<b>Responsible Authority:</b>	Licensing Authority
<b>Representative:</b>	Karyn Abbott
<b>Received:</b>	3 September 2019

I write in relation to the application submitted for a new premises licence for 54 Old Compton Street, London W1D 4UD.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

- **Films, Live and Recorded Music Performance of Dance, Anything of a similar description to that falling within (e), (f) or (g) - Indoors**  
Monday to Saturday 10:00 to 03:00  
Sunday 12:00 to 22:30

**Non Standard Timings:**

The terminal hour to be 03:00 hours the following day on Bank Holiday Sundays, New Years Eve and Christmas Eve.

An additional hour to the terminal hour on the day that British Summertime commences.

- **Late Night Refreshment**

Monday to Saturday 23:00 to 03:00

- **Supply of Alcohol On and Off Premises**

Monday to Saturday 10:00 to 03:00

Sunday 12:00 to 22:30

**Non Standard Timings:**

The terminal hour to be 03:00 hours the following day on Bank Holiday Sundays, New Years Eve and Christmas Eve.

An additional hour to the terminal hour on the day that British Summertime commences.

- **Opening Hours to Public**

Monday to Saturday 10:00 to 03:30

Sunday 12:00 to 23:00

**Non Standard Timings:**

The terminal hour to be 03:00 hours the following day on Bank Holiday Sundays, New Years Eve and Christmas Eve.

An additional hour to the terminal hour on the day that British Summertime commences.

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1, PVC2, MD2 and PB2.

Although the premises are currently licensed (Licence no. 17/06945/LIPDPS) the applicant has applied for a new application. As such, the operating hours applied for licensable activities currently fall outside of Westminster's core hours. For premises for the supply of alcohol for consumption on and off the premises and other licensable activities, the Licensing Authority encourage that the applicant reduce the hours to be within Westminster's Core hours;

**Supply of Alcohol On and Off the Premises**

Monday to Thursday 10:00 to 23:30

Friday to Saturday 10:00 to 00:00

Sunday 12:00 to 22:30

**Other Licensable activities**

Monday to Thursday 09:00 to 23:30

Friday to Saturday 09:00 to 00:00

Sunday: 09:00 to 22:30

The application as it currently stands falls within Westminster's MD2 and PB2 Policy. It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within Core Hours under Policy HRS1. Paragraphs 2.5.23 and 2.5.48 states that the Licensing Authority considers that new applications for pubs and bars plus premises offering facilities for music and dancing in the Cumulative Impact Areas should be refused save where an applicant can demonstrate exceptional circumstances.

With regard to Policy PB2 the Licensing Authority note that after the hours of 23:30 hours Monday to Thursday and midnight Friday and Saturday the premises will only provide the sale by retail of alcohol and licensable activities when live staged cabaret performances are taking place. Further, the applicants have proposed additional conditions that restrict licensable activities after these times to the operation of Stonegate Pub Company Limited. Therefore, before these times of 23:30 hours Monday to Thursday and midnight Friday and Saturday,

however it should be noted that on the current licence the applicants are able to operate as a bar between the hours of Monday to Thursday 10:00 to 23:30, Friday to Saturday 10:00 to 00:00 and Sunday 12:00 to 22:30.

The Licensing Authority makes reference to Policy MD2 due to the proposed operation of the premises which could allow audience participation (through dancing) when performances are taking place.

The Environmental Health Service (in their Pre-Application advice 19/01580/PREAPM), have suggested that a condition be attached to any licence that may be granted.

1. Public dancing will not be permitted on the premises beyond 23:30 hours Monday to Thursday and midnight Friday and Saturday.

Should the applicant agree the condition above the Licensing Authority feel that this will detach the operation from MD2 and bring it more in line with Policy PVC2.

The Councils Policy under PVC2 states 'Applications will be granted subject to other policies, provided it is demonstrated that they will not add to cumulative impact in the Cumulative Impact Areas.

Paragraph 2.5.33 states, 'The policies apply to a wide range of premises including theatres, cinemas, concert halls and other performance venues providing regulated entertainment. Bars are a normal feature of performance venues, but they should be ancillary to the overall use of the premises as a performance venue. The hours of the operation of the bar will usually be those related to the times the premises are open for performances and should not extend later than the hours of performances. Any more general use of these bars in Cumulative Impact Areas will only be granted as an exception to policy which will have to be argued for on grounds that it will not add to cumulative impact in the Cumulative Impact Areas.'

