<p>I wish to make the following representation:</p> <ol style="list-style-type: none"> 1. Provision of late night refreshment and the hours requested will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the West End Cumulative Impact area. 2. The provision and hours requested for the Supply of Alcohol will have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the West End Cumulative Impact area. <p>The granting of the application as presented would have the likely effect of causing an increase in Public Nuisance and impact on Public Safety within the West End Cumulative Impact area.</p> <p>The plan submitted shows only one public WC and no staff toilet. The applicant is required to indicate what capacity is being sought in order to make assessment regarding compliance British Standard 6465 -1:2006 + A1:2009; Table 10.</p> <p>The applicant has provided some conditions in support of the application which are being considered but do not fully address the concerns of Environmental Health.</p>

Representative:	PC Toby Janes
Received:	16 September 2016
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, make a representation against the above application.</p> <p>It is our belief that if granted the application would undermine the licensing objectives in</p>	

relation to the prevention of crime and disorder as there are insufficient conditions within the operating schedule.

The venue is situated in the West End cumulative impact area, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

Police have proposed two further conditions (see **Appendix 4**).

<p>I would like to object to the extended hours of the licensing application, on the grounds of proliferation of new licensed premises in a residential area which is recognized as part of the West End Stress Area. There is already a large new licensed restaurant recently opened at 10 D'Arblay St which has increased noise levels on the street late at night. This is a small corner site and surely contravenes Westminster's policy not to allow endless proliferation in this already overcrowded area. There is also an ominous note about tables and chairs outside - please can this not happen, so another corner becomes impassable.</p>

Received:	20 September 2016
<p>I would like to make a representation on the grounds of Public Nuisance regarding the above application. Although the address is 37 Berwick Street the building is on the corner of Berwick and D'Arblay Street and the entrance is effectively on D'Arblay Street, only seconds from other establishments serving alcohol. There have been serious noise (music and people) problems from such establishments over the last several years and my belief is that having another establishment serving alcohol just metres away will make the problem worse. This new establishment is in a tiny space with no basement and people will spill out on to the pavement, or hang around, which is already happening with other premises very close by. This venue will create a "cluster" of venues serving alcohol in very close proximity which will certainly make living here worse. I know of several residents on this street in the last few years who felt they had no choice to leave because of the changing environment. I also hear from third parties that this company has a habit of playing loud music at their other establishments. This is simply not appropriate for this location and alcohol will make it worse.</p> <p>There are already 9 places serving alcohol on this small street, including two that serve burgers daily! There is no reason for a third and every reason why there should not be. I</p>	

would be extremely grateful if you would turn down this application.

Name:	Mr David Gleeson
Address and/or Residents Association:	The Soho Society St Anne's Tower 55 Dean Street London W1D 6AF
Received:	28 September 2016

I write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area.

New licensed premises in the West End Cumulative Impact Area

The proposal is for a new licensed premises situated in the West End Cumulative Impact Area. The new Sale by Retail of Alcohol licensable activity is of particular concern, with reference to Westminster City Council cumulative impact policy. Such new licences should be prohibited. These venues destroy residential amenity over a wide area through noise nuisance as patrons disperse.

Hours of operation

The proposal includes licensable activities, including sale of alcohol, outside of Westminster core hours. The premises are in the West End Cumulative Impact Area. There are private homes in nearby buildings, and residents in the immediate area are subject to noise and general nuisance every night of the week. We therefore feel it is necessary to keep the operating hours within defined core hours, namely Monday to Thursday 10am – 11.30pm, Friday and Saturday 10 am – 12 midnight and Sunday 12 noon – 10.30 pm.

Licensing policy and cumulative impact

The Licensing Authority recognises in its Statement of Licensing Policy 2016 that Westminster has a substantial residential population and that the Council has a duty to protect it from nuisance (Policy 2.2.10).

