1. Procedure for Virtual Hearings Held Under the Licensing Act 2003

The purpose of this procedure is to clarify how the Licensing Sub-Committee (“the Sub-Committee”) will conduct virtual licensing hearings made under the Licensing Act 2003 (as amended) and for licensing applications under other regimes. All hearings are conducted with due regard to the Council’s Constitution, relevant legislation and case law, regulations and guidance.

2. Accessing Virtual Hearings

Virtual Licensing Sub-Committee hearings will be held on Microsoft Teams as a live Teams event. Each application will be dealt with by a separate Teams meeting. All applicants, responsible authorities and other persons (who have submitted a valid representation) (collectively called “Parties”) will be provided with a link to the meeting beforehand. **Only these parties will be able to participate in the hearing** (together with their adviser) provided they have registered, in advance, with the Licensing Authority, as specified below. A link for the general public to watch the meeting will be available on the Council’s website.

3. Final Submissions Before the Hearing

The parties (or their representatives) should use their best endeavours to ensure that all of their final submissions have been made so as to be included in the Sub-Committee report (typically no later than **5.00 pm, 5 working days** before the Sub-Committee hearing). This means by 5pm on the Thursday, the week before the Sub-Committee hearing is due to take place. Final submissions should set out the key points, policies and conditions that a party wishes the Sub-Committee to take account of in determining the application.

Any final submissions that a party wishes to make, (that have not been submitted so as to have been included in the report), must be submitted to the Licensing Service by **12 noon, 3 working days** before the hearing is due to take place. The Licensing email address is: licensing@westminster.gov.uk

4. Rules During Licensing Hearings

The following rules must be followed by all parties to ensure the virtual hearing can progress as successfully as possible:

- 4.1. All parties wishing to participate in the hearing must register their wish to participate in the hearing and provide their email addresses to the Licensing Service at licensing@westminster.gov.uk no later than 12 noon on the Monday before the Thursday hearing is scheduled to take place.
- 4.2. All parties should join the virtual hearing at least 15 minutes before the advertised start time to ensure they are ready to start at the advertised start time. After the advertised start time has passed no registered parties will be allowed to join, except in exceptional circumstances, when permitted by the Chairman, as this could disrupt the meeting.
- 4.3. All parties must only address the hearing when invited to do so by the Chairman.
- 4.4. All parties must keep their microphones on mute unless they are speaking. The Chairman has the ability to mute all parties’ microphones.

- 4.5. If a party wishes to interject, they should put their name in the messaging field. The chairman has the discretion to invite the party to make their comment at an appropriate stage in the hearing.
- 4.6. All parties are asked to keep their comments as succinct as possible.
- 4.7. If a party has a question for another party, this must be addressed to the Chairman who will have the discretion to ask the relevant party to respond.
- 4.8. Parties wishing to make suggestions as to the conditions that may be imposed in the event of the application being granted should do so by reference to the schedule of proposed conditions set out in the Conditions Schedule annexed to the committee papers. In so doing, they should use the same numbering in that schedule. This is to ensure that there is ease of referencing the conditions by all the parties.
- 4.9. To ensure the smooth running of hearings, a time limit will be placed on each party's submissions. This time limit must be adhered to but the Chairman has the flexibility to amend the time limit when it is considered appropriate to do so.
- 4.10. When referring to the hearing papers, participants should give the page and paragraph number when appropriate.
- 4.11. The Chairman has the discretion to amend these rules in any given case where they consider it is appropriate to do so.

