I wish to make Representations on the following grounds:

Environmental Health and Police COMMENTS AND PROPOSED CONDITIONS

Following a site visit

16th October 2018

No objection is made to the application to vary the layout of the premises.

The Issued Licence (Ref: 18/10896/LIPT) includes a Condition (No. 9) which means that the premises must operate as a restaurant, where alcohol is ancillary to a table meal. The applicant is advised to seek clarification about the proposed use of the external area immediately outside the front of the premises. It may be that Planning Approval is required for the placement of outside tables and chairs and an additional 'tables and chairs' Licence may be required for such use.

During the site meeting the Police recommended that the applicant give consideration to CCTV coverage of the proposed external seating area, even if this was from the inside and through the glazing of the shopfront.

Sales of alcohol for consumption off the premises should cease at 2300hrs as should take away food and/or deliveries. Outside tables and chairs should be rendered unusable or brought inside by 2300hrs.

The applicant is advised to ensure that there is suitable and sufficient sound insulation between the Licensed premises and the residential dwelling on the First Floor directly above so as to ensure that no nuisance is caused to the occupiers above. I note that Recorded Music is currently 'Unrestricted' by the Issued Licence and in this regard the applicant is advised to ensure that the noise control arrangements are sufficient so as to ensure that occupiers of adjoin residential dwellings do not suffer nuisance from the playing of amplified music at the premises, including from possible structure-borne sound energy.

There are currently some valid Representations from local residents in relation to this application. In the event that the matter is adjudicated at a Hearing of the Licensing Sub Committee it is likely that EH will maintain a Representation in order to assist the Committee in making its decision.

In addition to the Conditions proposed in the Operating Schedule, the following Conditions are proposed:

MC01 The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.

MC02 A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.

MC12 No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.

MC13 Loudspeakers shall not be located in the entrance lobby or outside the premises building.

MC16 There shall be no sales of alcohol for consumption off the premises after (23.00).

MC21 Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.

MC34 All waste shall be properly presented and placed out for collection no earlier than 30 minutes before the scheduled collection times.

MC35 No waste or recyclable materials, including bottles, shall be moved, removed from or placed in outside areas between (23.00) hours and (08.00) hours on the following day.

MC47 A Challenge 21 or Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.

MC48 A record shall be kept detailing all refused sales of alcohol. The record should include the date and time of the refused sale and the name of the member of staff who refused the sale. The record shall be available for inspection at the premises by the police or an authorised officer of the City Council at all times whilst the premises is open.

MC56 There shall be no sales of hot food or hot drink for consumption off the premises after 23.00.

MC81 No licensable activities shall take place at the premises until the premises has been assessed as satisfactory by the Environmental Health Consultation Team at which

time this condition shall be removed from the Licence by the licensing authority.

Responsible Authority: Metropolitan Police Service

Representative: PC Caroline Cockshull

Received: 16 October 2018

With reference to the above I am writing to inform you that the Metropolitan Police, as a Responsible Authority, make a representation against the above application.

It is our belief that if granted the application would undermine the Licensing objectives in relation to the prevention of crime and disorder as there are insufficient conditions within the operating schedule.

The venue is situated in the West End cumulative impact area, a locality where there is traditionally high crime and disorder, and we have concerns that this application will cause further policing problems in an already demanding area.

Following our site visit today, we will, in conjunction with Westminster City Council Environmental Health Department, be in touch shortly with conditions we would want to see attached to the operating schedule. If these are agreed to then the Police may be able to withdraw their objection.

I am a disabled resident of [REDACTED], have been for over thirty years. Due to health issues I take a number of medication, my mobility is quite limited. Never in my wildest dreams when moving here would I have thought the amount of applications for hotels being built, scaring the beautiful historic builds and what Soho is all about. During the last twenty years there has been an influx of new builds [hotels] and "restaurants/cafe/bar, applying for new applications [light cosmetic] work

THE OBJECTION

When this particular premises was trading under the name of, Billy and the Chicks, their, total disregard for towards neighbours. My flat looks outwards this particular premises.

