Representative:	PC Sandy Russell
Received:	24 th May 2018
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, will be objecting to this application at this stage in the application process. Although the venue is not situated within Westminster's Cumulative Impact Area, it is our belief that if granted the application would undermine the Licensing Objectives.</p> <p>I have looked through the application. Overall it is agreeable but there are a number of conditions police require are added to any future operating schedule. Please let me know whether they are agreeable to your client as this may enable us to withdraw our representation.</p> <ol style="list-style-type: none"> 1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period. 2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested. 3. The premises shall only operate as a restaurant: <ol style="list-style-type: none"> (i) in which customers are shown to their table, (ii) where the supply of alcohol is by waiter or waitress service only, (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iv) which do not provide any take away service of food or drink for immediate consumption, (v) which do not provide any take away service of food or drink after 23.00, and (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated at the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by 	

such persons is ancillary to taking such meals.

Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.

4. Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall not be permitted to take drinks or glass containers with them.

I trust you find this satisfactory and I look forward to your prompt response.

On the 25th May 2018 the applicant agreed the proposed conditions and the Metropolitan Police service withdrew their representation.

Responsible Authority:	Environmental Health Service
Representative:	Maxwell Owusu Koduah
Received:	6 th June 2018

I refer to the application for a New Premises Licence for the above mentioned premises. I have considered the information that have provided within and accompanying this application. I

have also considered the application in line with the relevant policies within the Council's Statement of Licensing Policy dated Jan 2016.

The applicant is seeking the following licensable activities

1. To supply alcohol for consumption "on" the premises Monday to Saturday from 11:00 – 23:00 hours and Sunday from 11:00 – 22:30 hours

Following consideration of the application and how it may affect the Licensing Objectives and meeting the requirements of the Council's Statement of Licensing Policy I wish to make the following representation

1. The hours requested to supply alcohol may have the likely effect of increasing Public Nuisance, and impact on Public Safety within the area

During a site visit/meeting, the applicant indicated a second door on the ground floor which is not shown on the accompanying floor plans. Plans that reflect the intended layout of the premises, including a second door on the ground floor, will have to be submitted.

The applicant has indicated that the premises has a seating capacity of about 82 persons. However, there are three public toilets and this is insistent with Table 10 of BS 6465 – 2006 +A1:2009.

Safety concerns of the spiral staircase leading to the basement has been referred to the council's district surveyor for further assessment and advice. This will be discussed further.

The applicant has provided conditions in support of the application but these do not fully address the concerns of Environmental Health and additional conditions may be proposed.

In light of the concerns raised above, it is my view that granting of this application as presented would have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area.

Should you wish to discuss the matter further please do not hesitate to contact me.

I write in relation to the application for a New Premises Licence for 75 Page Street.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of Children from Harm

The application seeks to licence the following:

- Supply of alcohol (on):
Monday to Saturday: 11:00 to 23:00
Sunday: 11:00 to 22:30

The way that the application is currently proposed does not fall in line with the Council's restaurant policy. The Licensing Authority is concerned that there is insufficient detail contained within the application form and proposed conditions that demonstrates the proposed operation of the premises. The Licensing Authority encourages the applicant to provide further submissions, such as an operational plan, to highlight the way in which this premises is intended to be managed.

present, the applicant has proposed the following condition:

All alcohol shall be ancillary to the operation of the premises as a café. Alcohol may only be supplied with a substantial food order.

The Licensing Authority would like to propose the Council's model condition 66 to be added to the operating schedule of the licence to support the Council's policy relating to the sale of alcohol for consumption on the premises. This condition reads as the following:

The premises shall only operate as a restaurant

- (i) in which customers are shown to their table,
- (ii) where the supply of alcohol is by waiter or waitress service only,
- (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery,
- (iv) which do not provide any take away service of food or drink for immediate consumption,
- (v) which do not provide any take away service of food or drink after 23.00,

and

- (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.

With the applicant's agreement to model condition 66, the operation of the premises will then be brought in line with policy RNT1 which states that "Applications will generally be granted and reviews determined, subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1."

Furthermore, the hours applied for licensable activities currently fall outside of Westminster's core hours on Sunday. The Licensing Authority would ask that the applicant consider reducing the commencement hour for licensable activities on Sunday to be that of 12:00 hours, as defined in policy HRS1.

The applicant has agreed various other model conditions proposed by the Metropolitan Police Service and the Licensing Authority is fully supportive of these conditions.

