## **Procedure for virtual hearings held under the Licensing Act 2003**

The purpose of this procedure is to clarify how the Licensing Sub-Committee (“the Sub-Committee”) will conduct virtual licensing hearings made under the Licensing Act 2003 (as amended) and for licensing applications under other regimes. All hearings are conducted with due regard to the Council’s Constitution, relevant legislation and case law, regulations and guidance.

### **Accessing virtual hearings**

Virtual Licensing Sub-Committee hearings will be held on Microsoft Teams as a live Teams event. Each application will be dealt with by a separate Teams meeting. All applicants, responsible authorities and other persons (who have submitted a valid representation) (collectively called “Parties”) will be provided with a link to the meeting beforehand. **Only these parties will be able to participate in the hearing** (together with their adviser) provided they have registered, in advance, with the Licensing Authority, as specified below. A link for the general public to watch the meeting will be available on the Council’s website.

### **Final Submissions before the Hearing**

The parties (or their representatives) should use their best endeavours to ensure that all of their final submissions have been made so as to be included in the Sub-Committee report (typically **no later, than 5.pm, 5 working days** before the Sub-Committee hearing). This means by 5pm on the Thursday, the week before the Sub-Committee hearing is due to take place. Final submissions should set out the key points, policies and conditions that a party wishes the Sub-Committee to take account of in determining the application. Any final submissions that a party wishes to make, (that have not been submitted so as to have been included in the report), **must** be submitted to the Licensing Service by **no later than 12 noon 3 working days** before the hearing is due to take place. The Licensing email address is: [Licensing@westminster.gov.uk](mailto:Licensing@westminster.gov.uk).

### **Rules during Licensing Hearings**

The following rules must be followed by all parties to ensure the virtual hearing can progress as successfully as possible:

- All parties wishing to participate in the hearing **must** register their wish to participate in the hearing and provide their email addresses to the **Licensing Service at [Licensing@westminster.gov.uk](mailto:Licensing@westminster.gov.uk)** no later than **12 noon on the Monday before** the Thursday hearing is scheduled to take place.
- All parties **should join the virtual hearing at least 15 minutes before the advertised start time** to ensure they are ready to start at the advertised start time. After the advertised start time has passed no registered parties will be allowed to join, except in exceptional circumstances, when permitted by the Chairman, as this could disrupt the meeting.
- All parties must only address the hearing when invited to do so by the Chairman.
- All parties must keep their microphones on mute unless they are speaking. The Chairman has the ability to mute all parties’ microphones.

- If a party wishes to interject, they should put their name in the messaging field. The chairman has the discretion to invite the party to make their comment at an appropriate stage in the hearing.
- All parties are asked to keep their comments as succinct as possible.
- If a party has a question for another party, this must be addressed to the Chairman who will have the discretion to ask the relevant party to respond.
- Parties wishing to make suggestions as to the conditions that may be imposed in the event of the application being granted should do so by reference to the schedule of proposed conditions set out in the Conditions Schedule annexed to the committee papers. In so doing, they should use the same numbering in that schedule. This is to ensure that there is ease of referencing the conditions by all the parties.
- To ensure the smooth running of hearings, a time limit will be placed on each party's submissions. This time limit must be adhered to but the Chairman has the flexibility to amend the time limit when it is considered appropriate to do so.
- When referring to the hearing papers, participants should give the page and paragraph number when appropriate.
- The Chairman has the discretion to amend these rules in any given case where they consider it is appropriate to do so.

### **Procedure**

1. The Chairman will open the meeting and introduce the members of the Sub-Committee and the other officers attending with the members, including the legal adviser, policy adviser and committee officer.
2. The Chairman will confirm the procedure that the hearing will follow.
3. The Sub-Committee members and officers will be asked to declare any interests they may have and any other procedural business will be transacted.
4. The presenting officer from the licensing service will introduce the application, giving a brief description of the application and introducing all the Parties in attendance for each application
5. Each party who has registered to speak, will be invited to make their representations and will be allowed **a maximum of 10 minutes each**. In order to ensure that the hearing is fair to all parties and is conducted in an orderly manner, the Chairman has the discretion to extend this time limit where it is appropriate for the determination of the application.
6. Parties will normally speak in the following order, (the order may change for other types of licensing applications):
  - a. The applicant
  - b. Responsible authorities
  - c. Other persons

7. The Chairman has the right to grant each party the opportunity to ask questions of each other for the purposes of clarification only where it is appropriate to do so. The Sub-Committee members will then be able to ask questions of the parties.
8. The legal adviser and/or policy officer may ask questions of the parties as they consider appropriate, including in relation to the conditions which should be attached to the application if the Sub-Committee is minded to grant the application.
9. Each party will have an opportunity to make a short closing submission each (not introducing any new evidence or case law) of no more than **5 minutes each**, in the following order:
  - a. Responsible authorities
  - b. Other persons
  - c. The applicant
10. The Chairman shall then **close the meeting** and all parties will leave the meeting. A Decision will not be announced at the end of the hearing unless there is a legal requirement to do so.
11. The Sub-Committee will deliberate in closed session and all parties will be advised of the outcome in a written Summary Decision. Unless otherwise required or permitted by Regulations, summary decisions will be made within a period of five working days of the last day of the hearing. The written summary of the decision ("Summary Decision") will be sent to all the parties as soon as possible after the Decision has been made. The full Decision, setting out the reasons for the Decision, (Formal Notification) will be sent to the parties as soon as possible thereafter. The time limit for appealing will not commence until the Formal Notification has been sent to the parties.