5. Procedure

- 5.1. The Chairman will open the meeting and introduce the members of the Sub-Committee and the other officers attending with the members, including the legal adviser, policy adviser and committee officer.
- 5.2. The Chairman will confirm the procedure that the hearing will follow.
- 5.3. The Sub-Committee members and officers will be asked to declare any interests they may have and any other procedural business will be transacted.
- 5.4. The presenting officer from the licensing service will introduce the application, giving a brief description of the application and introducing all the Parties in attendance for each application
- 5.5. Each party who has registered to speak, will be invited to make their representations and will be allowed a maximum of 10 minutes each. In order to ensure that the hearing is fair to all parties and is conducted in an orderly manner, the Chairman has the discretion to extend this time limit where it is appropriate for the determination of the application.
- 5.6. Parties will normally speak in the following order, (the order may change for other types of licensing applications):
 - (a) The applicant
 - (b) Responsible authorities
 - (c) Other persons
- 5.7. The Chairman has the right to grant each party the opportunity to ask questions of each other for the purposes of clarification only where it is appropriate to do so. The Sub-Committee members will then be able to ask questions of the parties.

- 5.8. The legal adviser and/or policy officer may ask questions of the parties as they consider appropriate, including in relation to the conditions which should be attached to the application if the Sub-Committee is minded to grant the application.
- 5.9. Each party will have an opportunity to make a short closing submission each (not introducing any new evidence or case law) of no more than 5 minutes each, in the following order:
 - (a) Responsible authorities
 - (b) Other persons
 - (c) The applicant
- 5.10. The Chairman shall then close the meeting and all parties will leave the meeting. A Decision will not be announced at the end of the hearing unless there is a legal requirement to do so.
- 5.11. The Sub-Committee will deliberate in closed session and all parties will be advised of the outcome in a written Summary Decision. Unless otherwise required or permitted by Regulations, summary decisions will be made within a period of five working days of the last day of the hearing. The written summary of the decision ("Summary Decision") will be sent to all the parties as soon as possible after the Decision has been made. The full Decision, setting out the reasons for the Decision, (Formal Notification) will be sent to the parties as soon as possible thereafter. The time limit for appealing will not commence until the Formal Notification has been sent to the parties.

1. Application

1-A Applicant and premises			
Application Type:	New Premises Licence, Licensing Act 2003		
Application received date:	03 March 2021		
Applicant:	+Venture Battersea Limited		
Premises:	Blame Gloria		
Premises address:	20 Bedford Street London WC2E 9HP	Ward:	St James's Ward
		Cumulative Impact Area:	West End
		Special Consideration Zone:	None
Premises description:	This is an application for a new Premises Licence to operate as a bar for a time limited period from 1 st October 2021 to the 31 December 2022.		
Premises licence history:	<p>The premises have had the benefit of a licence since 2005. A copy of the current premises licence (licence number 20/06870/LIPDPS) can be found at Appendix 1.</p> <p>The premises also has the benefit of a time limited premises licence (licence number 20/04576/LIPN) which expires on 31 December 2021 which can be found at appendix 2</p> <p>A full licence history for the premises appears at appendix 4.</p>		
Applicant submissions:	<p>As part of the application form, the applicant provided the following information:</p> <p>The application is for exactly the same licensable activities, hours of operation and conditions as premises licence number 20/04576/LIPN except that the maximum occupancy in this application is 150 not 125.</p> <p>The background to this is that there is another licence which has been operated by the Adventure Bar Group for around 10 years and which is licence number 19/09003/LIPDPS (current reference 20/06870/LIPDPS).</p> <p>This is a small ground floor and large basement in Covent Garden but with core hours.</p> <p>Adventure made an application for a time limited licence (referred to above) which was granted by the Licensing Committee in part on 21st September 2020.</p> <p>The reason for the time limited licence was to redress the balance following the massive impact of COVID-19 on the West End and on Blame Gloria in particular. This was the principal reason but others were put to the Licensing Committee as "exceptional circumstances" to grant a bar outside core hours in the West End stress area.</p> <p>The Licensing Committee accepted the argument and found</p>		

exceptional circumstances as follows:

- The business has had to adjust due to COVID-19.
- The footfall is low in the area in which the premises are situated.
- The business cannot have tables and chairs outside.
- The application is time limited.

