside the premises to drink on the street.

As you may know, we are currently undertaking some improvement works to the building. Thereafter we will carefully vet proposed tenants to enter a lease for the premises. We will ensure any tenant is a professional restaurant operator in keeping with Lexington Street.

Thank you for your consideration of this letter. Please do not hesitate to contact us if you have any queries arising, or alternatively would like to arrange a meeting to discuss our proposals further.

Yours sincerely

<b>Responsible Authority:</b>	Licensing Authority
<b>Representative:</b>	Mr David Sycamore
<b>Received:</b>	11 September 2017

I write in relation to the application submitted for a provisional statement.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety

The premises is located within the West End Cumulative Impact Area and as such a number of policy points must be considered. All of the above applications have offered model condition 66 which indicates they will operate as restaurant and therefore fall in to policy RNT2 which states that premises must demonstrate that it will not add to cumulative impact. The additional premises and their respective capacity will add to cumulative impact and therefore additional information must be submitted.

Please accept this as formal objection and we look forward to receiving additional documents.

<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	PC Reaz Guerra
<b>Received:</b>	12 September 2017

I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Cumulative Impact, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

There is insufficient detail within the operating schedule to promote the Licensing Objectives.

An officer from this unit will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.

It is for these reasons that we are objecting to the application.

**2-B Other Persons**

**Received:** 15 September 2017

I am a resident of Soho.

I am aware of Soho Estate's licensing applications and the recent grant of planning permission.

I support the applications, the reasons for them, the development and their promotion of the licensing objectives in this location.

I am also aware and support the retention of the existing night-club use, which I understand has the same customer capacity. And for which planning has been granted.

I look forward to hearing from you in due course.

**3. Policy & Guidance**

The following policies within the City Of Westminster Statement of Licensing Policy apply:

<b>Policy CIA1 applies:</b>	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
<b>Policy HRS1 applies:</b>	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies</p>
<b>Policy PB2 applies:</b>	It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.
<b>Policy RNT2 applies:</b>	Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact

	Areas.

## 2. Representations

<b>2-A Responsible Authorities</b>	
<b>Responsible Authority:</b>	The Licensing Authority
<b>Representative:</b>	Mr David Sycamore
<b>Received:</b>	11 <sup>th</sup> September 2017
<p>I write in relation to the application submitted for a provisional statement.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:</p> <ul style="list-style-type: none"> <li>• Public Nuisance</li> <li>• Prevention of Crime &amp; Disorder</li> <li>• Public Safety</li> </ul> <p>The premises is located within the West End Cumulative Impact Area and as such a number of policy points must be considered. All of the above applications have offered model condition 66 which indicates they will operate as restaurant and therefore fall in to policy RNT2 which states</p>	

that premises must demonstrate that it will not add to cumulative impact. The additional premises and their respective capacity will add to cumulative impact and therefore additional information must be submitted.

Please accept this as formal objection and we look forward to receiving additional documents.

<b>Responsible Authority:</b>	The Environmental Health Service
-------------------------------	----------------------------------

<b>Representative:</b>	Sally Fabbricatore
------------------------	--------------------

<b>Received:</b>	6 <sup>th</sup> September 2017
------------------	--------------------------------

I refer to the application for a Provisional Statement for a new Premises Licence for the above premises.

**The premises are situated in the West End Cumulative Impact Area as stated in City of Westminster's Statement of Licensing Policy.**

This representation is based on the Operating Schedule and the submitted plans, showing the basement and ground floor, titled with the address.

The applicant is seeking the following on the **basement and ground floor**:

1. To allow the Supply of Alcohol 'on' the premises Monday to Saturday 10:00-01:00 hours and Sunday 12:00-23:30 hours.
2. To allow Late Night Refreshment 'indoors' Monday to Saturday 23:00-01:00 hours and Sunday 23:00- 23.30 hours.
3. To allow the above provisions from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day.

I wish to make the following representation in relation to the above application:

1. The provision of the Supply of Alcohol may cause an increase in Public Nuisance in the cumulative impact area, it may also impact on Public Safety.
2. The provision of Late Night Refreshment may cause an increase in Public Nuisance in the cumulative impact area.
3. The seasonal variations may cause an increase in Public Nuisance in the cumulative impact area.

The applicant has proposed conditions within the operating schedule which are being considered. Further conditions may be proposed by Environmental Health in order to help prevent Public Nuisance and protect Public Safety.