Further discussions will be held with the applicant regarding the concerns raised above. Any additional documentation will be forwarded over for consideration, and the Licensing Authority will then be able to review their representation in relation to this application.

Please accept this as a formal representation.

On the 11th June 2018 the applicant agreed to the reduction of hours and the conditions proposed by the Licensing Authority. On the 15th June 2018 the applicant supplied an operational plan of how the premises will operate which can be found in Appendix 2.

<p>The Vincent Square Ward counsellors object to the licence application for 75 Page Street Ref 18/04975/LIPN on the following grounds</p> <p>This is a residential street with many families living here. Indeed, offices that formerly operated on this street have recently been converted to residential. The property has planning permission to operate specifically as a restaurant. Our concerns are that no operational management plan has been submitted and thus it is impossible for us to judge what kind of food and drink business this will be. Although we welcome that the application is for the serving of alcohol with "a substantial food order", it does not say with table meals. Without the operational plan we do not understand what with "a substantial food order", means in this instance. We should like to see an operational management plan. We should prefer to see any supply of alcohol to be by waiter/waitress service and only with a substantial meal at table. We accept that in such conditions diners may sometimes wish to take away a sealed partially drunk bottle of wine, not drained during the meal.</p> <p>Residents have a reasonable expectation that this business will not cause public nuisance and look for clarity on the above matters. The proposed conditions from the applicant mentions a "café" which implies a very different style of operation with different impacts to that of a restaurant with waiter service and alcohol served with meals. The long opening hours may also point to operation different to those of a restaurant, with the business open from 7am to 11pm and selling alcohol from 11am to 11pm. We would refer to the way in which Shepherd's restaurant nearby is managed where formal restaurant operation causes no disturbance to residents.</p> <p>We are not suggesting that the proprietors of this business wish to operate contrary to key restaurant licensing conditions or will run a business with a negative local impact. However, the applicant's documentation should clearly set out how the business will operate. Since we cannot work this out from the documentation, we oppose the application.</p> <p>Finally, the notice displayed nearest to 75 Page street states that papers are available for public display at 64 Victoria St, since that is not operating as a Council building presently, does that raise a technicality on which this process could be challenged if not corrected?</p>

<p>My husband and I wish to strongly object to the planning permission application at 75 Page Street for a restaurant/bar. This area of Westminster is a very quiet and peaceful residential area, including many families with young children. We need to keep this area quiet and not upset what is a very pleasant residential area. There are already an extremely wide range of restaurants and bars within easy walking distance, and we therefore question the need for yet another restaurant and bar in this area. It's unusual to be in the heart of the city, and to have a nice quiet community, which is very much its charm. We are concerned that with an opening of a bar/restaurant this will only increase the noise late into the night, together with pollution (cooking smells), extra street rubbish from the operations, the risk of drinking and smoking on the street outside the premises, increased road traffic</p>	

Please do reject the application and suggest that the operation be located closer to more established bar areas. There is not a bar in this premises already and there is no need for the sale of alcohol.

Received: 10th June 2018

I object to this licensing application on the basis that 75 Page Street appears to be a poorly managed building which does not appear to have fully satisfied redevelopment conditions because it remains an 'eyesore' in the area and not in keeping with the standards of neighbouring buildings . The building also appears to be let out on short term lets which I understand is also contrary to local planning regulations. On this basis I have little confidence in the owners or managers off this building will manage licensed premises in an appropriate manner. I am concerned about potential unreasonable noise and anti-social behaviour when customers leave the premises or are potentially refused entry (depending on the nature of the proposed licensed premises).

I am also concerned that there is no proper parking for patrons and depending on the nature of the licensed premises (which I cannot ascertain from the online documents) local residents could be disturbed by cars:

- waiting for potential customers (as is a problem with the Cinnamon Club further down the road);
- dropping off and collecting customers; and
- unsustainable additional parking.

i wish to object most strongly to the application for a drinking Club 11Am -11Pm at 75 Page St. Front facing onto Marsham St SW1P4JG m names of Lokkanta-Meyhane.

This is a bulit up Residentaial Area and would cause great noise and disruptiion - already the block it adjions where there are short terms lets provide rejuse that continually spills on the pavement and smells.

I wish to object to the licence application at 75 Page Street, Westminster - reference 18/04975/LPN.

This is a residential area and buildings on all sides and facing are highly residential. I have a strong concern about increased noise nuisance and anti-social behaviour with the granting of an alcohol licence. The area is currently very quiet outside of rush hours and the introduction of 11:00am - 23:00am licensing and the late operating hours 7 days per week of the premises are very concerning, with an increase of noise and bedrooms overlooking the Marsham Street entrance. Additionally, the nuisance from increased refuse generated and placed on the streets is unwelcome.

