## 2. Representations

<b>2-A Responsible Authorities</b>	
<b>Responsible Authority:</b>	Environmental Health Service
<b>Representative:</b>	Ayesha Bolton
<b>Received:</b>	04 December 2023 ( <b>Withdrawn 04 December 2023</b> )
<p>I refer to the application for a new Premises Licence for the above premises.</p> <p>The applicant has submitted floor plans of the premises.</p> <p>This representation is based on the plans and operating schedule submitted.</p> <p>The applicant is seeking the following:</p> <ol style="list-style-type: none"> <li>To provide Supply of Alcohol On the premises Monday to Saturday 09.00 to 23.00 and Sunday 09.00 to 22.30 hours.</li> </ol> <p>I have no objection to this application.</p> <p>The operating schedule includes the following works conditions:</p> <ol style="list-style-type: none"> <li>No licensable activities shall take place at the premises until the premises has been assessed as satisfactory by the Environmental Health Consultation Team at which time this condition shall be removed from the Licence by the licensing authority.</li> <li>No licensable activities shall take at the premises until the capacity of the premises has been determined by the Environmental Health Consultation Team and the licensing authority has replaced this condition on the licence with a condition detailing the capacity so determined.</li> </ol>	

I have visited the premises and it was satisfactory. The works condition 16 above is not necessary and can be removed.

The maximum capacity for the premises has been agreed with the applicant to be 25 persons. Hence the works condition 17 above should be replaced with the following condition: "The number of persons permitted in the premises at any one time (excluding staff) shall not exceed 25 persons."

**Due to the above condition being agreed with the applicant, the Environmental Health Service representation was withdrawn 04 December 2023.**

2-A Other Persons	
Name:	[REDACTED]
Address and/or Residents Association:	[REDACTED] [REDACTED] [REDACTED] [REDACTED]
Received:	14 November 2023
<p>Dear Sirs The proposed alcohol license would affect us differently if:</p> <p>a) The entrance and exit is on Victoria Street. This would not be so much of a problem for us, but I think the area already has many bars and pubs and an alcohol problem.</p> <p>b) This would be worse as the rear of the property in question - which already has a door onto Howick Place - is used by customers to enter or leave the premises. [REDACTED] [REDACTED]</p> <p>I believe the noise level, taking into consideration what I have witnessed in this area of Westminster, would be very difficult to live with. There is also the risk of anti-social behaviour after alcohol has been consumed in excess - which as I am sure you are aware is already a problem in this part of London. Further, as I understand it, it would be 7 days per week.</p> <p>Behind Victoria Street, it is mainly residential.</p> <p>I would be very grateful if the council would take into consideration all of our buildings' residents who are in the same situation as we are. Thank you for your kind consideration.</p>	

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy HRS1 applies</b>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"><li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li><li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues</li></ol>

identified in that area and provided adequate mitigation.

3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.

4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.

5. The proposed hours when any music, including incidental music, will be played.

6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.

7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.

8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.

9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.

11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.

12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.

13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.

14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

C. For the purpose of Clauses A and B above, the Core Hours for this application for each premises use type as defined within this policy are:

**11a. Shops (all licensable activities that are provided as ancillary to the primary use of the premises as a shop except the off sale of alcohol)**  
Monday to Thursday: 9am to 11.30pm.  
Friday and Saturday: 9am to Midnight.  
Sunday: 9am to 10.30pm.  
Sundays immediately prior to a bank holiday: 9am to Midnight.

**11b. Shops (off-sales of alcohol where it forms either the ancillary or primary use of the premises)**

	<p>Monday to Saturday: 8am to 11pm.  Sunday: 9am to 10.30pm.</p>
<p><b>Policy SHP1 applies</b></p>	<p>A. Applications for a shop outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> <li>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.</li> <li>2. The hours for licensable activities are within the council's Core Hours Policy HRS1.</li> <li>3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1.</li> <li>4. The applicant having taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone.</li> <li>5. The application and operation of the venue meeting the definition of a shop in Clause C.</li> </ol> <p>B. Applications for a shop inside the West End Cumulative Impact Zone will be considered on their own merits and subject to:</p> <ol style="list-style-type: none"> <li>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.</li> <li>2. The hours for licensable activities are within the council's Core Hours Policy HRS1.</li> <li>3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1.</li> <li>4. The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.</li> <li>5. The application and operation of the venue meeting the definition of a shop in Clause C.</li> </ol> <p>C. For the purposes of this policy:</p> <ol style="list-style-type: none"> <li>1. A shop is defined as a stall, vehicle, vessel, temporary structure, building or part of a stall, vehicle, vessel, temporary structure or building where the primary activity is the sale of goods or services to customers upon payment.</li> <li>2. The licensable activities for the sale of alcohol for consumption on the premises, regulated entertainment and/or late night refreshment must be ancillary to the primary use of the premises as a shop.</li> <li>3. The licensable activity of the sale of alcohol for consumption off the premises must be an ancillary function to the primary use of the premises unless that primary use is to sell alcohol for consumption off the premises, e.g. a traditional off licence.</li> </ol>

#### 4. Equality Implications

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

**THOMAS & THOMAS PARTNERS LLP

LONDON

**Solicitors for the  
Applicant/TOW.2.9**

## Introduction

1. Townhouse is a luxury nail and beauty salon founded by Junaita Huber-Millet in 2018, and run together with her husband. The concept flourished, and they have now expanded to over 30 salons nationwide.
2. Three Townhouse salons in Westminster are already licensed for alcohol: 88 Great Portland Street, 6 Slingsby Place and 120 Edgware Road – all authorising sales until 10pm or 11pm. The licences for Slingsby Place and Edgware Road were only granted very recently, but the Great Portland Street premises has been licensed for alcohol since 2018, and has operated without any issues since.
3. The company is applying here for a premises licence for the salon at 129 Victoria Street (the “Premises”). As shown below, the salon is already open and operating (without alcohol), with a special treatments licence covering the nail services (licence reference 23/00894/LIMSTN).