1. "Licence cart-blanch", own large portion walk way (St. Anne's Court)
2. Alcohol -sold to customers who took of premises

3. Outside seating attracts, lots of pigeons (eat off the table)
- 4 Live music being played (not in the licence?)
5. Seating attracts those taking class A drugs,
6. Evening comes, already large group of people hovering around, by 20-00pm group of twenty five outside both smoking, drinking, regularly, go on till way past midnight!
7. I recollect one evening attracted a group of "musicians", instruments, drum, guitar, trumpet loud singing, "simulated a disco", staff took no action

STRONGLY OBJECT "NEW LICENCE"

1. "Staying open till 00:30am NO
 - a. Will attract too many "customers,who would normally not stop",
 - b. alcohol will be brought
2. Noise level increase
3. Litter=increase
4. Selling alcohol =written too
5. NO TO TAKE AWAY "restricting those sales in sealed containers, ancillary,takeaway food purchases:"
6. NO to alcohol being bought then off premises," (b) restricted to alcohol consumed in the external", NEED TO BE CLEARER
7. NO- extension of Alcohol "licence",
8. NO-all night live music
9. NO-Monday to Friday 11-00pm

I strongly object to this license made by 27-28 St Anne's Court on the grounds that it wholly unacceptable in this location.

We have historically had issue with restaurants along St. Anne's Court and the noise and disruption that they cause to the residents who live here. The nature of the narrow walkway acts as an echo chamber, so all noise generated from people bounces up between the buildings and causes great disruption so those living above it.

For these premises to then be offering take-away food AND alcohol, and basically acting as an off-license and inviting people to be hanging around eating and drinking is totally impermissible!

St. Anne's Court has unfortunately been a meeting point for drug addicts and drunks for years and we cannot have such premises inviting even more of this anti-social behaviour to our doorsteps.

We also have an ongoing issue with rubbish along St. Anne's Court as there are no litter bins. Regularly wrappers from the previous proprietor (Billy and the Chicks) would be found dumped outside our front door. Not only making it very dirty and smelly, and seemingly an open invitation for others to dump more rubbish there, but also attracting

mice and rats.

I also have an issue with the requested hours of opening as 12:30 AM is not viable or considerate with residents living above and opposite them. I have a young son, who's bedroom opens onto St. Anne's Court, and it is unacceptable to have this restaurant running until that late hour.

I, and the other residents of Clarion House are very worried about this proposed license and will be seeking legal representation.

I'm writing to express my objections for the late licence of this venue proposal due to the noise nuisance and disruption it will cause to myself and my neighbours, many of whom are elderly or with young children.

Please strongly consider my objection and that of my neighbours, especially as in the past we've had a history of disruption from drunk punters, noise and rubbish outside our main door located one st Anne's Court.

This proposal will have a seriously detrimental impact on the lives of residents opposite. There are 21 social housing flats opposite (many with housebound elderly and disabled residents) on what is currently a relatively quiet walkway. The narrowness of the space between the restaurant and the flats funnels noise.

A licence such as applied for will lead to drinking and takeaways which will certainly lead to noise and disturbance.

The extension of the licence so late will lead to noise late into the night, indeed into the early hours.

I wish to strongly object to these premises being granted a licence for alcohol to be consumed off the premises or outside of premises for the following reasons: Our bedroom windows are slightly to the left of the premises on the opposite side of St

Anne's Court, as residents of [REDACTED] know from bitter experience of a bar situated in St Anne's Court in the past the noise from drinkers is intolerable and causes disturbances and problems sleeping. St Anne's Court is a narrow court and any noise just ricochets around the court bouncing off the buildings. There are plenty of bars in surrounding streets where drinking is allowed outside on the public streets and despite the best efforts of the bars to control the area in which drinking is allowed drinkers still obstruct the pavements. St Anne's Court is quite narrow and if drinkers were to be allowed to drink outside of the premises half the court would be blocked if uncontrolled. Clarion House is a block of 22 flats with elderly residents and residents with small children. I strongly object to this application on the grounds of noise and obstruction to the highway.