As an owner occupier I register my objection to this licence and trust that that the Council will consider the needs of local residents.

I wish to register our representation over this application.

My wife and I are leaseholders and permanent residents at [REDACTED], in the immediate vicinity of 75 Page Street, the premises in the building for which a licence has been requested under the above application reference.

We cannot judge from the application papers whether the liquor service planned will be restricted to private customers for the short-term letting business apparently conducted in the building, or open to passing public trade with some kind of external advertising of the service. We note that the public notice of this application has been displayed not only in the window of 75 Page Street but also in the window of Altayyar House at 102 Marsham Street, in the same building but with a separate entrance. It is not clear but this may suggest that customers of the proposed liquor supply service might also use an as yet unopened Marsham Street entrance to the building as well the as yet unopened Page Street entrance. Both entrances are within 100 metres of Westminster Gardens.

This is a long-established residential area of well recognised historical character. We believe that in considering the application, in respect of the prevention of public nuisance and of crime and disorder, the authority may wish to refer to the following:

-over the last couple of years, the opening of the branch of Sainsbury's at 78-98 Marsham Street, just to the north of the junction of Page Street and Marsham Street, has already attracted regular (practically daily) begging and the extensive leaving of litter.

-added to this, the frequent assembly of short-term letting customers seeking, with obvious difficulty, to gain access to Altayyar House at 102 Marsham Street has come further to disturb the peace and quiet that would normally be expected in a long-established residential area, this being one result of the remote management of the building as a whole that has been apparent from the time of its opening.

-on the information available to us, and taking the above into account, we would urge the licensing authority to reject this application for the approval of a licence to supply alcohol at 75 Page Street from 1100 to 2300, on the grounds of strong probability that this could both in itself and incrementally and considerably add to the risk of public nuisance and disorder in this vicinity, affecting the quiet enjoyment of residents of this historic part of the City of Westminster.

Received: 4th June 2018

I wish to register my strong objection to the above application on the following grounds:

1. A retail Alcohol outlet will create noise, car traffic and heavy parking, and crowded streets.
2. As the proposed premises is on the corner of Page and Marsham Streets, this disruption is highly likely to spill into the adjacent roads.
3. The area is highly residential with a number of schools in the immediate vicinity, and with a significant number of parents and children walking to and from those throughout the day.
4. Easy access to Alcohol for young men and women, including teenagers, is already a problem in our society, and another outlet would add to the problems locally.
5. As the premises is proposed to be open for business for 12 hrs every day except for

6 days a week, and for 11.30 hrs on Sunday, the impact on the life of the residents would be most significant.

I hope that the licensing process would take my comments into account in considering this application.

------------------	----------------------------

This alcohol licence is being proposed for premises that are below, adjacent to, and opposite several blocks of private, residential apartments, on a section of Page Street and Marsham Street that has hitherto been a quiet area and untroubled by anti-social behaviour. I own and live in [REDACTED], which is one of the aforesaid apartment blocks. There are dozens of residents whose living accommodation is immediately overlooking the proposed premises, who will be adversely affected by the inevitable increase in noise and activity that will result from the use of these premises as an alcohol licensed restaurant. In addition to this, there is no doubt that cooking and refuse smells will become an additional nuisance. There's also bound to be an increase in the amount of rubbish material that finds its way on to the pavements and into the gutters, which is not what we want to see happening on our streets.

There is a busy bus stop (and post box) immediately outside the premises at the corner of Page Street and Marsham Street, where members of the public form queues, and/or generally stand around waiting for transport all day long. There is also a lot of general road traffic, and this is already a potential danger spot for pedestrians, especially at night time, which can only get worse if an entrance to a restaurant providing alcohol is also put there.

All in all, I believe this is a negative proposal for this immediate area and I would expect the Council to refuse this particular application in consideration of the comfort, well-being and safety of the residents.

I should point out that this proposal would not be a desperately required addition for those of us who live here, as there are plenty of established licensed restaurants within a short distance, already satisfying requirements.

Please register my objection accordingly.

------------------	---------------------------

I would like to register my objection to the licensing application regarding 75 Page Street.

I feel very strongly that a licenced premises at this location would have an extremely negative impact on the local community which is already well served by several pubs nearby.

