### **1. Introduction**

The Children's, Sport and Leisure Policy and Scrutiny Committee examines the wide range of council services and projects that generally fall within the portfolios of Children and Young People, and Sport, Leisure and Open Spaces.

This document presents the legacy actions and recommendations from this committee that result from or apply to the period between June 2013 and January 2015.

The following colour coding has been applied to assist committee members and others to understand the progress made against each item:
