

ARBORETUM Members Club – Club Rules

Attire

We don't have anything formal as a dress code, we want you to be comfortable and not have to worry about such things generally. We do, however, ask that you do not wear tracksuit bottoms in ARBORETUM because it just looks terrible.

Photography

Photography is absolutely fine, but please do not use flash photography in the club and it should go without saying, please don't photograph people you don't know personally and have consent from! It's just an odd thing to do.

Communication

Use of mobile phones is permitted in the club; we have many different spaces to make private phone calls if needed. Please do not cause disturbance to other members with your telephone calls.

Attendance

As a member, you are welcome to turn up whenever you like with up to 3 guests. You cannot lend your card to others to use on your behalf. Our reception team and staff do know who you are, we know when you're not you and when this happens, both the fake you and the real you won't be able to come here anymore.

Children

Children are permitted in the club until 6pm and no later. We don't offer memberships to children, they are generally far too sensible for our members to mix with.

Sensible use of the space

We love our club and constantly update the artwork and furniture to ensure it's an ever-changing, dynamic place to work and socialize. We ask that you don't use a table for 5 if you are a person of one. It simply restricts the amount of lovely people we are able to accommodate. We reserve the right to add further people to your general area if you are choosing to collect chairs like a wild mahogany hoarder.

Meetings

If you would like a tour or just want to hang out with a staff member for a bit, you will need to arrange this in advance. We have many membership requests

and a limited number of staff. Please always book any meetings or tours in advance and don't be too upset if you turn up unannounced and we are too busy

Refreshments

We have a wonderful plant-based deli and an excellent bar offering coffee and drinks on site. As a result of this, we are able to provide all manner of elixirs and comestibles to satiate you throughout your day and evening. We kindly request that you do not consume any external food or drinks on site. This includes hot drinks from external vendors

Neighbour Responsibility

Please respect our neighbours at all times but particularly when leaving in the evening.

Manners

Last but not least of all - let's all please be nice to each other, this is a place for relaxation and engagement, not conflict or rudeness.