All of these reasons still apply.

If anything COVID-19 has had a much more prolonged and devastating impact on the licensed trade and on the West End and there is currently despite the prospect of reopening premises on a limited basis on 17th May, no immediate sign of a return to a prosperous and busy West End. The tourist trade is non-existent (travel bans etc), theatres and other similar premises are closed, the UK is currently in lockdown and this is likely to continue for some time probably until next year.

The applicant considered that the grant of a time limited licence for longer hours until 30th September 2021 would be sufficient to allow some form of recovery and to act as a counterbalance to the deterioration in footfall in the area.

However, that has not proved to be the case.

Adventure have never operated this licence because shortly after the grant further restrictions were put in place in terms of either a Tier system closing premises at 10pm or then in December full lockdown which is currently in place.

Even on an optimistic roadmap it is highly unlikely that as a basement it will be able to trade to its maximum occupancy of 150 until June at the latest and the situation in the West End will not have recovered.

For all of these reasons Adventure make an application for a second time limited licence to run from the expiry of the first up until the end of 2022. This is to allow for a period of trading in the first part where there will almost certainly be restrictions, in the second part where things may be returning to normal but many premises may remain closed and customer behaviour is currently unknown, and to build in longer hours to allow more flexible trading hopefully leading towards a better 2022 when the licence will fall away and the original licence will be operated as before.

Adventure are responsible operators and will maintain and abide by any Regulations which may still be in place concerning COVID-19; although the occupancy is 150 that is a maximum but will not apply if there has to be social distancing of seated customers.

2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service
Representative:	Adam Deweltz
Received:	11 March 2021
<p>With reference to the above, I am writing to inform you that the Metropolitan Police, as a responsible authority, are making a representation against this application.</p> <p>The venue is situated within the Cumulative Impact Area. It is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder. This is also a new application outside of Westminster's core hours and therefore against policy.</p>	

Responsible Authority:	Licensing Authority
Representative:	Michelle Steward
Received:	12 March 2021

Dear Sirs

I write in relation to the application submitted for a new time limited premises licence for Blame Gloria, 20 Bedford Street, London, WC2E 9HP.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

Time Limited until 31st December 2022 and seeks to increase the capacity from 125 to 150 persons with the following licensable activities and times:

- **Recorded Music**
Monday to Wednesday 10:00 to 23:30
Thursday to Saturday 10:00 to 01:00
Sunday 10:00 to 22:30
Sundays before Bank Holidays 10:00 to 00:00
- **Late Night Refreshment**
Monday to Wednesday 23:00 to 23:30
Thursday to Saturday 23:00 to 01:00
Sundays before Bank Holidays 23:00 to 00:00
- **Supply of Alcohol On and Off Premises**
Monday to Wednesday 10:00 to 23:30
Thursday to Saturday 10:00 to 01:00
Sunday 10:00 to 22:30
Sundays before Bank Holidays 10:00 to 00:00
- **Opening Hours to Public**
Monday to Wednesday 10:00 to 23:30
Thursday to Saturday 10:00 to 01:00
Sunday 10:00 to 22:30
Sundays before Bank Holidays 10:00 - 00:00

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely PB1, HRS1 and CIP1.

The Licensing Authority seeks further submissions regarding the increase of capacity by 25 people in the cumulative impact area:

- How will the premises manage the increase in capacity?

- Does the applicant have a Noise and Dispersal Policy?

At present, the operating hours applied for licensable activities currently fall outside of Westminster's core hours. For premises for the supply of alcohol for consumption on and off the premises and other licensable activities, the Licensing Authority encourage that the applicant reduce the hours to be within Westminster's Core hours;

Westminster City Council's Core Hours are as follows:

Supply of Alcohol On the Premises

Monday to Thursday 10:00 to 23:30

Friday to Saturday 10:00 to 00:00

Sunday 12:00 to 22:30

Other Licensable activities

Monday to Thursday 09:00 to 23:30

Friday to Saturday 09:00 to 00:00

Sunday: 09:00 to 22:30

The applicant has applied for the sale by retail of alcohol both on and off the premises. The Licensing Authority would encourage the applicant to provide further submissions as to the proposed operation of the 'off sales' from the premises, and how this is intended to be operated and controlled to ensure that there is no adverse impact within the West End Cumulative Impact Area.

