1. Executive Summary

- 1.1 The Public Service Pensions Act 2013 provides that the Secretary of State may by regulations establish schemes for the payment of pensions and other benefits for various categories of worker including local government workers. Such regulations for a scheme ("scheme regulations") must provide for the establishment of a Pension Board to assist the scheme manager (i.e. the Council or the committees to which such responsibility has been delegated), to monitor and ensure compliance with the regulations and other legislation relating to the management of the Pension Fund.
- 1.2. The Local Government Pension Scheme (Amendment) (Governance) Regulations 2015 are due to come into effect on 20th February 2015 and require a Pension Board to be established by 1 April 2015.

2. Recommendation

- 2.1 That the establishment of a Pension Board, and its terms of reference attached at Appendix 1 of the report, be approved.
- 2.2. That the approval of the Pension Board Code of Conduct, Conflicts of Interests Policy, Training Policy and the process for selecting non-councillor members of the Board be delegated to the Chief Executive following consultation with the Chair of the General Purposes Committee and Chair of the Pensions Committee.

3. Background

- 3.1 The Public Service Pensions Act 2013 (the "Act") together with the Local Government Pension Scheme (Amendment) (Governance) Regulations 2015 provide that each administering authority must establish a Pension Board by

1st April 2015. The role of the Board is to assist the scheme manager with the effective and efficient management and administration of the Local Government Pension Scheme.

- 3.2 The Department for Communities and Local Government have been consulting on the implementation of Pension Boards, as required by the Public Sector Pensions Act 2013. This was initially reported to the Pensions Committee in September 2014 and November. The final Regulations were laid before Parliament and the final version of the guidance issued on 28th January 2015.
- 3.3 The Act and the regulations provide that the “scheme manager” will be responsible for administering, investing and managing the pension fund and may delegate these responsibilities to a committee, an officer or an investment manager (as appropriate). In the case of the City of Westminster, it proposed that the Pensions Committee will continue to deal with these matters and make decisions regarding them.
- 3.4 The Act states that the scheme regulations will provide for the establishment of the pension board which will be responsible for assisting the scheme manager (in WCC’s case, the Pensions Committee) in securing compliance with the scheme regulations and other legislation relating to the governance and administration of the scheme. The guidance has provided some further suggestions about what the Board will do, but leaving it very much up to local determination. It is however clear that, while the Board can make recommendations to the Pensions Committee, it will be up to the Committee whether to action the recommendations. The Board will not be a decision making body but will contribute to the governance of the pension scheme by providing advice and scrutiny.
- 3.5 The proposed terms of reference, attached as Appendix 1, do not go into great detail on the specific areas the Board will focus on as part of its role. Suggestions as to areas of work have been published by DCLG and it is proposed that Officers review the proposals and discuss with the Board when established to determine which areas it wishes to include in its work plan.
- 3.6 The consultation in the summer on regulations raised the possibility of joint pension boards. The shared service response argued that such an arrangement for the three funds would allow for efficiencies and it would be advantageous for it to be available as an option. The Regulations provide that where the administration and management of a scheme is wholly or mainly shared by two or more administering authorities those administering authorities may establish a joint pension board if approval in writing has been obtained from the Secretary of State. This will be explored however in the interim three separate Boards are being set up for the tri-borough councils.
- 3.7 The regulations require pension boards to have an equal number of employer representatives and scheme member representatives, the total of which cannot be less than four. One clarification that has arisen from the final regulations is that Councillors may now be members of the Pension Board as

long as they do not have any direct involvement in the running of the pension fund. The proposed terms of reference in Appendix 1 propose a membership of six to ensure that a quorum is easily achieved at each meeting.

- 3.8 The terms of reference contain a number of provisions concerning training and knowledge requirements for the members of the Board, conflicts of interest, the management and reporting of meetings. The terms of reference also refer to a number of separate policy documents relating to the operation of the Board. These are currently being drafted and it is proposed that approval of these documents is delegated to the Chief Executive following consultation with the Chair of the General Purposes Committee and Chair of the Pensions Committee.
- 3.9 All costs arising from the operation of the Pension Board will be met by the Pension Fund as required by the regulations.

4. Financial Implications

- 4.1 The establishment of a Pension Board is a legal requirement and the costs of supporting and staffing the work related to the Pension Board will be met by the pension fund – since the work directly and solely relates to the running of the pension fund.

5. Legal Implications

- 5.1 The Public Service Pensions Act 2013 and the Local Government Pension Scheme (Amendment) (Governance) Regulations 2015 require the Council to establish a Pension Board by 1 April 2015. The proposed terms of reference comply with the requirements of the legislation and due regard has been paid to the guidance. In order to exercise their functions it may be necessary for members of the Pension Board to receive exempt information or reports. Any such information would be provided specifically for that purpose and should not be disclosed by the Board to any other party. This is a matter which will be dealt with in the Pension Board Code of Conduct

6. Conclusion

- 6.1 Given the legal and regulatory requirement, the Committee is asked to approve, and that Council then approves the establishment of the Pension Board as set out in this paper.