The building is already a considerable source of noise and refuse pollution as it seems to be largely populated by short let tenants who have no regard for our environment. Given this situation, I have no faith in any assurances that it will not get rowdier and dirtier during the 12 hours per day they propose to be trading.

We are already affected by the noise from Shepherds on Marsham Street and really do not want any increase to this disruption.

In addition, parking is already difficult for local residents, often having to park streets away from our homes and with local tradespeople finding it hard to make deliveries to us. Adding regular deliveries to the existing chaos would be catastrophic!!

To conclude, as well as the views of my husband and myself, I have spoken to many of my neighbours who also agree that this proposal would be disastrous for our community.

<p>A lot has changed since this new built, and feel the licensing will make the whole area worse than it now is. We now have 10 times more traffic and noise in this small one way street. We have lack of parking spaces, share by huge council blocks. Where are customers to this business going to park? Yes, not all will be driving but will be picked up in this one way street blocking and adding to the noise pollution late into the night.</p> <p>Please remember this is a residential street and not a commercial high street.</p> <p>Please stop this madness!</p>

<p>I object to this application. It will cause noise and a nuisance to residents particularly those, like me, whose bedroom faces the street.</p> <p>Also this building is already untidy and unsightly and I anticipate that granting this application will only serve to exacerbate this.</p>	
Received:	10 th June 2018
<p>I was hoping to find further information in the application documents but they are lacking in plans and other documentation. The form for Mr Tarhan Yunus is incomplete. Also confusing if the application is made by individuals or Narts Britain Limited.</p> <p>Already the reputation for the premises where the licence is sought has a bad reputation as refuse is often placed outside the premises from the tenants in those premises.</p> <p>I am further opposed to this application for license because it will create noise for because of the emptying of bottles/refuse at unsocial times for us the close neighbours.</p> <p>Equally, it will also create more delivery traffic than the area can tolerate and more vehicles on the roads from other visitors where there is inadequate parking spaces for the residents.</p> <p>The application for license for the premises is almost at the busy bus-stop serving residents and commuters to work which will create challenges for passengers waiting or disembarking for/from buses.</p>	
Received:	10 th June 2018
<p>I strongly object to the application purely based on the fact that the applicants cannot be trusted to operate the license sensibly, the records will show that the applicants have continued to run airbnb type of business for which they do not hold the permission, going against Westminster Council's planning permission and disregarding the local community.</p> <p>Further 75 Page Street entry/exit door is directly in front of the post box making it unsuitable and unhealthy for the punters and the local community most with children to be sharing same space at the same time. Page Street has 800 plus dwellings with social housing and many are suffering with excessive noise from various commercial properties already. The local residents are already struggling and over spilling on parking spaces in this narrow one-way residential street.</p> <p>Also, more importantly what provisions have been made for refuse? Where the empties and the waste is going to be kept before collection? Page Street pavement cannot be used for this purpose due to lack of walking space for the local residents. The surrounding properties are also already suffering from vermin infestation (meeting minutes from the council can be provided), this will make the matter worse.</p>

I am surprised to learn that an alcohol license application has been made which is 50-100 yards from my home. I along with so many residents of Rogers House and Grosvenor Estate objected to the Sainsbury's and its selling of alcohol. Since the opening of Sainsbury's, drunks and tramps have swamped the local area along with new beggars. The area smells of stench and vomit is a daily occurrence. It has already caused substantial disruption of the local residents who live with young and old family members.

The proximity of the location means that within 300 yards, we will have 3 premises selling alcohol - Shepard's, Sainsbury's and now the new premises. It is quite unbelievable and shocking that the Westminster council have overlooked residents concerns and looking to create a new Leicester Square in the middle of a residential area where at least 3 primary schools are based. These are evidence of a residential area where there are ample young people with families.

If these premises open, then this will give out wrong signals to the young families.

Drug and alcohol dependency is a real and present problem in the local area and opening of this premise will not help the cause.

Furthermore, this will eventually drive down the valuation of the properties. Hence, I can think of more litigation in future against the council due to the depreciation of property prices at the very least.

Following consideration of the application and how it may affect the Licensing Objectives and meet the requirements of the Council's Statement of Licensing Policy I wish to make the following representation:

1. The hours requested to exhibit films may have the likely effect of increasing Public Nuisance within the area

3. The hours requested to provide late night refreshment may have the likely effect of increasing Public Nuisance and impact on Public Safety within the area
4. The hours requested to supply alcohol may have the likely effect of increasing Public Nuisance and impact on Public Safety within the area

This application seeks to restore premises licence ref. 16/01312/LIPVM which was surrendered on 7th June 2016. Prior to its surrender, between 16th April 2014 and 7th June 2016, residents in the vicinity had reasons to make eight complaints with respect to loud music, loud patrons and congestion of the pavement thereby impeding reasonable access.

