2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service (withdrawn)
Representative:	PC Adam Deweltz
Received:	28 December 2017
<p>With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be making a representation against this application.</p> <p>The venue is situated within the Cumulative Impact Area. It is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder.</p> <p>Following the agreement of conditions, the Metropolitan Police Service have withdrawn their representation.</p>	
Responsible Authority:	Licensing Authority
Representative:	Ms Shannon Pring
Received:	12 January 2018
<p>I write in relation to the application submitted for a New Premises Licence for the following premises –</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:</p> <ul style="list-style-type: none"> • Public Nuisance • Prevention of Crime & Disorder • Public Safety <p>The premises is located within the West End Cumulative Impact and as such a number of policy points must be considered.</p>	

The Licensing Authority notes that in support of the Council statement of licensing policy and following a meeting with the responsible authorities at the premises, the applicant has agreed to add the following conditions to the operating schedule:

1. The sale of alcohol on the premises shall be by waiter/waitress service only to persons seated at tables or the fixed seating areas.
2. There shall be no sales of alcohol for consumption off the premises.

We also acknowledge that the hours of operation and for licensable activities, as applied for, fall well within the council's core hours policy.

However, the premises is to be considered in conjunction with CIP1 as it is an application for a new premises licence within the cumulative impact area and as such it is for the applicant to demonstrate how the additional 30 people will not add to cumulative impact within the cumulative impact area.

Furthermore, please be aware that paragraph 2.5.23 of the council policy states that the 'grant of new licences for pubs or bars in the Cumulative Impact Area should be limited to exceptional circumstances'. The list of examples of what may be considered an exceptional circumstance can be found at paragraphs 2.4.2 – 2.4.13 of the Council's Statement of Licensing Policy.

Please accept this as a formal objection.

2-B Other Persons

Received: 14 January 2018

I write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Cumulative Impact Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy 2016.

Application summary

This café, adjacent to Sohostel towards the north end of Dean Street, is applying for a licence to sell alcohol.

Hours of operation

The café is open seven days a week from 10.00-19.30 and the application seeks to sell alcohol from 10.00-19.00 on each day. Given that there is a large Tesco supermarket across Dean Street from the premises where alcohol can easily be purchased, as well as The Nellie Dean pub at no. 89, we wonder exactly why another premises is applying for an alcohol licence in the heart of the West End Cumulative Impact Area. If Westminster see fit to grant this application, we would ask that it is at least brought within core hours, with regard to Sunday morning, which is the only quiet time nearby residents can experience during the entire week.

Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area. I respectfully urge the Licensing Sub-Committee to reject this application.

Further Correspondence from Mr Richard Brown on behalf of the The Soho Society

I confirm that the Soho Society is maintaining its representation due to

- i) the Sunday commencement hour being outside of core hours, and
- (ii) that the application may be contrary to Policy, and would like further details from the applicant on the proposed operation e.g. the nature and extend of the food offer.

With reference to the criteria in para 2.4.22 of the Policy the Soho Society notes that it is currently unclear whether there is a physical bar; if the licensed area will remain under management of the premises licence holder, with the licence being limited to their personal use?; if consumption of alcohol is restricted to an area integral to part of the premises, with access to that area only through the premises and with no direct access to the street?

The Soho Society would need some clarification on these points in order to be satisfied that the application would not add to cumulative impact.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIA1 applies:	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas..</p>
Policy HRS1 applies:	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>
Policy PB2 applies:	It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1

4. Equality implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

Statement mitigating cumulative impact in respect of the Premises Licence application for The Larder@Soho, Sohostel, 91-92 Dean Street, London W1D 3SY.

These premises occupy a small part of the building used by One Housing as Sohostel, which is Licensed Premises in respect of two current Premises Licences authorising the retail sale of alcohol. There have been no incidents in respect of either of these Licences. Had the Premises not been located within the Cumulative Impact Area, a variation would have been sought and not a new application.

One Housing are a charitable organisation offering housing and employment opportunities to persons less fortunate. Profits from schemes, such as Sohostel, are reinvested to fund other other projects throughout the capital. One Housing is steadfast in it's resolution to be a responsible Licensee not only for Sohostel, but other Licences held throughout the country, offering ongoing staff training, as well as giving some staff the opportunity to become Personal Licence Holders.

These Premises have been recently refurbished to be used as a café which is a useful addition to Sohostel, particularly for guests waiting to check in, and after checking out. If the licence were to be granted, it would be nice for guests to be able to enjoy a drink with non-residents as the bars within Sohostel are Licensed for residents only.

Given these premises are used as a cafe currently, there will be no increase in footfall within the area, and an advantage to having a Licence is that the Premises will be regulated.

Whilst it is accepted that alcohol related incidents may happen any time of the day the risk is reduced given the hours applied for.