Please provide further submissions on how the supply of alcohol will be controlled and monitored:

- will the premises operate with waiter/waitress service or by way of a bar with vertical drinking?

It is noted that there is no ancillary nature to the way in which alcohol is served at the premises and as such the application must be considered under the Council's Policy PB1 which is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.

Policy PB1 states:

A. Applications outside the West End Cumulative Zone will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The hours for licensable activities being within the council's Core Hours Policy HRS1.
3. The applicant has taken account of the Special Consideration Zones policy SCZ1 if the premises are located within a designated zone.
4. The application and operation of the venue meet the definition of a Public House or Bar in Clause D.

B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:

1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.
2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

C. The applications referred to in Clause B1 and B2 will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1, and/or,
2. The application and operation of the venue continuing to meet the definition of a Public House or Bar in Clause D.

D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.

- The footfall is low in the area in which the premises are situated.
- The business cannot have tables and chairs outside.
- Time limited grant (until 30/9/21)

The applicant's position is that these reasons still apply, and that (presumably) they will continue to apply during the 15 months for which the Licence will be in force.

The [REDACTED] position is as follows.

- Footfall is currently low, but once lockdown is removed and premises reopen, which they will be able to do fully from June 2021, there is an expectation that footfall will increase substantially. No-one knows what the situation will be at 30/9/21, let alone 15 months after this.
- We agree that the business cannot have tables and chairs outside. However from June 2021 they can trade inside without, we understand, restrictions. Whilst this position may change we believe it is premature to grant a licence now based on this reason.
- The grant is time-limited, but for an additional 15 months, and for 18 months after the time at which trading restrictions have been lifted.

The applicant goes on to argue that the grant is needed to allow for recovery. The application is to

..... allow for a period of trading in the first part where there will almost certainly be restrictions, in the second part where things may be returning to normal but many premises may remain closed and customer behaviour is currently unknown, and to build in longer hours to allow more flexible trading hopefully leading towards a better 2022 when the licence will fall away and the original licence will be operated as before.

You are being asked to grant a licence for a period of 18 months after the end of trading restrictions because "things may be returning to normal and customer behaviour is currently unknown". This does not to us appear to be a robust basis for deciding to grant an application which is contrary to Policy.

We are aware that many businesses are likely to apply for time-limited extended hours licences to allow them to trade for a longer period in order to allow them survive. However, the survival of the business is **not** a Licensing Objective and allowing premises to open later over any extended period will harm the Licensing Objectives. We have provided our reasoned justification for this view as an attachment to this Representation.

To summarise it, our position is:

- Applications for later hours are intended to provide premises with a higher income by allowing them to sell more alcohol.
- The additional alcohol consumed by customers **will** result in harm the Licensing Objectives, especially related for Public Nuisance and Crime and Disorder in the surrounding area, which contains significant amounts of residential property.
- There is no justification in the SoLP or the S182 Guidance to support a view that harm to the licensing objectives is outweighed by the financial benefits to the business.
- Applicants are welcome to argue that later hours can be granted whilst still promoting the Licensing Objectives but, unless they persuade the Licensing Authority to agree with them, then their Application should be refused.

In the case of Blame Gloria the question is whether allowing the premises to operate until 01:00 on Thursday to Saturday, rather than returning to their previously permitted hours, will harm the Licensing Objectives. Our view is that the grant of the later licence for an additional 15 months **will** give rise to harm to the Licensing Objectives and so should be refused. Our reason for this is as follows.