Finally, as mentioned above the premises currently benefit from licence 17/06945/LIPDPS. As part of the proposed operating schedule this will be surrendered should this application be granted. The Licensing Authority would therefore suggest the following condition be added to the licence:

MC62 – No licensable activities shall take place at the premises until premises licence 17/06945/LIPDPS (or such other number subsequently issued for the premises) has been surrendered and is incapable of resurrection.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Thank you for the notification of an application for a new premises license for the above public house. As a long-time 91 year old resident of this block of 18 flats directly opposite the Admiral Duncan, I wish to object on the following grounds: The noise level is already very loud particularly from late in the evening onward when the comperes and the cabaret artistes' microphones are being used during performances. So much	

so that I cannot hear my television or radio even if I turn my volume control up. I feel therefore that if a new license is granted for a further 3 or 4 hours until (as I understand) 3.00 am, it would be a quite unreasonable situation for me, the disturbance from the customers leaving usually continuing for at least another hour outside their door until they have dispersed.

I write with reference to your letter dated 9th August 2019 regarding Notification of a New Premises Licence Application for The Admiral Duncan Public House, 54 Old Compton St.

I live directly opposite the Admiral Duncan Pub and I strongly object to any alteration to their current Licence in any form including any extension of opening hours or any change their existing licence as it currently stands.

I have often had cause to call the Westminster Noise Team with regard to the noise levels coming from the Admiral Duncan Pub when they have live acts on the small stage in the Pub and the noise levels of their PA system. When they have live entertainment inside the pub (mostly drag performers) the singing and the compère's announcements are actually deafening! This is a regular occurrence and it is an enormous relief when the pub closes and I strongly object to any extension of their pub licensing hours.

I understand that it is part of their licensing requirements to keep the doors at the front of the pub closed but very often even with the doors closed when there is a live performance the PA system is extremely loud and it feels like the acts performing in the pub are actually performing right here with me in my living room!

I have lived in my flat, which address is at 58 Dean St but my flat is actually situated directly opposite the Admiral Duncan, since 1983. I used to know the previous landlords / managers of the pub and had a good relationship with them and they were extremely helpful and always said if the music or entertainment was too loud just give them a call and they would remind staff to turn down the music and shut the doors.

I used to have a very good relationship with the previous manager Cinders (who has since very sadly passed away) and he was always very understanding with regards the fact that there were people living opposite the pub and was extremely community minded and always made sure the music and entertainment was kept at reason

My objection to this application stems from my living and working standard office hours in central London. The noise and disturbance from such a late license will - and this will, on past experience, extend well beyond the 3am close time - cause sleep deprivation and harm to the many residents of Kemble House.

SoHo is a diverse and vibrant community that welcomes many visitors but I urge the licensing

Committee to attend to the needs of its permanent residents when considering this new license application.

We write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of crime and disorder, prevention of public nuisance and cumulative impact in the West End Cumulative Impact Area.

### ***About The Soho Society***

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

### **The application**

We acknowledge the premises is a well-regarded LGBT venue, and we are aware that many have recently closed due to financial and market pressures. However, the application is for a new 3am licence with a closing hour of 3.30am and capacity of 125. The hours sought and capacity of the venue will definitely add to cumulative impact, fail to support the licensing objectives and have a detrimental impact on local residents and the surrounding area. Furthermore, the application is contrary to a number of policies, HRS1, PB2, CIP1 and we also include MD2 due to the range of entertainment applied for. It is our view there are no genuinely exceptional circumstances to policy in this case.

Old Compton Street is a vibrant and diverse street offering a range of mixed uses, the predominant ones being restaurants, residential accommodation, retail shops, bars and pubs. It

attracts large numbers of people during the daytime but even higher numbers at night due to the large number of evening / late licences in the street, and in the surrounding streets of Wardour Street, Dean Street, Frith Street and Greek Street. We believe this area has the highest concentration of late-night licensed venues in Soho and Westminster, with Old Compton Street being possibly the most saturated (in terms of licensed premises) in the entire West End Cumulative Impact Area. At night Old Compton Street transforms in nature, as recently witnessed by members of the Soho Society Licensing Committee. The street becomes the central social 'venue' in the neighbourhood where large numbers of people gather outside the bars and restaurants or simply spend time walking through. It is therefore extremely noisy and this is compounded by numbers of pedicabs (at least 8 witnessed on a recent weekend night) parked in the street and blaring out loud music, thus creating a significant noise nuisance. This late-night ambient cacophony is further compounded by music escaping from bars with open doors. As evidence we submit photographs and a video of Old Compton Street taken on 1st September between 00.45 - 01.15.

