2. Representations

2-A Responsible Authorities	
Responsible Authority:	The Licensing Authority
Representative:	Daisy Gadd
Received:	6 th February 2018
<p>I write in relation to the application submitted for a New Premises Licence for Inigo, situated at 33 Great Windmill Street.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:</p> <ul style="list-style-type: none"> · Public Nuisance · Prevention of Crime & Disorder · Public Safety · Protection of children from harm <p>The premises is located within the West End Cumulative Impact area and as such a number of policy points must be considered, namely CIP1, RNT2, PB2 and OS2.</p> <p>The premises currently falls within PB2 and as such it is the Licensing Authorities policy to refuse applications in the cumulative impact areas. Additionally, paragraph 2.5.23 of the Council's Statement of Licensing Policy 2016 states that the "grant of new licences for pubs and bars in the Cumulative Impact Areas should be limited to exceptional circumstances". At present, there are insufficient conditions offered by the applicant to evidence that this application can be viewed as an exception to policy.</p> <p>Furthermore, this is an application for a new premises licence within the cumulative impact area and as such the applicant has not demonstrated how the additional people</p>	

will not add to cumulative impact within the cumulative impact area.

The Licensing Authority has considered paragraph 2.4.21 of the Council's Statement of Licensing Policy 2016 which highlights that the council considers that where applications for licenses to sell alcohol for consumption on the premises are made and "when the sale of alcohol is not permitted beyond 20:00 hours" that the premises is unlikely to add to cumulative impact in the cumulative impact areas. If the terminal hour sought for the sale by retail of alcohol was reduced from 22:00 hours Monday to Saturday to 20:00 hours Monday to Saturday it would demonstrate that the applicant has gone some way in mitigating the concerns of adding to cumulative impact in the cumulative impact areas.

Subsequently, the Licensing Authority would like the applicant to consider agreeing to the following condition:

1. The premises shall only operate as a restaurant; where the supply of alcohol is only
 - i. provided with food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table,
 - ii. which do not provide any take away service of food or drinks for immediate consumption
 - iii. which do not provide any take away service of food or drink after 20:00 hours,
 - iv. where alcohol shall not be sold, supplied, or consumed on the premises otherwise than to persons who are seated in the premises and bona fide taking substantial table meals there and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

Finally, the Licensing Authority would be grateful if you could clarify what is intended when the supply of alcohol is for consumption off of the premises. Could you please provide further details on the types of alcohol sold, and if this would be supplied as ancillary to a take away meal?

Further discussions will be held with the applicants prior to the hearing and any further submissions will be forwarded on for Members information.

Please accept this as a formal objection.

Responsible Authority:	The Metropolitan Police
Representative:	PC Caroline Cockshull
Received:	22 nd February 2018

With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be making a representation against this application.

It is our belief that if granted the application would undermine the Licensing objectives in relation to the prevention of crime and disorder as there are insufficient conditions within the operating schedule.

The venue is situated in the West End cumulative impact area, a locality where there is traditionally high crime and disorder, and we have concerns that this application will cause further policing problems in an already demanding area.

Responsible Authority:	The Environmental Health Service
Representative:	Mr Maxwell Koduah
Received:	2 nd March 2018

I refer to the application for a New Premises Licence number for the above premises located in the West End Cumulative Impact area.

This representation is based on a ground floor plan dated September 2017 submitted with the operating schedule.

The applicant is seeking the following licensable activities:

1. Supply of alcohol for consumption "On" the premises Monday to Saturday from 12:00 to 22:00 hours

I wish to make the following representations:

1. The supply of alcohol and the hours requested may have the likely effect of increasing Public Nuisance and impact on Public Safety within the West Cumulative Impact area.

In a site visit/meeting, applicant was advised that as presented, the application did not comply with para 6.11 (a) & Table 10 of BS6465-1:2006. Applicant was also referred to the case involving GREGGS and Hull city where Greggs was ordered to provide toilets or loose eats at two of their premises. In response, applicant confirmed that as part of its lease agreement, his staff and customers had access to two toilets at Harm Yard Hotel. This will be discussed further as additional information is required in that regard.

The applicant has provided some conditions in support of the application which are being considered but do not fully address the concerns of Environmental Health

The granting of the new premises licence, as presented, would have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety within the West End Cumulative Impact area.

3. Policy & Guidance

<p>The following policies within the City Of Westminster Statement of Licensing Policy apply:</p>	
<p>Policy CIA1 applies:</p>	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p>
<p>Policy HRS1 applies:</p>	<p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p> <p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>
<p>Policy RNT2 applies:</p>	<p>Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact Areas.</p>

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