**The granting of this provisional statement as presented would have the likely effect of causing an increase in Public Nuisance in the cumulative area and may impact on Public Safety.**

<b>Responsible Authority:</b>	The Metropolitan Police Service
-------------------------------	---------------------------------

<b>Representative:</b>	PC Reaz Guerra
------------------------	----------------

<b>Received:</b>	12 <sup>th</sup> September 2017
------------------	---------------------------------

With reference to the above applications, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Cumulative Impact, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

There is insufficient detail within the operating schedule to promote the Licensing Objectives.

An officer from this unit will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.

It is for these reasons that we are objecting to the application.

**2-B Other Persons**

**Received:** 15 September 2017

I am a resident of Soho.

I am aware of Soho Estate's licensing applications and the recent grant of planning permission.

I support the applications, the reasons for them, the development and their promotion of the licensing objectives in this location.

I am also aware and support the retention of the existing night-club use, which I understand has the same customer capacity. And for which planning has been granted.

I look forward to hearing from you in due course.

<b>Trading name of business and Address:</b> New Development at 113-119 Charing Cross Road, London, WC2H 0BE		
<b>License:</b> Miabella – 12-13 Greek Street 15/01344/LIPDPS	<b>Applicant/solicitor:</b> Alun Thomas	<b>Cumulative Impact Area:</b> Yes – West End
<p><b>Type of Business:</b> New mixed use development including residential , office, retail, restaurants and a nightclub.</p> <p><b>Current Areas:</b> For the nightclub – Basement and Ground Floor.</p> <p><b>Current Activities:</b> In the whole development only the nightclub is licensed.</p>		
<p><b>Pre application advice purpose:</b> To assess the proposal of mixed use of a nightclub, four restaurants within mixed use of residential, office space and retail.</p> <p><b>Background to application:</b></p> <p><b>Nightclub</b>  There is a nightclub on Greek Street, which is part of the development. This licence (15/01344/LIPDPS) has been transferred to Soho Estates. The main operation is in the basement with access on the ground floor. The proposal is to increase the space on the ground floor. The capacity is to remain the same at 243 customers . Therefore the only change to the licence is in the layout, therefore a variation application would be suitable due to no increase in licensable area.</p> <p>An acoustic lobby should be considered, due to the change of use above to residential use.</p> <p>The current WC provisions are 2 male WCs, 4 urinals, 5 female WCs and 1 staff WC. The proposal shows 2 male WCs, 3 female WCs and 1 accessible WC. The provision of WCs should remain the same as existing or increase, but certainly not decrease.</p> <p>There is no proposal for external use for this area.</p> <p><b>Restaurants</b>  There is also a proposal for four new restaurants. The capacity for each is to be confirmed at a later stage. These will each operate on the basement and ground floor with independent facilities. The terminal proposed hour is 1am.</p> <p>Retail units and offices are proposed above the restaurants.</p>		

The activities proposed are as follows:

1. Alcohol 'on and off' – Monday – Saturday 10:00-01:00 hours and Sunday 12:00-00:30 hours.
2. Late Night Refreshment - Monday – Saturday 23:00-01:00 hours and Sunday 23:00-00:30 hours.
3. No regulated entertainment is proposed.

An external area is part of the proposed development. This is private land and will be accessible from 8am to 1am. Planning permission does not allow use after 11pm for the tables and chairs. This area does not have a roof and would be used as a smoking area. Consideration needs to be given so this does not cause a nuisance to the occupiers above.

The loading bay is accessible from Charing Cross Road.

The windows that look out on to the courtyard will be non-openable.

**The main Environmental Health considerations to the proposal as submitted are the following:**

### **1. Cumulative Impact Area**

The premises are in the West End Cumulative Impact Area as defined in Westminster's Statement of Licensing policy. The policy can be found on the Council's website at the following link:

<https://www.westminster.gov.uk/licensing-policy>

A new restaurant would fall within policy RNT2 which states, applications will be granted subject to other policies and subject to relevant criteria in policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the CIA. Other applicable policies will be CIP1 and HRS1.

The proposal seeks to allow the terminal hour to 0100 hours for all licensable activities. This hour is against Policy **HRS1**. However policy **RNT2** recognises that appropriately conditioned restaurants have little association with crime and disorder or public nuisance up until 0100 hours.