## The Application

4. The application seeks permission for sales of alcohol for consumption on the Premises only, 09:00 to 21:00, Monday to Sunday, with closing by 21:30.
5. Alcohol will only be for people receiving or waiting to receive treatments, and will be ancillary to the primary use as a nail and beauty salon at all times. Two conditions have been proposed to guarantee this:

1) *The licensable activities authorised by this licence and provided at the premises shall be ancillary to the main function of the premises as a nail and beauty salon.*

2) *The sale of alcohol shall be limited to customers who are receiving or waiting to receive treatments.*

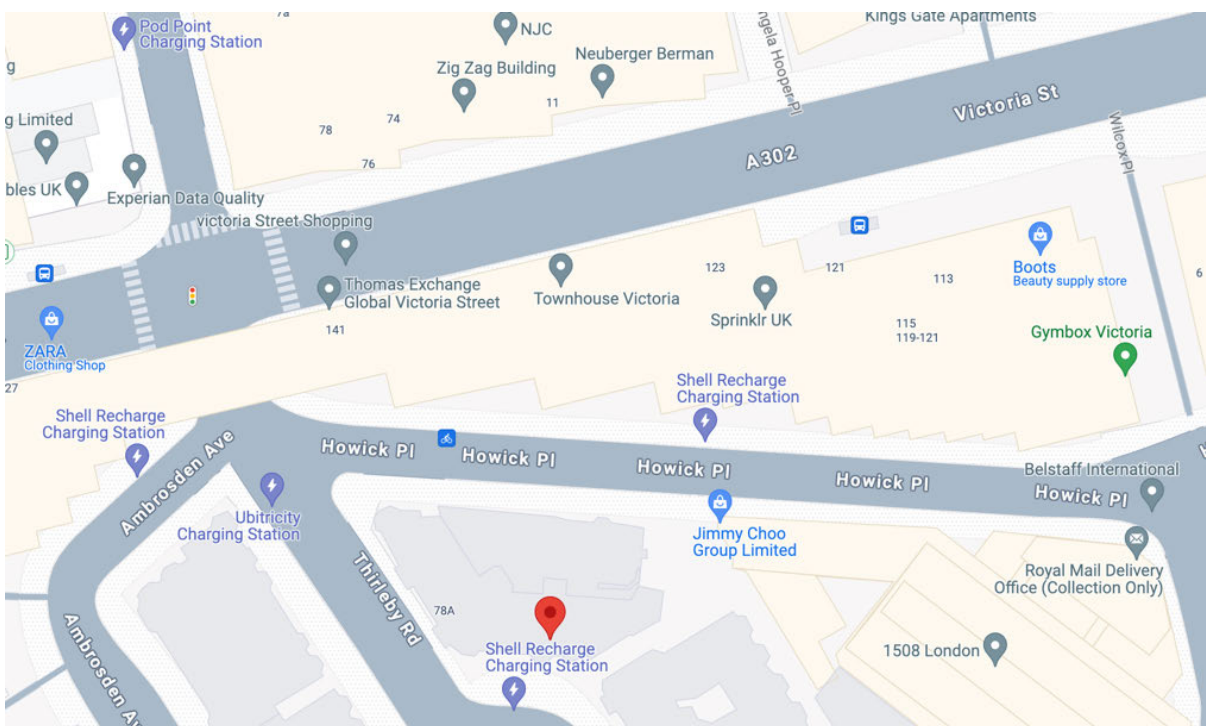

6. Off sales are not requested, and neither is regulated entertainment – and the alcohol hours are well within the City Council’s Core Hours for shops, which match those for restaurants at 09:00 to 23:30 Monday to Thursday, 00:00 Friday & Saturday and 22:30 Sunday.

### Environmental Health

7. Following correspondence with Ayesha Bolton of Environmental Health, a site visit was completed on 4 December 2023, where the Premises were deemed satisfactory and “signed-off” ready to permit licensable activities should the licence be granted. A maximum capacity of 25 persons excluding staff has also been agreed. The other responsible authorities have no concerns.

### objection

8. A single [REDACTED] has objected, [REDACTED]

9. The [REDACTED] indicated in their representation that [REDACTED]

█, and were concerned about customers entering and exiting the premises via the door at the back of the Premises. That rear door is shown in the image below:

10. They expanded further in correspondence that they did not think the 10pm cut-off for having the rubbish collected would be enforced, and elaborated that they *“really can’t believe that women cannot get their nails ‘done’ without the need for alcohol. It is approximately a 45 minute process. Society is in a sorry state.”*
11. The applicant took the concerns on board, and offered to:
  - (a) reduce alcohol to 21:00 all week, with closing by 21:30 (having asked for 23:00 Monday to Saturday and 22:30 on Sunday in the original application, which was already earlier than Core Hours);
  - (b) tighten the waste and servicing conditions further, so as to prohibit collections or deliveries, or the moving of waste, between 08:00 and 21:30 (which goes significantly beyond the Council’s model conditions, which propose a window of 08:00 and 23:00); and
  - (c) add a condition that prohibits customers from ever using the rear door on Horwick Place, except in an emergency - ensuring that customers can only access the Premises via Victoria Street, far out of sight and earshot of the resident’s windows.

12. This proposal was met with hostility, with the objector asserting that, rather than the company offering a glass of alcohol before a treatment: *"I would suggest the client having a manicure or pedicure turn up on time and therefore not have to wait. And the business become professional and not keep customers waiting."*
13. This correspondence is enclosed for the Sub-Committee. A revised application summary showing the changes to the hours and the conditions is also enclosed for the Sub-Committee, with the amendments shown in track changes.

## Policy

### Shops Policy SHP1

14. The Premises is located outside the Victoria Special Consideration Zone.
15. The nature of the business and the conditions offered mean the Premises are within the definition of a shop in SHP1, as a *"building where the primary activity is the sale of goods or services to customers for payment"*<sup>1</sup> and where alcohol is to be *"ancillary to the primary use of the premises as a shop."*<sup>2</sup>
16. SHP1.A says that applications such as this will *"generally be granted"*:
- "A. Applications for a shop outside the West End Cumulative Impact Zone will generally be granted subject to:*
- (1) The application meeting the requirements of CD1, PS1, PN1 and CH1.*
  - (2) The hours for licensable activities are within the Council's Core Hours Policy HRS1.*
  - (3) The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1.*
  - (4) The applicant having taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone.*
  - (5) The application and operation of the venue meeting the definition of a shop in Clause C.*
17. Limbs (3) and (4) are not in point here – and the rest are all satisfied, as the application promotes the licensing objectives by offering a suite of conditions that go significantly beyond the Council's own benchmarks.

