As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety

The premises is located within the West End Cumulative Impact and as such a number of policy points must be considered.

It should first be noted that we welcome the consideration that has been made in the submission of this application and how the applicants will address the licensing objectives.

The Licensing Authority remains concerned the granting of this this application will lead to additional people consuming alcohol in the C.I.A. All applicants within the C.I.A must demonstrate that if granted, they will not add to the cumulative impact.

The premises wishes to offer alcohol only as ancillary to the premises operating as café and served by a waiter/waitress seated at bar or counter. We would like to understand better the type of food that would usually be sold with the alcohol, we can currently only see an explanation of bread and oils whilst waiting for food to be delivered. We believe that there is scope to amend the below condition to assist the applicants to demonstrate better the proposed operation style.
The premises shall only operate as a restaurant
(i) in which customers are shown to their table,
(ii) where the supply of alcohol is by waiter or waitress service only,
(iii) which provide food in the form of substantial table meals that are prepared on the
premises and are served and consumed at the table using non disposable crockery,
(iv) which do not provide any take away service of food or drink for immediate
consumption,
(v) which do not provide any take away service of food or drink after 23.00, and
(vi) where alcohol shall not be sold or supplied, otherwise than for consumption by
persons who are seated in the premises and bona fide taking substantial table meals
there, and provided always that the consumption of alcohol by such persons is ancillary
to taking such meals.

Notwithstanding this condition customers are permitted to take from the premises part
consumed and resealed bottles of wine supplied ancillary to their meal.

Please accept this as formal objection but we look forward to working with you in the
near future to address the concerns listed above.

Responsible
Authority: Environmental Health Consultation Team
Representative: Mr Maxwell Koduah
Received: 25th August 2017

I refer to the application for a New Premises Licence number for the above premises
located in the West End Cumulative Impact area.

This representation is based on plans of basement and ground floor by Brimelow
McSweeney ref. 1322-0100 submitted with the operating schedule.

The applicant is seeking the following licensable activities:

1. Supply of Alcohol for consumption “On” & ‘Off’ the premises at the following
times:
   Monday to Wednesday: 11:00 - 21:00 hours
   Thursday to Saturday: 11:00 – 22:00 hours
   Sunday: 11:00 – 19:00 hours

2. Playing of recorded music “Indoors” at the following times:
   Monday to Wednesday: 07:30 - 21:00 hours
   Thursday to Friday: 07:00 – 22:00 hours
   Saturday: 08:30 – 22:00 hours
   Sunday: 10:00 – 19:00 hours

I wish to make the following representations:

1. The supply of alcohol and the hours requested may have the likely effect of
   increasing Public Nuisance and impact on Public Safety within the West End
Cumulative Impact area.

2. The hours requested to play recorded music may have the likely effect of increasing Public Nuisance within the West End Cumulative Impact area

Conditions have been offered in the operating schedule and these are under consideration.

The applicant is asked to contact the undersigned to arrange a site visit to assess the premises to ensure the premises is satisfactory and following this, additional conditions may be recommended by Environmental Health to support the licensing objectives Prevention of Public Nuisance and Public Safety.

The granting of the new premises licence as presented would have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety within the West End Cumulative Impact area.

With reference to the above application, I wish to inform you that the Metropolitan Police, as a responsible authority, are making a representation. It is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated inside the **West End Cumulative Impact Area**, a locality where this is traditionally high crime and disorder but I believe this application may cause further policing problems in the area which I will be looking into further.

We will be in touch shortly to discuss this application in more detail.

In the meantime if you have any further questions, please do not hesitate to contact me.

I write to make a relevant representation in respect of this application on the grounds of 'prevention of public nuisance'.

I live at Henrietta Street. My flat is therefore in very close proximity to the applicant premises. I am primarily concerned that the sale of alcohol, particularly under the conditions proposed by the applicant, and the terminal hour applied for will be detrimental in terms of public nuisance.

I made a representation in respect of the recent application for a new premises licence for the premises, which was rejected as being invalid. I note that this application is wider in scope in that it seeks off sales. Any permission for off sales would need to be conditioned so that alcohol will not be consumed outside the premises. I also note that despite the representations from the responsible authorities referring to paras 2.4.17 and 2.4.22 of the City Council's Statement of Licensing Policy, the applicant still seeks a terminal hour well beyond 8pm and without any meaningful conditions tying the sale of alcohol to being ancillary to a meal.

I am particularly concerned about the 'creep' of licensed premises in Henrietta Street, having attended a hearing for no32 Henrietta Street only a few weeks ago. I am aware of problems on Maiden Lane, a street of similar length to Henrietta Street, and am very keen to ensure that similar problems do not begin to arise on Henrietta Street. This goes directly to the issue of 'cumulative impact'.

1. The premises could still operate as a bar under the licence applied for, even if this is not the applicant's intention.

2. Sale of alcohol may lead to customers drinking outside in the close proximity of my flat. My doorway is an unfortunately convenient potential resting point for drinkers and an existing resting point for smokers. I would need to be reassured that customers would neither smoke nor drink in this area.

3. The application as it stands is contrary to the Council's Statement of Licensing Policy CIP1 and PB2, which both indicate a refusal of an application unless the applicant can demonstrate 'genuinely exceptional circumstances.' This is my preferred outcome.

4. If the Sub-Committee nevertheless considers that the application falls within paras 2.4.17 to 2.4.22 of the Policy, then I request that the terminal hour for licensable activities and the closing time be 8pm, in line with those sections of the Policy. It is noted that the police and Environmental Health have previously requested an 8pm terminal hour too, on the same basis.

5. Smokers should be directed to the right hand side of the premises as you face away from the premises, away from my doorway.

6. There should be no tables and chairs outside.
7. The application includes sale of alcohol for consumption 'off' the premises. Any permission for off sales would need to be conditioned so that alcohol will not be consumed outside the premises and I would need to be reassured of the applicant's ability to prevent this happening.

8. Music is stated to be at 'conversational levels'. This would not require permission for the licensable activity of 'recorded music', and this should be withdrawn.

9. 'On' sales of alcohol is stated to be 'only with the provision of food'. This is quite vague. It does not, in my opinion, prevent the premises operating as a bar, although I note that a condition has now been proposed that the operation of the premises for the sale of alcohol shall be ancillary to the function of the premises as a café.

I would be grateful if you would acknowledge the receipt of this email so that I know my objections to this application have been logged.

I confirm that I would like to attend the hearing if I am able, and I look forward to notification in due course.
