HEALTH & WELLBEING BOARD TERMS OF REFERENCE

1. VISION OF THE BOARD

1.1 The Westminster Health and Wellbeing Board will provide strong and effective leadership across the local authority and NHS partners by setting a clear direction, across traditional boundaries, to deliver change and fresh thinking. The Board will work in partnership to address health issues that cannot be tackled by one organisation alone and to undertake joint commissioning where this will deliver the best value for money for investment.

1.2 The Board will recognise that one size does not fit all and will ensure that services are designed to reflect the changing needs of the individuals and communities they serve and are easy to access. The Board will be accountable to those they serve through elected members, and will act as a champion for the voice of those who live, work and play in Westminster.

1.3 The broad vision for the Board is that it will Promote joint commissioning, pooled budget arrangements and other resources, where all parties agree this makes sense, in order to deliver more effective and efficient local services Agree strategic priorities for the borough and push progress against these priorities further and faster, ensuring ‘silo working’ and conflict are removed. Organisational boundaries should not be hindrance to developing effective solutions. demonstrate clear leadership, championing the work and aims of the Board, and act as the key link between their own organisation or department and the Board, ensuring consistency and effective communications. Work with other Health and Wellbeing Boards within the tri-borough arrangements, as well as regional and national partners, where this is identified as the most appropriate way of tackling issues and addressing need.

2. RESPONSIBILITIES

2.1 To provide strategic and organisational leadership in developing the vision for health and wellbeing in Westminster and mobilising, co-ordinating and ensure commissioning decisions are based on clear evidence for improving outcomes.

2.2 To mobilise, coordinate and share resources from its membership, and from others, to deliver agreed priorities.

2.3 To oversee the production and use of a programme of Joint Strategic Needs Assessments (JSNA) by the local authority and the Clinical Commissioning Groups, and ensure that the needs of the local population are properly assessed and captured. The JSNA should aim to map assets as well as needs for local areas and become embedded across the commissioning process of all systems. To also oversee the production and maintenance of the Pharmaceutical Needs Assessment (PNA)
2.4 To develop a concise and outcome-focused Joint Health and Wellbeing Strategy (JHWS) derived from the JSNA which identifies areas where partnerships working across health, social care and the wider determinants could better address the need of the local population. The strategy will provide both: An overarching framework within which more detailed and specific commissioning plans by CCGs, LAs and others are developed; and Specific actions where the Health and Wellbeing Board can drive progress further and faster.

2.5 To ensure that all commissioners (the local authority, the CCGs and the National Commissioning Board) meet their legal obligations by having regard to the JSNA and JHWS when commissioning and developing their commissioning plan.

2.6 To have a formal role in authorising the local CCG(s), ensure that their plans take account of the JSNA and JHWS, and contribute to the NHS Commissioning Board (NHSCB) annual assessment of CCGs.

2.7 To put in place sub-groups to the Board, as and when required, to support the delivery of its functions.

2.8 To promote and encourage integrated working across the wider determinants of health including alignment between organisation and department plan and strategies and to actively consider the use of the Health Act flexibilities (integrated provision, pooled budgets and joint commissioning)

2.9 To ensure effective engagement and involvement – staff, provider, public, patient, service user and community – at all stages of the process. The HWB and CCGs have a statutory duty to involve those who live and work, in the preparation of the JSNA and JHWS.

2.10 To develop an annual workplan, as well as short, medium and long term goals that have measurable outcomes aligned to the NHS, Public Health and Social Care outcomes frameworks, so that the performance of the Board and others with responsibility to deliver aspects of the Joint Health and Wellbeing Strategy can be measured, and is accountable.

2.11 To produce an annual report on progress, and to consider other reports identifying health and social care needs such as the annual report produced by the Director of Health.

2.12 To ensure, through Board members, alignment between organisation and department plans and strategies. Also to have sight of and influence the strategies and key policies of the local NHS, the Council, the Community and Voluntary sector, and other partner agencies.
2.13 To respond to any relevant local, regional or national consultations on major service redesigns for health, care and wellbeing related service provided within the borough or that affect the borough.

2.14 To promote and support opportunities for tri-borough commissioning of health, care and wellbeing where this is the most appropriate way of addressing issues.
