## Forward Plan

The Forward Plan lists decisions that the Cabinet, a Committee of the Cabinet or individual Cabinet Members in line with the Scheme of Delegation intend to take over the following four months.

The Forward Plan is published weekly, normally on a Friday.

All Decisions will be published on the Council's website, except for information which is confidential or exempt from public disclosure in line with the Local Government Acts and Paragraph 33.10 of the Council's Constitution. Individual decisions will list whether there is expected to be exempt or confidential information. Individual Cabinet Member decisions can be found [here](#) and Cabinet agendas can be found [here](#).

By law, local authorities are required to give 28 days' notice of any key decisions to be made. The Council's Constitution provides for urgent key decisions to be made, even though they have not been included in the Forward Plan in accordance with Paragraphs 33.13 and 33.14 of the Access to Information Procedure Rules.

A Key Decision is defined as one which is:

- a) Likely to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- b) Likely to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the Council.

Non-key decisions do not need to be listed on the Forward Plan before a decision can be taken.

Each item on the Forward Plan lists who will take the decision, the earliest the decision can be made, whether the forthcoming report is likely to contain exempt or confidential information, and who you can contact for further information. For more general information on the Forward Plan, please contact Governance and Councillor Liaison.

The current membership of the Cabinet is as follows:
