Status:	Withdrawn

I refer to the application for a New Premises Licence number for the above premises, which is located in the West End Cumulative Impact area.

This representation is based on a plan dated January 2016 submitted with the operating schedule.

The applicant is seeking the following licensable activities:

1. Supply of Alcohol for 'Off' the premises, Monday to Sunday from 11:00 to 22:00 hours.

I wish to make the following representations:

1. The Supply of Alcohol 'Off' the premises and for the hours requested may have the effect of increasing Public Nuisance in the area and impact on Public Safety.

Conditions have been offered in the operating schedule and these are under consideration.

The applicant is asked to contact the undersigned to arrange a site visit to assess the premises and ensure the premises is satisfactory and following this, additional conditions may be recommended to Environmental Health to support the licensing objectives Prevention of Public Nuisance and Public Safety.

The granting of the new premises licence as presented would have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety within the West End Cumulative Impact area.

Responsible Authority:	Metropolitan Police Service
Representative:	PC Mike Day
Received:	18 th February 2016

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, will be making a representation. It is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated within the West End Cumulative Impact Area, a locality where this is traditionally high crime and disorder. There are major concerns that this application will cause further policing problems for the Metropolitan Police, British Transport Police and Transport for London in an already demanding area and add to the cumulative impact.

Note: The Metropolitan Police have also provided statements from British Transport Police and the TFL Station Supervisor. These are attached at Appendix A2.

This is a statement that relates to the impact the sale of intoxicating liquor might have on LEICESTER SQUARE tube station.

I am a police constable within the British Transport Police and have spent approximately 18 months on the Piccadilly Line Neighbourhood Policing Team. LEICESTER SQUARE is one of the stations that my team cover and we have extensive experience of policing within the station.

LEICESTER SQUARE tube station is located within the centre of what is considered the 'Entertainment District' of London. There are hundreds of bar's, restaurants, casino's and nightclubs within a short walk of the station. During the evenings, particularly between Thursday & Saturday, thousands upon thousands of people travel through LEICESTER SQUARE tube station on route to these many venues. Increasingly, the people who use LEICESTER SQUARE tube station as their destination have already consumed a high amount of alcohol prior to travelling. Once in the station, and on the wider tube network, these people can pose a high risk to both themselves and others. During the past commuters already under the influence of high levels of alcohol have caused injuries to themselves and others through falling onto live railway tracks, or falling down stairs and moving escalators. These incidents have, on more than one occasion, resulted in the closure of all or parts of the station in order for individuals to receive urgent medical treatment.

During my time policing LEICESTER SQUARE, I have been called upon to deal with several incidents in which members of staff have been verbally abused or physically assaulted by commuters within the ticket hall area of the station. The majority of suspects in these cases have been heavily intoxicated and are at the start of their night out or are on their way home following an evening of heavy drinking. There have also been several occasions where alcohol has played a major part in physical violence between commuters.

Anti-social behaviour is greatly increased during the evenings, between Thursdays and Saturdays, mainly due to people who have been drinking and then chose to travel through LEICESTER SQUARE tube station. They make it uncomfortable for other commuters and can be intimidating towards the more elderly travellers.

With the granting of an alcohol licence to the shop at LEICESTER SQUARE, I can only see the above problems becoming worse. Many people on their way out or travelling home after a night of drinking will see it as an opportunity to consume even more alcohol, resulting in more physical injuries, more assaults on staff and more physical violence between commuters. And with the launch of the 24 hour tube service approaching, the above problems along with the sale of alcohol within the station will only increase the problems already encountered by staff and police. Many people on their way home will see the opportunity to buy an alcoholic drink for the journey home and become further intoxicated, therefore increasing the risk to their personal safety and to others travelling on the network.

TFL railway byelaw 4, in short, states that it is an offence for anyone to be on the tube network while in possession of intoxicating liquor or to be on the network while unfit to travel through intoxication. Selling alcohol within the confines of the station would seem to be encouraging commuters to break the law.

I am the Sergeant for the Piccadilly Line Central Team and one of the stations that we cover is Leicester Square.

Leicester Square is situated in the "entertainment district" of London and is a very busy station, especially during the evening and at weekends. There are a great number of restaurants, bars, pubs and clubs in the area, which are all a short walk from the station. Leicester Square is used by thousands of people each evening to go to these venues, increasingly the people who are travelling to these locations have drunk a high amount of alcohol prior to travelling, and more alcohol is then consumed at the venues. This poses a high risk to their own safety when travelling on the railway network and increases the risk to the staff members who work at this station, who are more likely to be subjected to abuse and violence.

