New licensed premises in the West End Cumulative Impact Area

The proposal is for a new licensed premises situated at the heart of the West End Cumulative Impact Area, on a street that includes a large number of private residences. The new Sale by Retail of Alcohol licensable activity is of particular concern, with reference to Westminster City Council stress area and cumulative impact policy. Such new licences should be prohibited. These venues destroy residential amenity over a wide area through noise nuisance as patrons disperse. We note with concern that such a licence could be given to an A1 bubble tea establishment, which (i) is not in accordance with licensing objectives, and (ii) already has plenty of licensed premises in the immediate vicinity (i.e. next-but-one to The White Horse pub on the left, four doors down from The Yard bar on the right, and opposite the Rupert Street bar - all three of which are busy venues).

Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas. For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1. (ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.
Policy PB2 applies	It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.