I write to object to the variation in the licence of the above premises. I object to the selling of alcohol off-site and to serving alcohol at tables in the narrow alley.

I live in the residential block across from the premises. The alley has been plagued with anti-social behaviour including begging, rough sleeping and drug dealing, all of which can make it a very intimidating place at night.

I feel that the music from Billy and the Chicks/Bowls and availability of alcohol over the counter so late at night will make this worse and attract more noise and disturbance to the area.

I write to object to the variation of the licence 18/11821/LIPV for Billy and The Chicks/BOWLS at 27 St. Anne's Crt W1F 0BN, for both the sale of alcohol offsite with takeaway food late night and to the serving of alcohol at outside tables in St. Anne's Court.

St. Anne's Court is a busy alley connecting Wardour Street with Dean Street. I live in the apartments at [REDACTED] St. Anne's Court, above Zelman's Restaurant. This is half way down the alley on the opposite side to Billys/BOWLS. The alley is also the main route to the supermarket and local shops for residents including families and seniors. During the day it also attracts vulnerable people who beg and sleep rough. Some have sheltered in a tent on the paving stones often for weeks at a time. The alley has a long history of problems with drug dealing and anti-social behaviour.

At night the alley is badly lit. It has a number of partly hidden areas including behind steps, in corners and alcoves and in particular on steps at the side entrance to GHD at

82 Dean Street, across from the main door of BOWLS Restaurant. Revellers and younger tourists already use those steps to drink take-away beers & cider bought elsewhere and smoke marijuana in the evenings especially at weekends and bank holidays. Others dealing or using heavier drugs including crack and heroin arrive later and stay into the small hours almost every night. The atmosphere in the alley after dark can be very intimidating.

Staff at Zelman's Restaurant say they find drug users passed out in their doorways and regularly discover needles stashed in the plants under their windows but have struggled to find a way to work with the Police to regularly clear the area. Zelman's at No 2 does not allow off-sales and neither did Tostado's when it was at No. 16 and there is a concern that granting these licence variations would set a precedent.

A licence for off-sales of Alcohol with outside drinking until midnight Mon-Sat and 11:30 on Sunday together with music would allow locals no respite and would attract yet more people, noise and crime to this narrow alley and harm the local licensing objectives.

The noise alone from people in the alley has been an issue for residents in the past when music from The Revolution Bar as was and noise from customers at Zelman's when it's windows are open, cause distress. The narrow walls in the alley act as an amplifier affecting the 12 flats on 3 floors at Clarion House, whose rear windows open directly onto the Court.

Dean Street will shortly be a main entrance & exit for Crossrail which expects to bring tens of thousands more people per week passing through Soho making for greater crowds and disruption.

<p>St Anne's Court is a very small street with the majority of windows looking in to the mentioned premises being bedrooms of elderly and children.</p> <p>Already there is an unacceptable level of noise coming from the restaurant underneath the flats, to add outside seating and a possible line of customers is a terrifying prospect for all residents.</p> <p>The licence request is also too late as it is in such close proximity to many vulnerable peoples bedroom windows, and the fall out after closing will be very disruptive to residents ability to comfortably enjoy their homes.</p>

<p>i strongly object to this licence. historically, as local residents who live on st. annes ct, we have no end of suffering from alcohol and drugs on this pedestrianised courtway, also the terrible noise that emanates from this type of premises.</p>			

we successfully opposed similar applications made by zelmans and even that has been an uphill battle to maintain. takeaway food and alcohol is unacceptable in this courtway that struggles to keep clean of both litter and drunks and drug addicts. this is the enviroment the dealers thrive in with groups of people drinking outside and in groups. i oppose and the residents of clarion house will be lseeking legal representation.