### **2. Sanitary accommodation**

One of the reasons for an area being designated as a Cumulative Impact Area is due to the lack of adequate facilities leading to Public Nuisance concerns in the area. Environmental Health therefore requires the provision of sanitary accommodations to be in compliance with the minimum provision as stated in *British Standard 6465 -1:2006 + A1:2009; Sanitary installations – Part 1: Code of practice for the design of sanitary facilities and scale of provision of sanitary and associated appliances: Table 10; restaurants and other places where seating is provided for eating and drinking.*

Once there is a better idea of the capacity the WC requirements can be provide. The accessible WC can be included in the female numbers only if a separate staff WC is provided.

Separate staff facilities should be provided. Under the Workplace (Health, Safety and Welfare) Regulations 1992, Regulation 20, the following numbers of WCs are stated for staff facilities: 1 WC for 1-5 staff, 2 WCs for 6-15 and 3 WCs for 16-30.

All toilets in food business premises should be separated by a lobby from food eating or preparation areas.

### **3. External Area and Windows**

With regard to the external area, it is advised that the area is not used after 23.00 hours. External use has been proposed. However with the hours proposed, doors and windows should be kept closed after 23.00 hours and at all times if regulated entertainment is taking place.

### **4. Food Hygiene**

No detailed kitchen layout plans have been provided therefore the layout has not been assessed for food hygiene requirements.

### **5. Types of application**

The nightclub licence could be varied to change the layout. The restaurant applications would need to be new applications. Specific conditions will be proposed to uphold the Licensing Objectives once detailed layout plans are provided.

<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	PC Reaz Guerra
<b>Received:</b>	12 September 2017

I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Cumulative Impact, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

There is insufficient detail within the operating schedule to promote the Licensing Objectives.

An officer from this unit will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.

It is for these reasons that we are objecting to the application.

<b>Responsible Authority:</b>	Licensing Authority
<b>Representative:</b>	Mr David Sycamore
<b>Received:</b>	11 September 2017

I write in relation to the application submitted for a provisional statement.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety

The premises is located within the West End Cumulative Impact Area and as such a number of policy points must be considered. All of the above applications have offered model condition 66 which indicates they will operate as restaurant and therefore fall in to policy RNT2 which states that premises must demonstrate that it will not add to cumulative impact. The additional premises and their respective capacity will add to cumulative impact and therefore additional information must be submitted.

Please accept this as formal objection and we look forward to receiving additional

documents.

## 2-B Other Persons

**Received:** 15 September 2017

I am a resident of Soho.

I am aware of Soho Estate's licensing applications and the recent grant of planning permission.

I support the applications, the reasons for them, the development and their promotion of the licensing objectives in this location.

I am also aware and support the retention of the existing night-club use, which I understand has the same customer capacity. And for which planning has been granted.

<b>Policy HRS1 applies:</b>	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>
<b>Policy PB2 applies:</b>	<p>It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.</p>

<b>Received:</b>	11 <sup>th</sup> September 2017
<p>I write in relation to the application submitted for a provisional statement.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:</p> <ul style="list-style-type: none"> <li>• Public Nuisance</li> <li>• Prevention of Crime &amp; Disorder</li> <li>• Public Safety</li> </ul> <p>The premises is located within the West End Cumulative Impact Area and as such a number of policy points must be considered. All of the above applications have offered model condition 66 which indicates they will operate as restaurant and therefore fall in to policy RNT2 which states that premises must demonstrate that it will not add to cumulative impact. The additional premises and their respective capacity will add to cumulative impact and therefore additional information must be submitted.</p> <p>Please accept this as formal objection and we look forward to receiving additional documents.</p>

<b>Responsible Authority:</b>	The Metropolitan Police Service
<b>Representative:</b>	PC Reaz Guerra
<b>Received:</b>	12 <sup>th</sup> September 2017

With reference to the above applications, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Cumulative Impact, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

There is insufficient detail within the operating schedule to promote the Licensing Objectives.

An officer from this unit will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.

It is for these reasons that we are objecting to the application.