---

<sup>1</sup> SHP1.C.1

<sup>2</sup> SHP1.C.2

18. Contrary to the [REDACTED] suggestion that a proposal to sell alcohol is indicative of a lack of business professionalism, the policy makes clear (at F144) that “[t]he Licensing Authority is keen to support shops who wish to offer ancillary licensable activities to the main purpose of their shop” and (at F145) that common examples of where it is envisaged this would be appropriate include “boutique[s] [...], hairdressers, massage parlours, or anything of a similar nature where the primary use is the purchase of goods by customers or to provide a service.”

### **Conclusion**

19. This is an application to permit a premium nail and beauty salon to offer ancillary alcohol alongside their treatments, and will allow a dynamic new business to continue its successful operation in Westminster. It is carefully conditioned and supported by policy, even before the significant amendments offered to address the [REDACTED] stated concerns.

Hi James

Hope all's well. Excuse the delay here.

I have taken instructions and attach an amended schedule which notes:-

1. Reduced terminal hour to 21:00 all week, closing 30 minutes thereafter;
2. Restrict delivery or waste collections not between 21:30 to 08:00 hours. NB There is an internal communal waste storage and collection point for the wider building. No waste is placed on the street from Townhouse;
3. Include condition preventing customer use of the rear door onto Howick Pl, save for emergencies; and
4. Maximum capacity now agreed at 25 persons.

Lastly to note, as there are no other objections from either residents or a responsible authority, it would be desirable to reach agreement without need for a hearing to save council resources.

I would be grateful if you could pass onto the objector for their comment.

Thanks again

Ryan

Hi Ryan, I hope you're well. I have heard back from the [REDACTED], who has provided the below. [REDACTED]

I have written back to them regarding the process from here, and seeking further options for agreement prior to a hearing. I will keep you posted.

*Thank you for your comprehensive response to my concerns.*

*However, I really can't believe that women cannot get their nails 'done' without the need for alcohol. It is approximately a 45 minute process. Society is in a sorry state.*

*I assume this will lead to groups of women deciding to party in Townhouse before a night out or it could be used for the first stop on a hen night?*

*In my experience too, this license will lead in the future to further developments at Townhouse. A food license perhaps? Or a change of use to a bar eventually?*

*Who is going to police the garbage being put out after 22.00hrs. As I said [REDACTED] are overlooking Townhouse and as we work during the day [REDACTED] And you say that is the latest they will put it out. We already hear delivery people for the shop rear entrances on Howick Place banging crates around, and hydraulics on tail gates on trucks in the early hours. The people who look after the bicycles also make a huge amount of noise.*

*So to answer your question I am sorry to be difficult but my fears are not allayed and I would NOT like the license to be granted.*

*I believe unless one is a [REDACTED] in the vicinity one cannot understand how this would affect our lives.*

*Thank you for your understanding.*

Feel free to give me a call if you would like to discuss further.

Dear Ryan, I write regarding the above application, which had a last date for objection of 04 December 2023. We have received 2 representations to the application, one from Environmental Health (which you have received and covers capacity), and one from [REDACTED] which is provided below:

**Comments:** 14/11/2023 1:22 PM Dear Sirs, The proposed alcohol license would affect us differently if:

- a) The entrance and exit is on Victoria Street. This would not be so much of a problem for us, but I think the area already has many bars and pubs and an alcohol problem.
- b) This would be worse as the rear of the property in question - which already has a door onto Howick Place - is used by customers to enter or leave the premises. [REDACTED]

I believe the noise level, taking into consideration what I have witnessed in this area of Westminster, would be very difficult to live with. There is also the risk of anti-social behaviour after alcohol has been consumed in excess - which as I am sure you are aware is already a problem in this part of London. Further, as I understand it, it would be 7 days per week.

Behind Victoria Street, it is mainly residential.

I would be very grateful if the council would take into consideration all of our buildings' [REDACTED] who are in the same situation as we are. Thank you for your kind consideration.

Sincerely,

I have forwarded the proposed conditions you included with the application to the [REDACTED] to assist with mediation, and asked whether they address the concerns raised. Once I hear back from the [REDACTED], I will contact you again. Alternatively, if there are any further conditions you may like to consider, please let me know and I will forward these on.

Please let me know if I can be of further assistance.

Kind regards,

Dear Ryan, please see below:

I have read the proposed amendments to the license application. It would seem that the applicant agrees with [REDACTED] that the proposed license, should it be granted, would indeed cause an upset locally evident in his willingness to make changes.

However, the [REDACTED] in our building are still not in favour of an alcohol license in a nail salon adjacent to our homes, let alone a license to serve alcohol at 09.00 hrs.

There are many drinking venues on Victoria street and many alcoholics lying in the streets to prove it.

I would suggest the client having a manicure or pedicure turn up on time and therefore does not have to wait. And the business become professional and not keep customers waiting.

So sorry but we in the building cannot oblige.

Thank you for your understanding.

There is no licence or appeal history for the premises.

Environmental Health make representations against this application as the proposal may adversely impact on the Public Nuisance and Protection of Children from Harm licensing objectives.

In adequate conditions have been provided, such as, how alcohol shall be controlled from access to the public when the premises is open for non-licensable activities. I also understand the applicant is the same as the previous licence holder whom the Police had concerns how that licence was being operated.

The applicant is requested to contact the undersigned to discuss the above after which additional conditions may be proposed.

