Sexual Health in Westminster		

**UNALLOCATED ITEMS**

<b>Agenda Item</b>	<b>Reasons &amp; objective for item</b>	<b>Represented by</b>
Technology in care		
Female genital mutilation	Update on FGM project.	
Preparedness for SEND inspection	To review the council's readiness for SEND inspections. What will Ofsted be looking for? Can we learn anything from other inspections that have already taken	

	place? What kind of preparations are the council doing?	
Child sexual exploitation	Update on the project focusing on perpetrators of CSE being run in partnership with Community Safety, Barnardo's and 7 other London local authorities.	
Support for young carers	What support does the council offer to young carers? Can we do more to help them and those they care for?	
Green paper on social care	To understand the impact on Westminster and inform future priorities	
Out of area placements in mental health services	The Government has set a target of ending out-of-area mental health care by 2020/21 but last year almost 6,000 patients in England were sent elsewhere - a rise of almost 40% in two years. How is this affecting Westminster residents, what are the reasons behind this, how we can we improve this and achieve the government's target?	
Support for addicts	Review support for addicts in Westminster. How has the removal of the ring-fenced drug and alcohol budget affected services and outcomes in Westminster? Nationally, interventions have fallen, budgets have fallen by 15%, drug-related deaths are at a record high and hospitals receive over 1m alcohol and drug related admissions a year. Possible focus on services aimed at rough sleepers.	Bi-Borough Director of Public Health
