<p>Section L of the Variation Application - removal of condition 18 - Myself and my family feel that removing this section of the licence would cause disturbance to ourselves / our neighbours and the local community. The noise from customers outside the premises already affects us and we are unable to open our windows in the evenings.</p> <p>Delivery vehicles (Bikes / Motor Bikes / Scooters / Cars) used to distribute off site sales will cause additional noise nuisance to the area as well as traffic congestion.</p> <p>Whilst drivers are waiting for orders they will also be causing obstruction to local residents and will create a noise nuisance contravening Annex 3 section 18.</p>

Address and/or Residents Association:		21 Bulstrode Street London W1U 2JP

<p>We have 2 concerns. By far the most important is the proposed removal of Condition 18 from the original license (see section L of the variation application), i.e. the condition that requires "no noise shall emanate from the premises nor vibration be transmitted</p>			

through the structure of the premises which gives rise to a nuisance". This remains a vitally important condition and must be retained. To remove the condition seems unreasonable and the potential to cause disturbance to us and other local residents would be high.

Our second concern is the potential for the delivery drivers to cause noise and/or obstruction in Bulstrode Street, which could easily occur as they are waiting around for orders, and possibly the noise of driving motorbikes or vehicles away. We have no objection to them parking and waiting in Thayer Street where the pavement is wider and there is already more traffic.