The applicant has provided conditions in support of the application. These are being considered but they do not fully address the concerns of Environmental Health. Additional conditions may be proposed.

It is my view that there is insufficient information to address the concerns of Environmental Health and the granting of this application, as presented, would have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area

The applicant is asked to contact the undersigned to arrange a site visit to assess the premises to ensure the premises is satisfactory and following this, additional conditions may be recommended by Environmental Health to support the licensing objectives Prevention of Public Nuisance and Public Safety.

The following conditions have been proposed by the Environmental Health Service and agreed by the applicant:

1. The sale and supply of alcohol for consumption off the premises shall only be:
 - a) In sealed containers, and shall not be consumed on the highway immediately outside the premises; or
 - b) To persons who are seated in an area appropriately authorised for the use of tables and chairs on the highway
2. All outside tables and chairs shall be rendered unusable by 23.00 hours each day
3. All windows and external doors shall be kept closed after 21:00 hours, or at any time when regulated entertainment takes place, except for the immediate access and egress of persons
4. After 23:00 hours, patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall be limited to 6 persons at any one time
5. Save for persons who are seated in an area appropriately authorised for the use of tables and chairs, patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall not be permitted to take drinks or glass containers with them

6. No waste or recyclable materials, including bottles, shall be moved, removed from or placed in outside areas between 23.00 hours and 07.00 hours on the following day
7. No collections of waste or recycling materials (including bottles) from the premises shall take place between 23.00 hours and 07.00 hours on the following day
8. No deliveries to the premises shall take place between 23.00 hours and 07.00 hours on the following day
9. During the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed, and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business
10. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided
11. No fumes, steam or odours shall be emitted from the licensed premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.

Following the agreement to the proposed conditions the Environmental Health Service have withdrawn their representation.

<p>I write on behalf of [REDACTED] (my wife) and myself, as joint owners of [REDACTED]. We are about to move back into the property after some time away. Our home will be a few doors down from the property requesting a licence.</p> <p>The closure of the previous pub on the premises in question was a huge loss to our local community. Having a functioning pub at that location is a critical part of social cohesion and community spirit in our neighbourhood.</p> <p>We understand that some residents may be objecting to the re-establishment of a pub on this premises, and we imagine that as usual, objectors would have a louder voice in such circumstances. The vast majority of residents would not even be aware of such an application. The structure and purpose of that building is obvious: it has always been a pub and is destined to play that role for the community. Having it empty and abandoned over the past years has been a sad sight and unnecessary absence from the social life of the community.</p> <p>We fully support the productive use of the abandoned property and its rightful reinstatement to the service of the community.</p>

<p>This representation is made by the Marylebone Association which is recognised by Westminster as the Amenity Society for the Marylebone Area south of Marylebone Road and so represents the interests of those who live and work in this area.</p> <p>We are writing on behalf of the local community OBJECTING to the application by Sigma W1 Limited reference 18/08051/LIPN.</p> <p>The licensed area shown on the plans dated 10th August include part of the public footway outside the front of the building. These plans give no idea of the extent of this area. The application also makes no mention of what activities might take place outside the building. Experience suggest that even a small area of customers eating or drinking outside will generate a considerable level of noise and as this is a largely residential neighbourhood this would undoubtedly cause a public nuisance.</p> <p>We therefore believe that this application if granted as applied for may be contrary to the following Licensing Objective: The Prevention of Public Nuisance.</p>	
Representation 3

1.) Prevention of public nuisance and maintenance of public safety.	

Customers of the premises must not be permitted to congregate on the public pavements outside the premises and block the passage of pedestrians and people pushing small children in buggies.

2.) Prevention of public nuisance.

Avoidance of cooking smells on the public highway

The exit of the extractor in the kitchen should be placed so as to avoid cooking smells being noticed on the public highway as was the case under the previous licence holder. Other measures considered necessary should be taken to avoid cooking smells being noticed on the public highway.

9:43 AM on 09 Aug 2018 Introduction

Sigma W1 Ltd was registered at Companies House in Cardiff by Mr Sotiris Sotikaris on 2nd May 2018 with a capital of £500.

No indication has been given as to the business relationship, if any, between Sigma W1 Ltd and the owner of the building at 94A Crawford Street.

