Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.
2. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
4. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
5. For example (but not exclusively), where the activity will occur on additional days during the summer months.
6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
7. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.

12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.

Re: Ground Floor Middle, Avenue House, 25-27 Shaftesbury Avenue

I refer to the application for a variation for the above premises licence.

This representation is based on the application submitted and the operating schedule.

The applicant is seeking the following:

1. To provide facilities for late night refreshment 'Indoors' and 'Outdoors' of the premises Monday to Thursday 2300 hours to 2330 hours and Friday to Saturday 2300hours to 0000 hours.

I wish to raise following representations:

1. The hours requested to permit the provision of late night refreshment will have the likely effect of causing an increase in Public Nuisance in the area.

The applicant has proposed conditions; however any variation to a Premises Licence granted will be subject to additional conditions to address the licensing objectives of Prevention of Public Nuisance.

Should you wish to discuss the matter further please do not hesitate to contact me.

Hi Thomas,

Hope you are well.

In relation to the above application for a variation to include LNR, I visited the premises this afternoon and met with an employee Samir. I'm not going to propose any conditions for this application as no conditions are appropriate to address policy and so the application will be determined by LSC.

If you have any questions in relation to the application please don't hesitate to contact me.

Kind Regards,

Louise Joyce