Additionally, as the Committee will no doubt be aware, large numbers of people on the streets at night attract criminal activity. There are more drug dealers in Old Compton Street and the surrounding streets at night than are ever seen during daytime. On our recent walk-about we saw four positioning themselves on the corner of old Compton Street and Dean Street, with others positioned in Frith and Greek Street waiting for people to leave venues in order to sell drugs. Some people were clearly vulnerable due to intoxication and / or drug use, thus becoming easy targets for robbers and thieves. It is well known that gangs are also present at night, loitering outside late night venues waiting for people to leave in order to rob them (see prevention of crime and disorder below). We also note that all of this is occurring without any visible police presence or apparent law enforcement. Late night Old Compton Street and the surrounding area transforms itself into a loud and noisy venue where people are enjoying themselves, but alongside this there is a sinister environment, fuelled by the night time economy and led by drug dealers and other criminal elements intent on capitalising on the vulnerabilities of people on a night out. This is of course not good for Westminster as the last memory any victim will have of an otherwise enjoyable night out is being targeted in this way.

In the middle of this mayhem we must not forget that the street is highly residential, with a number of domestic properties directly opposite the Admiral Duncan. These residents already suffer from noise nuisance with the sheer numbers of people on the street, including the pedicabs playing loud music, the presence of drug dealers and others. Therefore, to add an additional late-night venue with a capacity of 125 to a street already saturated with late night uses, will add negatively to the cumulative impact and will very likely facilitate an increase in crime and disorder and public nuisance.

### **The Licensing Objectives**

In relation to the licensing objectives our concerns are as follows.

#### **Prevention of crime and disorder**

Criminal activity associated with the night time economy / venues and large numbers of people on the streets results in high levels of serious crime. In Soho the majority of robberies take place at night with people being targeted as they leave venues, which is evidenced by the crime figures. Recent figures for Soho highlight a huge increase in robberies, 111 robberies took place within the four-month period from Nov - Feb 2017/18, and for the same period in 2018/19 the figure was 266, a very significant increase of 140%. Figures for theft from person also show a similar increase - 401 for the same period in 2017/18 to 1,028 in 2018/19, an alarming increase of 156%.

Criminal activity is not limited to robberies at night. Drug dealers are also in the area targeting people. Old Compton Street and the surrounding streets, including Dean Street is a drug dealing hotspot especially at night. Dealers are seen in this area daily, with an increase in numbers from the early evening until the early hours of the morning, and they openly approach people on a night out. Drug dealers are in Soho late at night as there is a huge market for

drugs which is linked to the number and late terminal hours of licensed venues.

We are in no doubt that a new late night licence in an area already saturated will attract criminal elements and result in an increase in crime and disorder.

### **Prevention of public nuisance**

Large numbers of people being discharged from the venue into the surrounding area will have a detrimental impact on residential amenity. Residents are already disturbed by noise from people loitering in the street, drug dealers, taxis and pedicabs. We believe this type of disturbance, nuisance and antisocial behaviour will increase if this application is granted.

### **Licensing Policy - Cumulative Impact**

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, antisocial behaviour, crime and disorder and the change in character of historic areas.

This is an application for what is effectively a new late-night entertainment venue, capacity of 125 in the West End Cumulative Impact area, with residents living opposite and around the premises, and levels of crime, disorder and public nuisance on the increase in the neighbourhood. This application if granted will undoubtedly add negatively to cumulative impact in Soho.

For the reasons we have set out, we believe that granting this application would fail to promote the licensing objectives of prevention of public nuisance, prevention of crime and disorder and add to the cumulative impact in the West End Cumulative Impact Area. Furthermore, it is contrary to a number of policies and, in our view, there are no genuinely exceptional circumstances to policy in this case. We respectfully urge the Licensing Sub-Committee to reject this application.

<b>Received:</b>	5 September 2019

On behalf of myself and the Soho Safer Neighbourhood Ward Panel (which I chair), I would like to object to this application on the grounds of prevention of crime and disorder, prevention of public nuisance and cumulative impact in the West End Cumulative Impact Area.

The Admiral Duncan is a long established LGBT venue. Old Compton Street already has many late night venues. However, this particular part of the street (Wardour to Dean Streets) is home to a large number of residents - there are two blocks of flats opposite, which house some elderly residents, with one late night venue, Balan's restaurant.

There are also high levels of crime (robbery) in this particular part of Soho, particularly between the hours of midnight and 4 am, with vulnerable people being particularly targeted.

It is also an area that has a high level of drug dealing and related antisocial behaviour.

In addition, areas with late night licences attract pedicabs, looking for customers. While they are waiting for premises to empty they have a tendency to play loud music and generally cause a nuisance.

As I say, this particular part of the street is home to large numbers of residents, and this licence should not be granted, as I do not believe they have probed 'exceptional circumstances'.

Please do not hesitate to contact me if I can be of further assistance.