<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	PC Tom Stewart
<b>Received:</b>	14 December 2023

I am writing on behalf of the Commissioner of the Metropolitan Police Service ("The Police") to make representations opposing the grant of a premises licence application for **61 Kingly Street London W1B 5QL.**

The application seeks the following:

**Sale of Alcohol (off the premises)**

Monday to Sunday 13:00 to 23:00

**Opening Hours to Public**

Monday to Sunday 06:30 to 23:00

The Police submit that, if granted, the premises would undermine the licensing objective 'The Prevention of Crime and Disorder, The prevention of Public Nuisance and The Protection of Children from Harm', as well as adversely affect cumulative impact within the West End Cumulative Impact Zone ("CIZ").

This premises falls within the Shops Policy ("SHP1") and it is the Licensing Authority's policy to consider such applications within the West End Cumulative Impact Zone on its merits and subject to the following:

- The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone
- The application meeting the requirements of policies CD1, PS1, PN1 and CH1.

The Police submit that the applicant has failed to address the above points. The Police submit that the application will adversely impact on Cumulative Impact. The applicant has failed to show how they will promote the licensing objectives, The Prevention of Crime and Disorder, the prevention of Public Nuisance and the Protection of Children from Harm (“CD1, PS1, PN1 and CH1”) by failing to provide sufficient conditions within the operating schedule.

The applicant has a history of non-compliance at the premises. The premises had the benefit of a premises licence (22/02704/LIPDPS) between March 2022 and March 2023. The licence was surrendered by the applicant following several breaches of the licence witnessed by Police. It is unclear what, if anything has changed at this time to demonstrate that the applicant will be able to comply with this premises licence or promote the licensing objectives if granted.

The Police request that this application is refused.

<p>We object to this application for a new licensed convenience store. 61 Kingly Street is in an area that is predominantly already made up of premises selling on and off sales of alcohol.</p> <p>There are too many shops selling alcohol in Soho. If people wanted to take alcohol home, they would buy it locally (no-one is far from a licensed convenience store in London). So the only purpose of buying from a convenience store is to drink it on the street. We know it is common practice in Soho for individuals or groups to purchase alcohol at convenience stores, wander round Soho, or gather in a public place, drink on the street, become inebriated, or more inebriated, and cause noise and bad behaviour including street urination. Inebriated people also attract crime gangs to the area and can be the victims of crime.</p> <p>We note that the application is for an extension of core hours to 23.00 on Sundays.</p> <p>The new CIA is pointing towards a presumption to refuse all new application applications and variations in the WECIZ.</p> <p>The Committee will be aware the premises is situated within the West End Cumulative Impact Zone and the onus is on the applicant to demonstrate they will not increase cumulative impact and will promote the licensing objectives.</p> <p>Increasing the number of licensed premises in the West End CIZ is highlighted in the recently published draft Cumulative Impact Assessment 2023, it confirms crime levels in Westminster has reached pre-COVID levels and since the last Cumulative Impact</p>			

Assessment 2020 crimes have concentrated even further in the West End. The modelling shows a 50% increase in undesirable behaviours from any new OR extended licence.

The evidence is clear any addition in the number of hours, the number of people consuming alcohol, the number of licensed premises will fail to promote the licensing objectives and increase cumulative impact. It concludes with a proposed new Licensing Authority Statement which states;

*'It is the view of the Licensing Authority that **the number of relevant authorisations in respect of premises in parts of the West End is such that it is likely that it would be inconsistent with the authority's duty under section 4(1) Licensing Act 2003 to grant any further relevant authorisations or variations in respect of premises in that area.** In accordance with section 5A(6) of the Licensing Act 2003 the Licensing authority will consult on its intention to publish this cumulative impact assessment prior to its final approval and publication.'* **(our emphasis)** (Appendix 1 Cumulative Impact, Appendix 2 Crime and Disorder).

Soho is at the heart of the West End's food, beverage and entertainment district with its **491** licensed premises, the demand for licensed premises in the West End and Soho shows no tendency to reduce, from 2020 to November 2023, 51 new alcohol licences have been granted with a capacity of over 4,245.

There are very real concerns amongst residents about the ever increasing numbers of licensed premises. We know residents who live near the premises already suffer from noise and disturbance which is caused by dispersal from premises in this area, its had a huge impact on their health and well being.

Residents have been subjected to noise disturbance and anti-social behaviour that are beyond acceptable levels. They are disturbed by the late night activity as people walk by (often shouting, or arguing), noise from pedicabs, car doors slamming, horns hooting, people vomiting and urinating [REDACTED]. Residents are also often disturbed even if an establishment is not located directly on their street, as customers (often noisy and intoxicated) leave premises and either carry on their night out in Soho or make their way home.

We know many residents experience sleep disturbance, [REDACTED] conducted a survey which confirms that residents are disturbed by noise at night, and say that this is having a negative impact on their lives. 87 people responded of which 78 are Soho residents with ages spread fairly evenly from 22 to 80, 59% of whom have lived in Soho for more than ten years.

When asked about disturbed sleep, 24% of respondents say they have their sleep disturbed seven nights a week, 16% five or six nights a week, and 19% three or four nights a week.

Furthermore, 64% of respondents agreed that noise nuisance from increased commercial activity at night is the most serious problem impacting Soho residents' quality of life.

62% of respondents agreed that the council should not grant any extensions of hours for premises in Soho.

60% of respondents agreed that noise nuisance and sleep deprivation is "adversely impacting my health" and the health of the people they live with.

46% of respondents agreed that noise nuisance is so bad that they have considered moving away from Soho.

The full survey can be found in **Appendix 3**.

In summary, this application for an off sales licence will increase cumulative impact and fail to promote the licensing objectives.

