2. Representations

2-A Responsible Authorities	
Responsible Authority:	Environmental Health Consultation Team
Representative:	Mr Anil Drayan
Received:	15 th August 2016

I wish to make the following representations based on the plans submitted and the supporting operating schedule:

1. The hours requested for and the Supply of Alcohol 'On' and 'Off' the premises may lead to an increase in Public Nuisance in the West End Cumulative Impact Area
2. The hours requested for Late Night Refreshment may lead to an increase in Public Nuisance in the West End Cumulative Impact Area

Environmental Health also makes the following comments:

- Some conditions and undertakings have been offered in the operating schedule and these are under consideration. However it is noted that the terms offered for the provision of alcohol may not be consistent with Westminster's Statement of Licensing policy in the West End Cumulative Impact Area eg how entrance to bar for the public is controlled, how many 'bona fide' guests permitted per resident etc.
- It is not clear from the application if the premises have already undergone refurbishment for the proposed use. The premises will in any case need to be inspected for Public Safety prior to public use and it is noted that the 'works' condition has been offered in the application.
- The provision of sanitary accommodation for any proposed capacity must be in line with British Standard 6465 in order to help with preventing an increase in Public Nuisance in the West End Cumulative Impact Area

The premises will also need to be assessed for its food preparation/cooking facilities in order to evaluate whether Public Nuisance may arise from odour and/or the operation of any plant and machinery. Also further clarification is sought on the use of any external area particularly on its hours of use.

Responsible Authority:	Metropolitan Police Service
Representative:	Mr Bryan Lewis
Received:	17 th August 2016

We are objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Cumulative Impact Area, a locality where there is traditionally high levels of crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

2-B Other Persons			
Name:	Diana Matheou		
Address and/or Residents Association:	55 Frith Street		
Status:	Valid	In support or opposed:	Opposed
Received:	16 th August 2016		

I'm a resident 55, Frith Street living on the corner of Bateman Street. The work on this new hotel has been going on since June 2014 directly below my window and those of my neighbours. The build surrounds the Dog and Duck pub where there are also residents as there are to its left in Frith Street.

Apart from a letter informing us of road closures there has been absolutely no consideration for us during this lengthy development. We have all had to suffer every aspect of dismantling and construction in our tiny stressed streets not to mention the huge amount of polluting dust.

Soho Bau Ltd made no representation or compensatory communication during any of this time. This is a community and one which Westminster deems valuable and unique not least because its character creates huge amounts of money.

Of course a new hotel needs a license but doubtless there 'll be a function room and/or a bar which will likely be open to the public and extended hours asked for which willy-nilly Westminster appears to grant without restriction.

We live in a West End Cumulative Impact Area (WECIA) - the lack of care and consideration so far for its residential and business neighbours shows Soho Bau Ltd to be an unwelcome member of our community.

We need to embrace the whole , not blinkered and blind think only of singular interest. Soho will lose in the end.