<p>I am very worried as from either this building or the building next door (Thai Square Club) came so much noisy music from Friday to Sunday for the last weeks until 3am, that I could not sleep at night.</p> <p>In that respect music during the whole night can terrify all of us living in [REDACTED] right across the street. My neighbours in the building had the same problem. The basses of the techno-like music have been hammering and made sleep impossible.</p> <p>The area is not calm anyway with all the manifestations and parties at Trafalgar Square but club music with hammering basses is unbearable.</p>

<p>With the Thai Square Club already open Friday to Sunday blasting music, we as residents can not get to sleep. The club goes stand in line for hours screaming/fighting and blasting their own music AND the club music blasts until well after 2-4am. No one in our building has been able to get any sleep since this began. We are collectively asking you to please resolve this matter as we all work long days and this is severely tarnishing our quality of work, sleep, and life.</p> <p>Thank you, [REDACTED] Residents</p>

I have heard music from that corner in the past and it didn't let me sleep. [REDACTED] is a residential building right across the street. If noise goes on in the very short Cockspur street it is inevitable to hear it, especially at night. People until 3am every night outside the building, smoking, talking, standing in line, being loud after alcohol and most of all music with hammering basses are producing so much noise that sleep will not be possible.

I strongly object to the granting of the premise license, as it will inevitably lead to regular nuisance for the venue's neighbours in the late evening and early hours of the morning and pose various safety risks to those attending the venue and street users. I outline the grounds for this below:

(i) There is inadequate space for parking/loading/turning in the immediate area surrounding the venue. This poses a high risk of highway safety risks and causing regular traffic generation and noise from beeping cars. The venue's entrance on cockspur street is on the A4/Cockspur Street, which is already a busy 3-lane road. Having cars dropping off significant numbers of people in the evening will cause significant disruption to the evening traffic (causing additional noise), and it will also pose risks to road users who will need to avoid hitting cars without adequate space to park/drop-off + avoid hitting people attending the venue -- many of whom will likely have consumed alcohol and be in an impaired state. The end result is abnormal levels of road congestion and beeping, and increased levels of noise from cars and people at unreasonable hours for the residents of Oceanic house and other neighbours just a few meters away.

(ii) Noise and disturbance resulting from use and smells:

It is likely that people will be queuing to enter/exit the venue and also likely that people will be congregating in the immediate area around the venue late in the evening -- many of whom will likely be smoking and consuming large quantities of alcohol. Given the lack of space on the pavement in front of 20 Cockspur, it is likely people will congregate even closer to Oceanic House causing significant noise disturbances to the residents. As the venue is open late 7 days a week, Oceanic House residents will be deprived of quiet/ peaceful enjoyment of their homes.

<p>I am very concerned about this application due to the current issues with the TSQ club that is underneath the Thai restaurant along Cockspur Street. At present we have music blasting until very late hours (usually noise is still heard post 3am) that attracts large groups of drunken people (over 100 individuals waiting outside at times) queueing on Cockspur Street. While some noise is to be expected in the centre of London, the hammering bass music and shouting individuals outside three to four nights a week is too much. I should also point out that the masses of drunk individuals every weekend tend to engage in public urination and fights which in my view would only escalate if another establishment is put on Cockspur Street. Kind regards, [REDACTED]</p>

<p>The New Thai place around the corner makes such a ruckus until 2 am, even until 4 am in the morning.</p> <p>I do not consent for the building to keep this noise up after a certain time period.</p>

<p>The noise outside is significant, along with anti-social behaviour (sick, urination &amp; defecation) in Warwick House Street along with littering of cigarette butts, water bottles and fast food wrappers. The licence application should have a condition applied to ensure above anti-social behaviour is stopped by security rather than encouraged to take place in WHS away from club entrance. Cleaning condition should be applied or Council obligated to take remedial action.</p>

<p>My husband and I live just across the Street from this site, and we are honestly quite concerned about the proposal. Our concern is mainly related to noise and disturbance. Aside from the fact that the proposed plans show that the aim is to play music until 3am on some days, our concerns also extend to the disturbance caused by clients who will be inevitably waiting/standing outside (and who are often drunk and rowdy). We therefore express our sincere concern with the addition of this proposal to our neighbourhood.</p>

<b>Hours Policy HRS1 applies</b>	<p><b>A.</b> Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p><b>B.</b> Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> <li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li> <li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li> <li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</li> <li>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</li> </ol>

5. The proposed hours when any music, including incidental music, will be played.
  6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.

  10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
  11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
  12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
  13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
  14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.
- C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:

**6. Pubs and bars, Fast Food and Music and Dance venues**

Friday and Saturday: 10am to Midnight.

Note: The core hours are for all licensable activities but if an application includes late night refreshment, then the starting time for that licensable activity will be 11pm.

<p><b>Special Consideration Zones Policy SCZ1 applies</b></p>	<p><b>A.</b> In addition to meeting the other policies within this statement, applications within a designated Special Consideration Zone should demonstrate that they have taken account of the issues particular to the Zone, in question as identified within the 2020 Cumulative Impact Assessment and should set out any proposed mitigation measures in relation to those issues within their operating schedule.</p> <p><b>B.</b> For the purpose of Clause A, the designated Special Consideration Zones are:</p> <ul style="list-style-type: none"> <li>• West End Buffer.</li> <li>• Queensway/Bayswater.</li> <li>• Edgware Road.</li> <li>• East Covent Garden.</li> <li>• Mayfair.</li> <li>• Victoria.</li> </ul>