Yours faithfully,

**Appendix 1 : Cumulative Impact**

This area has been identified by Westminster City Council as under stress because of the cumulative effect of the concentration of licensed premises has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The evidence presented in the draft Cumulative Impact Assessment 2023 continues to show high levels of cumulative impact in the West End Zone 1 in 2022, it states,

*‘West End Zone is the epicentre for issues associated with cumulative impact within the **borough.**’ (p.50)*

The proposed Licensing Authority Statement strengthens the previous 2020 CIA statement in acknowledging the increasing and detrimental impact of the large number of licensed premises in the West End, it concludes,

*‘It is the view of the Licensing Authority that **the number of relevant authorisations in respect of premises in parts of the West End is such that it is likely that it would be inconsistent with the authority’s duty under section 4(1) Licensing Act 2003 to grant any further relevant authorisations or variations in respect of premises in that area.** In accordance with section 5A(6) of the Licensing Act 2003 the Licensing authority will consult on its intention to publish this cumulative impact assessment prior to its final approval and publication.’ (p.80)(our emphasis)*

In any application for an alcohol licence in the Cumulative Impact Zone the applicant is required to demonstrate that the application will not increase the Cumulative Impact. In the draft Cumulative Impact Assessment 2023 the modelling shows an overall factor of up to 1.5, which means that for every additional licence granted the number of undesirable behaviours expected in the area in a year would increase by up to a multiple of 1.5. This means a **50% increase in undesirable behaviours from any one new or extended licence, similarly the figures suggest a 26% increase in reported theft for each additional licence issued - for whatever type of venue: club, restaurant or café.** In relation to noise, it concludes,

*‘The number of licensed premises is a significant factor in the generation of noise complaints.’*

The policies in relation to the cumulative impact zone are directed at the global and cumulative effects of licences on the area as a whole (D16. of the SoLP).

**D23. ‘The proximity of residential accommodation is a general consideration with regard to the prevention of public nuisance.** It goes on, *‘The nature of cumulative impact is that it is cumulative and affects not only the immediate vicinity of the premises, but the wider area; thus the number of people visiting the premises, the nature of licensable activities and the lateness of operations have an impact on an area as a whole, irrespective of whether or not there is residential accommodation in proximity to the premises.’ (our emphasis)*

It is important to note the policy relates to the global effects of alcohol licences in the whole impact zone and not just a part of it.

**Appendix 2 : Crime and Disorder**

The draft Cumulative Impact Assessment 2023 states by September 2022 crime in Westminster had reached pre-pandemic levels. It compared the proportion of crimes that occurred in 2022 against the period of the 2020 CIA (2017 - 2019) it indicates that **‘crimes within Westminster has concentrated even further within West End Zone 1.’**

It confirmed the majority of the hotspots for the four major crime types (overnight thefts, robbery, drug offences, violence against person) were closely concentrated in the West

End, stating,

'This provides further evidence to the greater prevalence of criminal offences within this area, and given the temporal nature of this analysis, also suggests that criminal activity within this area is getting worse.'

Overall the West End Zone 1 accounts for:

- Just under 66% of all crime in Westminster
- 47% of violent crimes - approximately 59% at night (most prior to and after midnight)
- 44% (968) of all overnight robberies
- Over 65% of sexual offences.
- 52% of all night time alcohol related ASB
- 74% drug offences, small clusters include Soho - Old Compton Street
- 57% of all ASB call details included reference to public house/nightclub, night-time transport route, station, hotel or restaurant establishment

It confirms the majority of crime takes place on Friday / Saturday and Saturday/Sunday between 6pm - 6am. Overnight crime is identified as being particularly prevalent in Old Compton Street, Greek Street and Frith Street.

The level of crime, disorder and anti-social behaviour continues to be a huge problem in Soho, the crime figures are high and rising. The police crime reports for April/May 2023 shows current levels of alcohol related assaults, sexual assaults and robberies within the West End area are now higher than at pre-COVID levels. The peak times for crime being between 10pm - 2am.

In Soho the majority of robberies take place at night, with people being targeted as they leave venues. Alongside the robberies and assaults drug dealing is a huge problem with groups of dealers congregating to sell drugs to people as they leave premises or as they pass by. There are more dealers in the area at night than during the day, this is directly linked to the large number of venues and people which creates the drugs market. Pickpockets also operate in the area, they are a part of a well organised criminal group who arrive in a van at night and disperse into Soho before returning to be driven away.

It is well known that intoxicated people become victims of crime, their vulnerability being exploited by gangs or individuals who are in Soho explicitly to target them.

### **Appendix 3 : ██████████ Sleep Survey Results - 31 October 2022**

There are real concerns amongst residents about the ever increasing numbers of licensed premises and people on the streets at night causing disturbance, they have been subjected to noise disturbance and anti-social behaviour that is beyond acceptable levels. They are disturbed by the late night activity as people walk by either shouting, screaming or arguing, noise from pedicabs, car doors slamming, horns honking, and are subjected to anti-social behaviour with people vomiting and urinating in the street and in their doorways.

Residents are also disturbed even if an establishment is not located directly on their street, as patrons usually intoxicated leave premises and either carry on their night out in Soho or as they make their way home making a noise and disturbing residents along the way.

It is therefore unsurprising that a survey conducted by ██████████ confirms that residents are disturbed by noise at night and this is having a negative impact on their lives.

87 people responded of which 78 are Soho residents with ages spread fairly evenly from 22 to 80, 59% having lived in Soho for more than 10 years.

59% have lived in Soho more than 10 years 26% between 3 and 10 years

6% between 1 and 3 years and

9% have lived here less than a year 42% own their homes

20% are Soho Housing Association and the rest tenants with other landlords 10 respondents

████████████████████ I find it extremely exhausting not able to have rest at night, Screams and noise of drunk people every night, The Landlord WCC does not want to change the windows to a double glazing nor allow tenants to pay privately for windows to be upgraded. Noise at home, lack of sleep, and concentration in the day time. I ████████████████████ I recorded noise levels of 97db outside the pub at the corner of ████████████████████

More consideration needs to be given to residents from councillors, people visiting the area and local businesses in particular those who serve alcohol and have late night licences. Decisions such as granting planning and licence applications should not be made by people who do not live in the area and are therefore not impacted by the decision making.

Very difficult to get the local authority to understand and take complaints seriously. Officers often helpful but then the case goes to committee and they always seem to rule in favour of the commercial premises rather than residents.

There is supposed to be a presumption to refuse new licences but in practice the council still lets new things through until after Midnight, which is far too late and has made a nonsense of the policy.

There should be a quiet window of 11pm to 8am every day. 7am deliveries are far too early for a lot of people if they are noisy or use cages or refrigeration.