I have seen first hand the dangers of people who have drunk high volumes of alcohol and then go on to the rail network, these range from falling over and not being able to walk, to falling down escalators and suffering serious injuries, to even being killed, having falling in front of a train.

Violence and public order offences are two of the highest crime types at Leicester Square station; these peak during the evening and at weekends and are more often than not fuelled by alcohol.

In my opinion, granting the licence for SHOP 1 at Leicester Square will only help increase the levels of violent and public order offences we already see at the station. I have spoken to members of the TFL staff who work there, and they fear that they will be subjected to even more abuse if the sale of alcohol is allowed. They already have to manage and look after a very challenging station, due to the already high level of drunken people travelling through. The shop is located in the booking hall which does get over crowded and is a flash point for violence and abusive behaviour. I feel that the selling of alcohol, which is in the form of glass bottles and cans means that people will have a ready made weapons to use. Both glass bottles and cans can cause very serious injuries, this poses a risk to staff, other travelling public and officers policing the station.

There is in fact Railway Byelaw 4 which TFL have in place which is a ban on carrying open containers and drinking of alcohol on there stations and trains. People who enter the station to buy alcohol will be doing so to then consume it on there journey home, there are plenty of off licences in the vicinity for people who want to drink outside. This seems to me that there is a danger of it engorging people to drink on the underground and potentially committing offences.

British Transport Police are committed to providing a safe environment for the TFL staff to work and for the public to travel on. We are facing challenging times with regards to policing resource levels and I feel this will only increase these pressures as we would see an increase in offences and need more resources to police the station.

In closing, I do not believe that this licence should be granted.

MY NAME IS DAVID DELLAR AND I AM A STATION SUPERVISOR AT LEICESTER SQUARE TUBE STATION. I HAVE BEEN BASED AT THE STATION FOR ABOUT 12 YEARS. THIS STATEMENT RELATES TO THE IMPACT THAT ALCOHOL BEING SERVED WITHIN THE STATION MAY HAVE

I AM CONCERNED THAT THE SALE OF ALCOHOL WITHIN THE STATION WILL LEAD TO AN INCREASE IN THE AMOUNT OF STAFF ASSAULT THAT TAKE PLACE. PEOPLE WHO ARE ALREADY DRUNK WILL BUY MORE ALCOHOL WHICH WILL CAUSE THEM TO BECOME MORE ABUSIVE AND PHYSICALLY THREATENING TOWARDS STAFF. MANY PEOPLE WHO VERBALLY & PHYSICALLY ABUSE STAFF ARE ALREADY DRUNK SO GIVING THEM THE CHANCE TO DRINK MORE ALCOHOL WOULD POTENTIALLY INCREASE THE RATE AND SEVERITY OF THESE OCCURRING. THERE IS ALSO A HIGH RISK OF PEOPLE WHO HAVE BEEN DRINKING BECOMING INVOLVED IN FIGHTS THROUGHOUT THE STATION, WHICH POSES A RISK TO OTHER

Continuation of Statement of: DAVID DELLAR Page No. 2 of

COMMUTERS ALONG WITH STAFF MEMBERS. EMPTY BOTTLES AND CANS WHICH ARE LEFT LAYING AROUND COULD POTENTIALLY BE USED AS WEAPONS.

COMMUTERS WHO CARRY ON DRINKING WHILE ON THE TUBE ARE ALSO A RISK TO THEMSELVES. THEY MAY BECOME UNSTEADY ON THEIR FEET AND COULD EASILY FALL DOWN ESCALATORS ~~ON~~ OR ONTO THE TRAIN TRACKS.

AS DRINKING ALCOHOL WITHIN THE STATION AND ON THE TUBE IS AGAINST THE LAW, HOW WOULD WE BE ABLE TO STOP PEOPLE BUYING ALCOHOL IN THE SHOP THEN DRINKING IT ON THE TRAIN?

~~OTHER~~ OTHER MEMBERS OF THE PUBLIC WOULD PROBABLY FEEL THREATENED IF PEOPLE, WHO ARE ALREADY BEING ROWDY, ARE STILL DRINKING ON THE TUBE AND BEING LOUD AND BOISTEROUS