This area has been identified by the City Council (Policy 2.4.1)) as a cumulative impact area because the cumulative effect of the concentration of late night and drink led premises and/or night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The Policy states that the extent of crime and disorder and public nuisance...arises from the number of people there late at night; a particular number of them being intoxicated, especially in the West End Cumulative Impact Area (Policy 2.4.1).

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (Policy 2.4.5). The policies are intended to be strict and will only be overridden in 'genuinely exceptional circumstances' (Policy 2.4.2).

The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the

sustainability of the community. Soho has a substantial residential community and many of these residents suffer from the problems identified in the 'Characteristics of Cumulative Impact Areas' (Policy Appendix 14). These include, but are not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

Conclusion

Para 9.37 of the s182 Guidance requires the licensing authority to determine the application with a view to promoting the licensing objectives in the overall interests of the local community.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

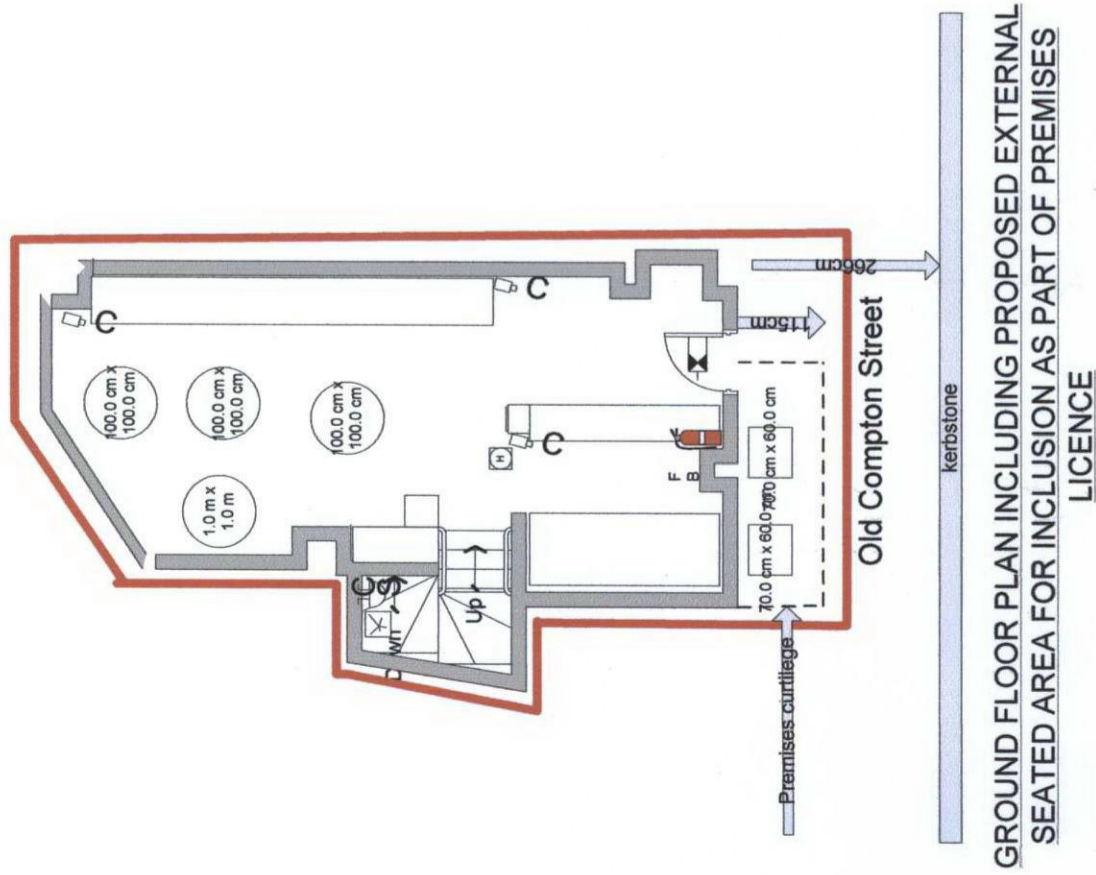

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1. (ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.
Policy RNT2 applies	Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact Areas.