████████████████████ Regularly now (most nights) there are traffic jams in the street at 3am in the morning with cars picking up people leaving clubs. The cars frequently are using their horns. Last night they had their door open with music blaring. we have 2 motorbike stands close together. 1 in ████████████████████ and 1 in ████████████████████ There is always at least one bike revving up at either 3am or really early like 530am This noise has changed and increased over the past 3-4 years. I am woken up most nights at about 3am. And i have double glazing and ████████████████████.

Businesses take no responsibility for their customers drinking/eating and mainly shouting outside, including when they are queuing, and particularly when they are leaving. Post al fresco, there is a new attitude that anything goes on the streets and that includes contempt for the community who live here. The Council need to rethink this and put some major resource into enforcement.

████████████████████ It's never been this noisy!

Early hours waste collections (including bottle smashing) also includes the food & beverage businesses putting their waste in the street and bottle bins at anti-social hours ahead of collection times. Our local restaurants are not supposed to put bottles out between the hours of 23:00 and 07:00 but they frequently do. Frequently delivery trucks some with noisy refrigeration units are also delivering early hours.

Also deliveries & pedicabs. Unfortunately my lack of sleep due to noise has caused serious health issues and I now cannot work and suffer anxiety and depression. I'm woken up on average 5 times per night and have considered suicide. Why I'm being denied sleep between the hours of 11pm and 7am astonishes me. The freeholders Shaftesbury Carnaby show a total disrespect to the effects that noise has on the residents of Soho

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy HRS1 applies</b>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> <li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li> <li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li> <li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</li> <li>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</li> <li>5. The proposed hours when any music, including incidental music, will be played.</li> <li>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</li> <li>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</li> <li>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</li> <li>9. The capacity of the premises.</li> <li>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</li> <li>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</li> <li>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</li> <li>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</li> <li>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Dear Ms Haq,

I am aware of Mr Patel's past misdemeanours. I have discussed these with him and the possible consequences if he repeats them. He is cognescent of the applied meanings of all four licensing objectives and how they apply to his situation.

I suggested that he labels all containers of beers and ciders with the name and address of the shop to identify if his premises are responsible for that sale. Notices can be placed in the windows asking customers not to disturb the neighbours.

Please suggest conditions that might be acceptable to the authority that will allow you to grant the licence.

Regards,

## 2. Representations

2-A Responsible Authorities	
<b>Responsible Authority:</b>	Licensing Authority
<b>Representative:</b>	Roxsana Haq
<b>Received:</b>	01 December 2023 ( <b>Withdrawn 26<sup>th</sup> January 2024</b> )
<p>I write in relation to the application submitted to vary a Premises Licence for the following premises:</p> <p><b>23/07875/LIPV: Shakespeare’s Head Public House, 29 Great Marlborough Street, London W1F 7HZ</b></p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:</p> <ul style="list-style-type: none"> <li>• Public Nuisance</li> <li>• Prevention of Crime &amp; Disorder</li> <li>• Public Safety</li> <li>• Protection of Children from harm</li> </ul> <p><b>The application seeks the following variations:</b></p> <p>To remove all of the existing conditions on the current premises licence (Annex 3 – Conditions 10 to 16 inclusive) and replace with a new operating schedule of conditions.</p> <p>To permit all currently permitted licensable activities (live music, anything similar to live/recorded music and sale of alcohol) to commence from 10:00 on Sunday’s.</p> <p>(The terminal hour for these activities will remain unchanged. All other permitted hours and activities are to remain unchanged).</p> <p>The premises is located within the West End Cumulative Impact Zone and as such, a number of policy points must be considered namely CIP1, HRS1 and PB1.</p> <p>The Licensing Authority note the proposed conditions are those which help bring the licence in line with the council’s model conditions and therefore aid the promotion of the licensing objectives. However, we would like clarification as to why the applicant seeks to increase the commencement hour for licensable activities at the venue on Sundays. What will the nature of the operation be like outside of the current granted core hours for Public Houses?</p> <p>Furthermore, paragraph 2.4.5 states, The Licensing Authority’s policies, in relation to the Cumulative Impact Areas, are directed at the global and cumulative effects of licences on the area as a whole. The Licensing Authority requests the applicant to provide further submissions as to how the premises will not add to cumulative impact in the cumulative impact area, as per policy CIP1 and PB1.</p> <p>Further discussions will be held with the applicant prior to any scheduled hearing and any further submissions will be forwarded on for Members information if the application is to be determined by Licensing Sub-Committee Members.</p>	

Please accept this as a formal representation and I look forward to hearing from you soon so that this objection can be re-considered.

**Following consultation, the applicant amended the start time for live music, anything similar to live/recorded music and sale of alcohol to commence on Sundays from 10:00 to 11:00. On that basis, the Licensing Authority withdrew their representation on 26 January 2024.**

<b>Responsible Authority:</b>	Environmental Health
<b>Representative:</b>	Ayesha Bolton
<b>Received:</b>	01 December 2023

I wish to submit a representation against the variation of Premises Licence application for the above premises under the Licensing objectives of Prevention of Public Nuisance and Public Safety.

It is Environmental Health view that the granting of the application as presented would have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety within the area.

<b>Address and/or Residents Association:</b>	Soho Society		
<b>Status:</b>	Valid	<b>In support or objection:</b>	Objection
<b>Received:</b>	30 Nov 2023		

We object to this application to extend the hours of this public house to 10am on Sundays. The Committee will be aware the premises is situated within the West End Cumulative Impact Zone and the onus is on the applicant to demonstrate they will not increase cumulative impact and will promote the licensing objectives.

Increasing the number hours for the consumption of alcohol in the West End CIZ is highlighted in the recently published draft Cumulative Impact Assessment 2023, it confirms crime levels in Westminster has reached pre-COVID levels and since the last Cumulative Impact Assessment 2020 crimes have concentrated even further in the West End. The modelling shows a 50% increase in undesirable behaviours from any new **OR extended licence**.

