1. Executive Summary

- 1.1 This report invites LivingCare to present the proposed changes to the service provided by Soho Square General Practice. The Committee will receive a presentation from Dr Stephen Feldman (Medical Director) and Chris Garner RE (Retd) (Mobilisation & Transformation Director) as well as hear views from the Patient Participation Group.

The presentation from LivingCare is attached to this report.

2. Key Matters for the Committee's Consideration

- What are the proposed changes to the service at Soho Square General Practice?
- What effects would the proposals have on the unique community the practice serves?
- How can the provider best meet engage and consult with service users and residents?

3. Background

- 3.1 Soho Square General Practice provides GP primary medical services to approximately 4,000 patients living in Westminster. The patient population groups served by the practice include a cross-section of socio-economic groups with a high prevalence of patients from Chinese ethnic backgrounds.