Following a meeting at the Premises with the Licensing Authority, Police and Environmental Health, having discussed the objectives, my client has accepted various additional conditions including limiting the number of persons in the café at any one time to be 30.

I trust these additional measures, together with the conscientious way in which One Housing run all their Licensed Premises will demonstrate our belief that by granting this Licence will in no way have a negative impact on the Soho area

LICENSING SUB-COMMITTEE No. 1

Thursday 27 November 2014

Membership: Councillor Tim Mitchell (Chairman), Councillor Nick Evans and Councillor Aziz Toki

Legal Adviser: Kirsten Chohan
Policy Adviser: Chris Wroe
Committee Officer: Jonathan Deacon

Relevant Representations: Environmental Health, Licensing Inspector, The Soho Society and 1 x local resident.

Present: Ms Julia Edwards and Mr Stuart Ball (Applicant Company), Mr Stephen Smith (Environmental Health), Mr Richard Brown (Solicitor, Citizens Advice Bureau Licensing Advice Project – on behalf of The Soho Society and Ms Alice Dugdale), Mr David Gleeson (The Soho Society) and Mrs Dugdale (local resident).

One Housing Sohostel, West End House, 91-92 Dean Street, W1 14/08365/LIPN	
1.	Sale of Alcohol: On the premises – residents only
	Monday to Sunday 10:00 to 01:00.
	Amendments to application advised at hearing: None.
	Decision (including reasons if different from those set out in report): The Sub-Committee initially heard from Ms Edwards. One Housing Sohostel had been a homeless hostel and had been converted to tourist accommodation with all proceeds going to charity. It was intended that the sale of alcohol would be ancillary to its primary use as a hostel. If the brand was successful, it was intended to develop the Sohostel concept across London. The Applicant had worked with Environmental Health (EH) and the Police; consequently the application had been amended. The terminal hour had been brought back so that One Housing Sohostel would be operating until 01:00 Monday to Sunday. Ms Edwards stated that conditions had been agreed with the Responsible Authorities, subject to the Sub-Committee being minded to grant the application, including that alcohol would only be on-sales to residents only. There would be no external advertising of facilities and from 21:00 to 08:00 2 SIA registered door staff would be deployed at the premises. The consumption of alcohol would be restricted to the lobby area only. A suitable smoking area had been discussed with the Police.

Mr Smith for EH confirmed that as part of the discussions with the Applicant the terminal hour had been reduced. There was more than one floor with bedrooms and equipment which was in keeping with a hotel. There had been concerns regarding on and off sales. The Applicant had agreed that on-sales would be purely in the canteen area and had accepted that there would be no off-sales. Guests of hotel residents would not be allowed to drink alcohol on the premises

Mr Brown, representing The Soho Society and Mrs Dugdale, stated that his clients were seeking safeguards if the Sub-Committee was minded to grant the application. The conditions agreed between the Responsible Authorities and the Applicant went some way towards that. The Soho Society was requesting that food was made available. The major concern overall, particularly for Mrs Dugdale, was the use of the outside area. A proposed condition that no drinking be permitted outside was welcomed. There was however the potential for people collecting outside the premises. Mr Brown recommended that the designated smoking area was to the front and left of the premises, that the number of smokers was restricted and the outside area was monitored in line with the Council's Model Condition 71. Mr Brown stated that his clients were requesting that the Applicants operated Core Hours. The particular concern was that there was the potential for residents of One Housing Sohostel to visit other premises and drink alcohol, before returning and drinking more.

Mr Gleeson added that he believed the charity budget hotel would be a huge success and wished it well. However, he made the point that it is located in a popular area where people smoke outside and it was his view that granting the application would effectively be opening a new bar on the corner across from The Nellie Dean pub. Mrs Dugdale had experience of living near The Nellie Dean and Candy Bar for many years and she had observed that door supervisors at Vanity Nightclub and notices in windows in Candy Bar often did not have the desired effect of ensuring that the licensing objectives were promoted. Discussions between the door supervisors were often audible.

The Sub-Committee asked questions on the capacity of the premises. Mr Smith replied that the capacity of the premises was 155 if fully booked. EH stated that the acceptable capacity in the canteen area was 72. Mr Smith advised that food was available. There was a fully fitted kitchen and vending machines within the canteen area sold food and soft drinks. Mr Smith commented on the likelihood of customers leaving the premises to drink and then returning to drink more alcohol. He stated that EH had considered that there was in this instance greater potential for customers to go out into the Stress Area after Core Hours if alcohol could no longer be sold after that time. The 01:00 terminal hour would encourage customers to stay at the premises and relieve the impact on other premises within the Stress Area.

Ms Edwards responded to some of the points that had been raised by the objectors. She would welcome a limit on the number of smokers. The operation would be totally different from a bar or nightclub. The SIA registered staff would be directly employed and would not be from a security company. Ms Edwards and Mr Ball explained that vending machines would sell food and drink. Cold
