Received:	27 July 2016
<p>I wish to make the following representation:</p> <ol style="list-style-type: none"> The provision and hours requested for late night refreshment will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the West End Cumulative Impact area The supply of alcohol and hours requested will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the West End Cumulative Impact area 	

The applicant has provided conditions in support of the application which is being considered but do not fully address the concerns of Environmental Health.

The applicant is asked to contact the undersigned to arrange a site visit to assess the premises to ensure the premises is satisfactory and following this, additional conditions may

be recommended by Environmental Health to support the licensing objectives Prevention of Public Nuisance and Public Safety.

The granting of the application as presented would have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety within the West End Cumulative Impact area.

On 7 September 2016, Environmental Health proposed further conditions which can be found at **Appendix 4**.

2-B Other Persons

Name:	Mr David Gleeson		
Address and/or Residents Association:	The Soho Society St Anne's Tower 55 Dean Street London W1D 6AF		
Status:	Valid	In support or opposed:	Opposed
Received:	12 August 2016		

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area.

New licensed premises in the West End Cumulative Impact Area

The proposal is for a new licensed premises situated in the West End Cumulative Impact Area. The new Sale by Retail of Alcohol licensable activity is of particular concern, with reference to Westminster City Council cumulative impact policy. Such new licences should be prohibited. These venues destroy residential amenity over a wide area through noise nuisance as patrons disperse.

The trading name and nature of the business has not been made clear from the application. We feel it is necessary at a minimum to include the following conditions to ensure the premises does not become a problematic 'vertical drinking' establishment:

MC38 The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.

MC39 The supply of alcohol shall be by waiter or waitress service only.

Hours of operation

The proposal includes licensable activities, including sale of alcohol, outside of Westminster core hours. The premises are in the West End Cumulative Impact Area.

There are private homes in nearby buildings, and residents in the immediate area are subject to noise and general nuisance every night of the week. We therefore feel it is necessary to keep the operating hours within defined core hours, namely Monday to Thursday 10am – 11.30pm, Friday and Saturday 10 am – 12 midnight and Sunday 12 noon – 10.30 pm.

Statement of Licensing Policy

The following are section of Westminster City Council is appropriate in this case: 2.4.23 'The extension of hours beyond core hours is of concern as there are greater problems of late night transport and disturbance. Late at night there is less masking background noise and disturbance is greater if people are trying to sleep or are woken up.'

Licensing policy and cumulative impact

The Licensing Authority recognises in its Statement of Licensing Policy 2016 that Westminster has a substantial residential population and that the Council has a duty to protect it from nuisance (Policy 2.2.10).

This area has been identified by the City Council (Policy 2.4.1)) as a cumulative impact area because the cumulative effect of the concentration of late night and drink led premises and/or night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The Policy states that the extent of crime and disorder and public nuisance...arises from the number of people there late at night; a particular number of them being intoxicated, especially in the West End Cumulative Impact Area (Policy 2.4.1).

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (Policy 2.4.5). The policies are intended to be strict and will only be overridden in 'genuinely exceptional circumstances' (Policy 2.4.2).

The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from the problems identified in the 'Characteristics of Cumulative Impact Areas' (Policy Appendix 14). These include, but are not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

Conclusion

Para 9.37 of the s182 Guidance requires the licensing authority to determine the application with a view to promoting the licensing objectives in the overall interests of the local community.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
Policy HRS1 applies	<p>(i) Applications for hours within the core hours will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours will be considered on their merits, subject to other relevant policies and with particular regard to the criteria specified.</p>
Policy RNT2 applies	Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact Areas.