The evidence is clear any addition in the number of hours, the number of people consuming alcohol, the number of licensed premises will fail to promote the licensing objectives and increase cumulative impact. It concludes with a new Licensing Authority Statement which makes it clear **granting further authorisations and variations in the West End Zone 1 would be inconsistent with the authority's duty under the Licensing Act 2003**. (Appendix 1 Cumulative Impact, Appendix 2 Crime and Disorder). Soho is at the heart of the West End's food, beverage and entertainment district with its **489** licensed premises, the demand and year on year increase in the number of new licensed premises and variations to extend shows no tendency to reduce, it is therefore unsurprising residents suffer for noise disturbance and anti-social behaviours.

Any extension in hours will increase public nuisance. (Appendix 3 Soho Society Sleep Survey) In summary, this application to increase the hours of a pub in the West End Cumulative Impact Zone cannot be justified, the applicant has to demonstrate they will not increase cumulative impact and will promote the licensing objectives, they have failed to do so and we respectfully

ask the Committee to refuse this application.

**Appendix 1 : Cumulative Impact**

**Appendix 2 : Crime and Disorder**

**Appendix 3 : Soho Society Sleep Survey Results**

**Appendix 4 : The Application**

**Appendix 5 : The Soho Society**

**Appendix 1 : Cumulative Impact**

This area has been identified by Westminster City Council as under stress because of the cumulative effect of the concentration of licensed premises has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The evidence presented in the draft Cumulative Impact Assessment 2023 continues to show high levels of cumulative impact in the West End Zone 1 in 2022, it states,

**'West End Zone 1 is the epicentre for issues associated with cumulative impact within the borough.'** (p.50)

The proposed Licensing Authority Statement strengthens the previous 2020 CIA statement in acknowledging the increasing and detrimental impact of the large number of licensed premises in the West End, and concludes,

**'It is the view of the Licensing Authority that the number of relevant authorisations in respect of premises in parts of the West End is such that it is likely that it would be inconsistent with the authority's duty under section 4(1) Licensing Act 2003 to grant any further relevant authorisations or variations in respect of premises in that area.** In accordance with section 5A(6) of the Licensing Act 2003 the Licensing authority will consult on its intention to publish this cumulative impact assessment prior to its final approval and publication.'

(p.80)(our emphasis)

In any application for an alcohol licence in the Cumulative Impact Zone the applicant is required to demonstrate that the application will not increase the Cumulative Impact. In the draft Cumulative Impact Assessment 2023 the modelling shows an overall factor of up to 1.5, which means that for every additional licence granted the number of undesirable behaviours expected in the area in a year would increase by up to a multiple of 1.5. This means **a 50% increase in undesirable behaviours from any one new or extended licence; similarly the figures suggest a 26% increase in reported theft for each additional licence issued for whatever type of venue: club, restaurant or café.** In relation to noise, it concludes,

**'The number of licensed premises is a significant factor in the generation of noise complaints.'**

The policies in relation to the cumulative impact zone are directed at the global and cumulative effects of licences on the area as a whole (D16. of the SoLP 2021).

D23. **'The proximity of residential accommodation is a general consideration with regard to the prevention of public nuisance.** It goes on, **'The nature of cumulative impact is that it is cumulative and affects not only the immediate vicinity of the premises, but the wider area;** thus the number of people visiting the premises, the nature of licensable activities and **the lateness of operations have an impact on an area as a whole, irrespective of whether or not there is residential accommodation in proximity to the premises.'** (our emphasis)

It is important to note the policy relates to the global effects of alcohol licences in the whole impact zone and not just a part of it.

**Appendix 2 : Crime and Disorder**

The draft Cumulative Impact Assessment 2023 states by September 2022 crime in Westminster had reached pre-pandemic levels. It compared the proportion of crimes that occurred in 2022 against the period of the 2020 CIA (2017 - 2019) it indicates that **'crimes within Westminster has concentrated even further within West End Zone 1.'** (p.52).

It confirmed the majority of the hotspots for the four major crime types (overnight thefts, robbery, drug offences, violence against person) were closely concentrated in the West End, stating, **'This provides further evidence to the greater prevalence of criminal offences within this area, and given the temporal nature of this analysis, also suggests that criminal activity within this area is getting worse.'** (p.47)

Overall the West End Zone 1 accounts for:

- Just under 66% of all crime in Westminster
- 47% of violent crimes - approximately 59% at night (most prior to and after midnight)
- 44% (968) of all overnight robberies
- Over 65% of sexual offences.
- 52% of all night time alcohol related ASB
- 74% drug offences, small clusters include Soho - Old Compton Street
- 57% of all ASB call details included reference to public house/nightclub, night-time transport route, station, hotel or restaurant establishment.

It confirms the majority of crime takes place on Friday / Saturday and Saturday/Sunday between 6pm - 6am. Overnight crime is identified as being particularly prevalent in Old Compton Street, Greek Street and Frith Street.

The levels of crime, disorder and anti-social behaviour continue to be a huge problem in Soho - the crime figures are high and rising. The police crime reports for April/May 2023 shows current levels of alcohol related assaults, sexual assaults and robberies within the West End area are now higher than at pre-COVID levels. The peak times for crime being between 10pm - 2am.

In Soho the majority of robberies take place at night, with people being targeted as they leave venues.

Alongside the robberies and assaults drug dealing is a huge problem with groups of dealers congregating to sell drugs to people as they leave premises or as they pass by. There are more dealers in the area at night than during the day, this is directly linked to the large number of venues and people which creates the drugs market. Pickpockets also operate in the area, they are a part of a well organised criminal group who arrive in a van at night and disperse into Soho before returning to be driven away.

It is well known that intoxicated people become victims of crime, their vulnerability being exploited by gangs or individuals who are in Soho specifically to target them. We believe patrons leaving this café/restaurant at night will be at high risk of becoming victims of crime.

### **Appendix 3 : Soho Society Sleep Survey Results - 31 October 2022**

The survey conducted by the Soho Society confirms that residents are disturbed by noise at night and this is having a negative impact on their lives.

87 people have responded of which 78 are Soho residents with ages spread fairly evenly from 22 to 80.