Having a premises open later means that people will arrive at and leave the premises until a later time. They will also have the opportunity during that time to drink more alcohol. As people move away from the vicinity of the premises they cause noise and disturbance. If they are collected from the premises by taxi/PHV the noise of the vehicles, doors opening and closing

etc will give rise to disturbance in the surrounding area. For all these reasons later operation is likely to give rise of public nuisance. In addition: people leaving the premises at later hours, and having drunk more alcohol, are more likely to become victims of crime, or to engage in disorderly behaviour. This increases the risk of crime and disorder.

The risk of an increase in public nuisance and crime and disorder is related **only** to the terminal hour. If we compare the situation in the vicinity at 01:00 in March 2019 and the situation at 01:00 in March 2022 (if this application were granted) then there will be a larger number of people on the street, causing more noise, in 2022 than in 2019. This is because customers of the premises would no longer be present by this time in 2019, but in 2022 they will still be in the process of dispersing. Their activity is likely to harm the licensing objectives.

The applicant says that we do not know if there will be as many customers coming into the West End in 2022 as there were in 2019. Our point here is that it doesn't matter. Even if in 2019 there would have been 100 people in Blame Gloria when it closed at Midnight on a Friday, and in 2022 there are only 50, those 50 people will still give rise to a nuisance at 01:00 as they leave later. The quantity of noise at 01:00 may be less than the noise at 00:00 in 2019 but it still constitutes a nuisance, and because it is at a later hour it has more of an impact on residents, and so is a greater nuisance.

Given that the later operation of the premises is very likely to increase the level of nuisance when it closes at 01:00 there will be harm to the Licensing Objectives. We do not believe that there are any conditions which could be added to the Licence which would reduce this harm and we therefore ask that the application is refused. We believe that this is the only decision which will support the Licensing Objectives in this case.

We hope that this representation is clear and ask that you advise us well in advance of any meeting at which this application will be discussed.

I would like to object to the extension of opening hours it will have an impact on my mental health, there are enough late night bars already we really don't need another one, why do you never think about the residents?

Our flat is triple glazed and we still get woken up by drunks in the early hours, this is a cocktail bar so alcohol infused chaos. No thank you.

The properties directly opposite and all along Bedford street are residential - these are peoples homes and we have to fight hard to maintain a level of living that is sustainable for the residents whom live here - it's a balance / - please have a thought for the residents who work and live in the area - they also have lived through Covid and in returning to normality really do not need to be fighting for a level of reasonable living and sleep - we know by pushing this to 1am - noise and foot fall - will not subside till 2am - with delivery vans and rubbish collection early hours it becomes a 24 hour noise pollution that affects mental health in a residential area - Please spare a thought and keep this closing time till 12 or before as this is fair - and right.

Thank you

The proposed licence extension is intrusive on the Neighbourhood this venue will keep people in the area until late to the detriment of myself and my Neighbourhood
This type of activity is more than catered for by other venues in the area and the stress caused by drunks and drug takers pouring onto the streets in the early hours of the morning does not need any further numbers adding to it.
The culture seeking patrons of theatre opera house and other genteel pursuits are eventually going to be put off the area if a balance is not struck and this extension seems totally unnecessary.
Please refuse this licence change for the overall good community feeling and to give a late evening respite to the immediate neighbours of the premises of which there are many older people.

3.	Policy & Guidance
The following policies within the City of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>B. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>C. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when

	<p>customers will be permitted to remain on the premises.</p> <p>5. The proposed hours when any music, including incidental music, will be played.</p> <p>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</p> <p>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</p> <p>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p>
<p>Policy PB1(B) applies</p>	<p>B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <ol style="list-style-type: none"> 1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1. 2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises. <p>C. The applications referred to in Clause B1 and B2 will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1, and/or, 2. The application and operation of the venue continuing to meet the definition of a Public House or Bar in Clause D. <p>D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.</p>