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

<p>Policy CIA1 applies:</p>	<p>(i) It is the Licensing Authoritys policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
<p>Policy PB2 applies:</p>	<p>It is the Licensing Authoritys policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.</p>
<p>Policy HRS1 applies:</p>	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>

<b>Trading name of business and Address:</b> New Development at 113-119 Charing Cross Road, London, WC2H 0BE		
<b>Licence:</b> Miabella – 12-13 Greek Street 15/01344/LIPDPS	<b>Applicant/solicitor:</b> Alun Thomas	<b>Cumulative Impact Area:</b> Yes – West End
<p><b>Type of Business:</b> New mixed use development including residential, office, retail, restaurants and a nightclub.</p> <p><b>Current Areas:</b> For the nightclub – Basement and Ground Floor.</p> <p><b>Current Activities:</b> In the whole development only the nightclub is licensed.</p>		
<p><b>Pre application advice purpose:</b> To assess the proposal of mixed use of a nightclub, four restaurants within mixed use of residential, office space and retail.</p> <p><b>Background to application:</b></p> <p><b><u>Nightclub</u></b>  There is a nightclub on Greek Street, which is part of the development. This licence (15/01344/LIPDPS) has been transferred to Soho Estates. The main operation is in the basement with access on the ground floor. The proposal is to increase the space on the ground floor. The capacity is to remain the same at 243 customers. Therefore the only change to the licence is in the layout, therefore a variation application would be suitable due to no increase in licensable area.</p> <p>An acoustic lobby should be considered, due to the change of use above to residential use.</p> <p>The current WC provisions are 2 male WCs, 4 urinals, 5 female WCs and 1 staff WC. The proposal shows 2 male WCs, 3 female WCs and 1 accessible WC. The provision of WCs should remain the same as existing or increase, but certainly not decrease.</p> <p>There is no proposal for external use for this area.</p> <p><b><u>Restaurants</u></b>  There is also a proposal for four new restaurants. The capacity for each is to be confirmed at a later stage. These will each operate on the basement and ground floor with independent facilities. The terminal proposed hour is 1am.</p> <p>Retail units and offices are proposed above the restaurants.</p>		

The activities proposed are as follows:

1. Alcohol 'on and off' – Monday – Saturday 10:00-01:00 hours and Sunday 12:00-00:30 hours.
2. Late Night Refreshment - Monday – Saturday 23:00-01:00 hours and Sunday 23:00-00:30 hours.
3. No regulated entertainment is proposed.

An external area is part of the proposed development. This is private land and will be accessible from 8am to 1am. Planning permission does not allow use after 11pm for the tables and chairs. This area does not have a roof and would be used as a smoking area. Consideration needs to be given so this does not cause a nuisance to the occupiers above.

The loading bay is accessible from Charing Cross Road.

The windows that look out on to the courtyard will be non-openable.

**The main Environmental Health considerations to the proposal as submitted are the following:**

### **1. Cumulative Impact Area**

The premises are in the West End Cumulative Impact Area as defined in Westminster's Statement of Licensing policy. The policy can be found on the Council's website at the following link:

<https://www.westminster.gov.uk/licensing-policy>

A new restaurant would fall within policy RNT2 which states, applications will be granted subject to other policies and subject to relevant criteria in policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the CIA. Other applicable policies will be CIP1 and HRS1.

The proposal seeks to allow the terminal hour to 0100 hours for all licensable activities. This hour is against Policy **HRS1**. However policy **RNT2** recognises that appropriately conditioned restaurants have little association with crime and disorder or public nuisance up until 0100 hours.

### **2. Sanitary accommodation**

One of the reasons for an area being designated as a Cumulative Impact Area is due to the lack of adequate facilities leading to Public Nuisance concerns in the area. Environmental Health therefore requires the provision of sanitary accommodations to be in compliance with the minimum provision as stated in *British Standard 6465 -1:2006 + A1:2009; Sanitary installations – Part 1: Code of practice for the design of sanitary facilities and scale of provision of sanitary and associated appliances: Table 10; restaurants and other places where seating is provided for eating and drinking.*

Once there is a better idea of the capacity the WC requirements can be provide. The accessible WC can be included in the female numbers only if a separate staff WC is provided.

Separate staff facilities should be provided. Under the Workplace (Health, Safety and Welfare) Regulations 1992, Regulation 20, the following numbers of WCs are stated for staff facilities: 1 WC for 1-5 staff, 2 WCs for 6-15 and 3 WCs for 16-30.

All toilets in food business premises should be separated by a lobby from food eating or preparation areas.

### **3. External Area and Windows**

With regard to the external area, it is advised that the area is not used after 23.00 hours. External use has been proposed. However with the hours proposed, doors and windows should be kept closed after 23.00 hours and at all times if regulated entertainment is taking place.

### **4. Food Hygiene**

No detailed kitchen layout plans have been provided therefore the layout has not been assessed for food hygiene requirements.

### **5. Types of application**

The nightclub licence could be varied to change the layout. The restaurant applications would need to be new applications. Specific conditions will be proposed to uphold the Licensing Objectives once detailed layout plans are provided.