59% have lived in Soho more than 10 years

26% between 3 and 10 years

Topping the list in September was people drinking in the street with 54 mentions, then pedicabs with 51, waste collections at 48, construction noise 36, car horns 33 and deliveries at 25. Other noise sources identified were air conditioning, motorbikes revving, building alarms and music from licensed venues.

The most common identified problem at 42% of respondents was people drinking and shouting in the street.

62% of respondents agreed that the council should not grant any extensions of hours for premises in Soho  
68% of respondents agreed that the council should renew its noise strategy as a matter of urgency

Many respondents made additional comments:-

I left Soho 4 years ago. After 20 years, the noise & air pollution finally broke me. Like the frog in the pan of water with the heat gradually turned up, it took me a while to realise that it wasn't me going soft, it was the significant degradation of the environment around me. Since moved out of my flat, several other tenants have moved in & swiftly out again citing sleep disruption & excessive night noise as their reason for leaving. The flat is now used as an office rather than as residential.

I am disappointed that another restaurant unit is going to be let on Hopkins Street by Shaftesbury when the residents already have an enormous amount of noise from the existing restaurants. No doubt they will also want an alcohol license, which will increase the noise and disturb residents even more.

As a disabled person working from home, I find it extremely exhausting not able to have rest at night, Screams and noise of drunk people every night, The Landlord WCC does not want to change the windows to a double glazing nor allow tenants to pay privately for windows to be upgraded.

Noise at home, lack of sleep, and concentration in the day time. I have a hand held noise monitor, I recorded noise levels of 97db outside the pub at the corner of Broadwick and Berwick Streets.

More consideration needs to be given to residents from councillors, people visiting the area and local businesses in particular those who serve alcohol and have late night licences. Decisions such as granting planning and licence applications should not be made by people who do not live in the area and are therefore not impacted by the decision making.

Very difficult to get the local authority to understand and take complaints seriously. Officers often helpful but then the case goes to committee and they always seem to rule in favour of the commercial premises rather than residents.

There is supposed to be a presumption to refuse new licences but in practice the council still lets new things through until after Midnight, which is far too late and has made a nonsense of the policy.

There should be a quiet window of 11pm to 8am every day. 7am deliveries are far too early for a lot of people if they are noisy or use cages or refrigeration.

I live in Marshall St and overlook it. Regularly now (most nights) there are traffic jams in the street at 3am in the morning with cars picking up people leaving clubs. The cars frequently are using their horns. Last night they had their door open with music blaring. we have 2 motorbike stands close together. 1 in Broadwick St and 1 in Marshall St. There is always at least one bike revving up at either 3am or really early like 530am This noise has changed and increased over the past 3-4 years. I am woken up most nights at about 3am. And I have double glazing and am on [a high] floor.

Businesses take no responsibility for their customers drinking/eating and mainly shouting outside, including when they are queuing, and particularly when they are leaving. Post al fresco, there is a new attitude that anything goes on the streets and that includes contempt for the community who live here. The Council need to rethink this and put some major resource into enforcement.

I've lived in Soho for 60 years... Born and bred.. It's never been this noisy!

Early hours waste collections (including bottle smashing) also includes the food & beverage businesses putting their waste in the street and bottle bins at anti-social hours ahead of collection times. Our local restaurants are not supposed to put bottles out between the hours of 23:00 and 07:00 but they frequently do. Frequently delivery trucks some with noisy refrigeration units are also delivering early hours.

Also deliveries & pedicabs. Unfortunately my lack of sleep due to noise has caused serious health issues and I now cannot work and suffer anxiety and depression. I'm woken up on average 5 times per night and have considered suicide. Why I'm being denied sleep between the hours of 11pm and 7am astonishes me. The freeholders Shaftesbury Carnaby show a total disrespect to the effects that noise has on the residents of Soho

### **The Soho Society**

The Soho Society is a charitable company limited by guarantee established in 1972. The Society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment.

### **Further Submissions received 29<sup>th</sup> January 2024**

We have maintained our objection to the proposed increase in licensable activities on Sundays not only because of it falling outside the core hours policy, but if granted we expect to see similar applications to be submitted for pubs owned by the company in Soho, it will also set a precedent for other public houses.

We raise a linked area of concern arising from the concerns expressed in our representation, relating to the removal of Condition 10 which states,

(i) Alcohol may be sold or supplied:

(a) On Monday to Saturday 10:00 to 23:00

(b) On Sundays 12:00 to 22:30

(ii) Alcohol may be sold or supplied for one hour following the hours set out above to persons taking table meals in the premises in a part of the premises usually set apart for the service of such persons and for consumption by such a person in that part of the premises as ancillary to his meal. For other purposes or in other parts of the premises the hours set out above shall continue to apply.

The removal of this condition will facilitate an increase in the number of people permitted to consume alcohol without the consumption of a table meal, resulting in an increase in the number of drinkers until midnight and its likely negative impact on the West End Cumulative Impact Zone and Licensing Objectives.

We ask the applicant to confirm the areas currently set aside for food service plus its capacity in respect of this condition.

### **3. Policy & Guidance**

The following policies within the City of Westminster Statement of Licensing Policy apply:

<b>Policy CIP1 applies</b>	A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to: 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact. D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.
<b>Policy HRS1 applies</b>	A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy. B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following: 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect

	<p>of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</p> <ol style="list-style-type: none"> <li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li> <li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</li> <li>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</li> <li>5. The proposed hours when any music, including incidental music, will be played.</li> <li>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</li> <li>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</li> <li>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</li> <li>9. The capacity of the premises.</li> <li>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</li> <li>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</li> <li>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</li> <li>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</li> <li>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</li> </ol>
<p><b>Policy PB1(B) applies</b></p>	<p>B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <ol style="list-style-type: none"> <li>1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.</li> <li>2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.</li> </ol> <p>C. The applications referred to in Clause B1 and B2 will generally be granted subject to:</p> <ol style="list-style-type: none"> <li>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1, and/or,</li> <li>2. The operation of any delivery services for alcohol and/or late night</li> </ol>

	<p>refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.</p> <p>3. The application and operation of the venue continuing to meet the definition of a Public House or Bar in Clause D.</p> <p>D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.</p>
