Dear Sir or Madam,

I represent the New West End Company and would like to write in support of Capital Arches Group Ltd's application to extend trading hours.

Capital Arches is a business which has excellent engagement with the local community, stakeholders and local authorities. It pays a high regard to the management of the night time economy and ensuring good levels of cleanliness both outside and inside the restaurants. It also has a thriving local employment programme which is supporting jobs and young people in the local area. Finally, Capital Arches is a beacon of sustainability best practice, including recycling oils used for cooking to fuel delivery vehicles and delivering efficient waste management.

I would have no hesitation in supporting Capital Arches as a responsible, engaged and conscientious business operator which brings real value to the area and local community.

Should you like to discuss further please do not hesitate to contact me.

Yours sincerely

**Jace Tyrrell**
