Dear Councillor Davis

**The Town and Country Planning (General Permitted Development) (England)
Order 2015
Direction Under Article 4(1) Relating to the Entire Area of the City of
Westminster (Basement Development)**

I refer to your letter dated 31 July 2015 notifying the Secretary of State that above-mentioned Direction was made on 22 July 2015.

You are reminded to advise the Secretary of State about confirmation of the Direction in those circumstances as set out in the regulations. It would also be helpful to know if the Council decides in due course not to confirm the Direction.

Yours sincerely

Kevin White