No reference has been made as to who is the owner of 94A Crawford Street.

This building is reported to have been sold, after its closure 2 years ago, for £4 million.

Is the present owner the person who bought the premises then or someone else?

It is reported that the non domestic rateable value of these premises is £149,000.00.

Comments on the Conditions for the Duke of Wellington

1.) The plans submitted with the application give no indication what the the ground floor and floors 1 & 2 as well as some of the basement will be used for.

2.) Toilets in the basement: there should be at least 3 toilets for the ladies.

3.) If there is to be a kitchen the exit of the extractor fan must be at or above roof level.

Windows from the kitchen should not open to the streets on the north, front side, and west side of the building.

4.) Reference item 11 of the conditions. Pub customers should not congregate on the public pavement impeding the passage of pedestrians and women with small children in buggies.

5.) Reference item 13. We fail to understand why, if the applicant is proposing to run a Public House, he requires a minimum age limit of 21. (See item 6.) below)

6.) With reference to note 14 and the premises operating under the provisions of a Sexual Entertainment Licence. Marylebone is NOT Soho. The premises at 94A Crawford Street should never, be granted a licence for any performance of this kind.

None of the above information, and also lack of, is sufficient to justify granting a licence to Sigma W1 Ltd to operate the business activities for which it has applied at 94A Crawford Street.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy HRS1 applies	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p> <p><u>For premises for the supply of alcohol for consumption on the premises:</u> Monday to Thursday: 10:00 to 23:30 Friday and Saturday: 10:00 to midnight Sundays immediately prior to Bank Holidays: Midday to midnight Other Sundays: Midday to 22:30</p>
Policy PB1 applies	Applications will only be granted if it can be demonstrated that the proposal meets the relevant criteria in Policies CD1, PS1, PN1 and CH1.

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

<p>We strongly object to turn a TENNIS centre where children learn to play into a local PUB or RESTAURANT.</p> <p>Children now play there until 10.00pm thanks to the new light installation and they change in the changing room and have a shower there. The changing room/toilet will also serve as the main toilet to the restaurant/pub where alcohol will be served.</p> <p>Can you imagine people having a shower or getting changed in a PUB toilet with "drunk people"? I hope that you or your child will not have to do that.</p> <p>The tennis centre should promote healthy living and exercises not turning into a money making business to entertain tourists. The park is full of facilities of this kind.</p>

Our facilities are sports facilities with limited seating facilities and limiting sales of alcohol to address this condition is quite challenging. What is more, our facility has a lot of perfect spots for picnic that people take advance of in summer months. Allowing our customers to have a glass of Pimms on a picnic blanket would make a big difference to us.

Our customers visit the centre to take part in sports activities and allowing customer to have a drink while taking part in games like lawn bowls would be appreciated. It is not so common that our visitors purchase a sit down meal and then move on to playing sports. Allowing a leisurely drinks for our customers while exploring and taking advantage of the outdoor facilities would translate into more customers coming to use our facilities and while doing so, they would remain active.

As part of our operations we also run sports events during summer months. Many of them revolve around sports activities where the guests are after the activity, not the sit down meal. The clause about alcohol being sold by waiter or waitress service only is also very challenging for us.

The current size of our cafe stipulates the size of our catering team and waiting service is currently not offered, with the exception of the supply of alcohol. It is not likely that the increased consumption of alcohol would translate into any alcohol related issues and our staff are regularly trained on our alcohol policy. We feel that amending these clauses would be a win-win change for everyone involved.

Responsible Authority:	Metropolitan Police Service (Withdrawn)
Representative:	PC Cheryl Boon
Received:	25 June 2018
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, will be objecting to this application at this stage in the application process. The venue is situated inside Westminster's Cumulative Impact Area, however it is our belief that if granted the application would undermine the Licensing Objectives with regards to the prevention of crime and disorder.</p>	

I have looked through the application. Overall it is agreeable but there is one conditions that we require, this is as follows:

An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police. It must be completed within 24 hours of the incident and will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received concerning crime and disorder
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system, searching equipment or scanning equipment
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

Please let me know whether your client is willing to agree to the one condition police are proposing as this may enable us to withdraw our representation.

On 25 June 2018 the applicant proposed the amended condition as detailed below:

The condition is agreed save for scanning and searching equipment - i.e.

An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police. It must be completed within 24 hours of the incident and will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received concerning crime and disorder
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

On 25 June 2018 the police agreed the amended version of the condition and subsequently the representation was withdrawn.