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy HRS1 applies</b>	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p> <p><u>For premises for the supply of alcohol for consumption on the premises:</u>  Monday to Thursday: 10:00 to 23:30  Friday and Saturday: 10:00 to midnight  Sundays immediately prior to Bank Holidays: Midday to midnight  Other Sundays: Midday to 22:30</p> <p><u>For premises for the supply of alcohol for consumption off the premises:</u>  Monday to Saturday: 08:00 to 23:00  Sundays: 10:00 to 22:30</p> <p><u>For premises for the provision of other licensable activities:</u>  Monday to Thursday: 09:00 to 23.30  Friday and Saturday: 09:00 to midnight  Sundays immediately prior to Bank Holidays: 09:00 to midnight  Other Sundays: 09:00 to 22:30</p>

<b>Policy PB2 applies:</b>	It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.

### 4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Stonegate have owned and operated the Admiral Duncan since 2015. The premises has a long and proud history as an institution in the heart of Soho. It has operated as a pub for nearly 200 years, and is a prominent premises in the LGBT+ community.

The Admiral Duncan has the benefit of an existing premises licence, number 17/06945/LIPDPS. The existing premises licence permits the sale of alcohol from 10am to 11.30pm, Monday to Thursday, to midnight on Friday and Saturday and from 12 noon to 10.30pm on Sunday. Opening and other licensable activities are permitted to that terminal hour. In addition, the licence permits an extension of hours on a number of non standard timings, including Bank Holidays and the Saints Days.

The existing premises licence is subject to a number of conditions, many of which are outdated, duplicate other legislation and are unenforceable.

This New Premises Licence Application does not propose any change to the existing start time for hours of operation on any day of the week under the existing licence. The application does seek permission for licensable activities to continue until 03:00 hours the following day on Mondays to Saturdays inclusive, with opening permitted for 30 minutes. There is no change sought to the permitted hours on Sundays, save for the addition of 30 minutes dispersal time. Non standard timings are sought only for Bank Holiday Sundays, Christmas Eve and New Year's Eve and British Summertime.

The purpose of the application is to allow the premises to use the additional hours to provide entertainment for its existing and loyal customer base. The premises currently operates cabaret entertainment seven days a week and has done successfully for a number of years. That is the primary purpose of many customers' visits. Entertainment spend has increased in the region of £60,000 in the past three years. The purpose of the application is to allow the premises to continue to offer cabaret for longer.

Our customers want to continue their night in a safe and comfortable environment, rather than leave and go to another premises. Extending the terminal hour will prevent double migration of customers leaving our premises and then another premises later on. Keeping our customers with us means that they are in a safe, controlled and supervised environment and allows for a gradual dispersal which can be managed and contained.

This new premises licence application has also been submitted to update the premises licence conditions to ensure that they are suitable for the style of operation at the premises. As this is a New Premises Licence Application we have taken the opportunity to replace the existing operating schedule, which is outdated in parts, and offer an updated bespoke operating schedule to the hours proposed which has been drawn up following pre-consultation with the relevant officers of the Council. New conditions are offered which bolster the operating schedule ensuring it is robust, clear, appropriate and enforceable.

We have considered the impact of the new premises licence application and in particular note that the premises fall within Westminster City Council's West End Stress Area. Steps have been taken to ensure that the application and proposed operation will continue to promote the licensing objectives without adding to the cumulative impact of the area. In particular, the application proposes a set of conditions which ensure any later hours are operated ancillary to the use of the premises as an entertainment venue and additionally are only operated by Stonegate Pub Company.

The applicant has very carefully considered Westminster's Statement of Licensing Policy. They note that high priority is given to greater diversity of entertainment (para 1.3), which this application seeks to do by linking the use of the premises as an entertainment venue.

A comprehensive operating plan will be implemented should the application be granted. We have undertaken formal pre consultation with the Environmental Health officer prior to submission of the application. The comments raised have been taken into account in putting together this application. Stonegate are committed to partnership working and wish to engage with the responsible authorities at all times.

Stonegate Pub Company Limited have in place an extensive licensing manual detailing both company policies appropriate across the whole estate, along with procedures in place at a local level to ensure the premises operates to the highest standard and promotes the licensing objectives. These include policies regarding social responsibility and underage sales which promote responsible drinking and discourage drunkenness as well as procedures to prevent crime and disorder and public nuisance.

In the event that this new premises licence is granted as applied for or in an acceptable form, the intention will be to surrender the existing premises licence number 17/06945/LIPDPS. Stonegate are an experienced operator of LGBT+ premises in both Westminster and nationally. In particular, they operate the following sites in Westminster alongside the Admiral Duncan: Comptons, Rupert Street, Duke of Wellington, Village and Halfway II Heaven, where later hours were obtained in 2012 and have been successfully operated since.

Considering the above, we believe that the New Premises Licence Application will not have an adverse impact on the licensing objectives, nor will it add to the cumulative impact of the area, and the applicant believes that the measures proposed in the bespoke operating schedule, along with the existing measures in place, will ensure the premises continue to promote the licensing objectives.
