## 2. Representations

2-A Responsible Authorities	
<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	Reaz Guerra
<b>Received:</b>	1 August 2019
<p>With reference to the above application I am writing to inform you that the Police, as a Responsible Authority, object to your application for a New Premises Licence as it is our belief that if granted the application would undermine the Crime Prevention Objective.</p> <p>The venue is situated in the West End Cumulative Impact Area, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.</p> <p>There is insufficient detail in the operating schedule to address the Crime Prevention Objective.</p> <p>It is for these reasons that we are objecting to the application</p>	
<b>Responsible Authority:</b>	Licensing Authority
<b>Representative:</b>	Angela Seaward
<b>Received:</b>	21 August 2019
<p>I write in relation to the application submitted for a new premises licence for Basement, 21 Rupert Street, London, W1D 7PJ.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority has considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:</p> <ul style="list-style-type: none"> <li>• Public Nuisance</li> </ul>	

- Prevention of Crime & Disorder
- Public Safety
- Protection of Children from harm

The application seeks the following Licensable Activities:

<b>Performance of Dance</b>	Monday to Sunday:	09:00 – 03:00
<b>Exhibition of Film:</b>	Monday to Sunday:	09:00 – 03:00
<b>Performance of Live Music:</b>	Monday to Sunday:	09:00 – 03:00
<b>Playing of Recorded Music:</b>	Monday to Sunday:	09:00 – 03:00
<b>Anything of a similar description to Live Music, Recorded Music or Performance of Dance:</b>		
<b>Performance of a Play:</b>	Monday to Sunday:	09:00 – 03:00
<b>Late Night Refreshment:</b>	Monday to Sunday:	23:00 – 03:00
<b>Sale by retail of alcohol:</b>	Monday to Saturday:	10:00 – 03:00
	Sunday:	12:00 – 00:30
<b>Opening Hours</b>	Monday to Sunday:	07:00 – 03:00

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1 and PB2.

The application has been made to be a 'shadow licence' to 18/13366/LIPDPS. Paragraph 3.2.11 advises that applications that have been made for premises licences at premises where a licence is already in force. The "shadow licence" is made on the same terms to the licence already existing.

However paragraph 3.2.13 states that The council remains concerned however that the holding of additional licences has the potential to undermine the sanctions available to it in response to a review application under the Act. This would be the case if action was taken in respect of one of the licences in effect at the premises, but the premises continued to operate under the authority of a second licence which had not been affected by the review proceedings.

The council remains concerned however that the holding of additional licences has the potential to undermine the sanctions available to it in response to a review application under the Act. This would be the case if action was taken in respect of one of the licences in effect at the premises, but the premises continued to operate under the authority of a second licence which had not been affected by the review proceedings.

The Licensing Authority therefore has made representation to this application and will discuss further from the applicant

Decision (including reasons if different from those set out in report):

The Sub-Committee considered an application by London Trocadero (2015) LLP (“The Applicant”) for a new premises licence in respect of Basement, 21 Rupert Street, London, W1D 7PJ.

The Licensing officer introduced the application which was for a shadow licence on the exact same terms as the Premises licence. The Metropolitan Police were requesting that the application be adjourned and therefore the Sub-Committee would have to consider this preliminary issue before making a decision on the application.

PC Lewis, representing the Metropolitan Police, confirmed that they were requesting for the application to be adjourned. Following an extremely serious

incident at the Premises on 25 August 2019 an expedited review had been held. The circumstances of the incident were clearly linked to failings at the Premises and were so serious it had led to the endangerment of members of the public. At the expedited review hearing held on 30 August 2019 the Sub-Committee decided to take the interim steps of suspending the Premises Licence. On 23 September 2019 a full review hearing was scheduled where the Police would be seeking a revocation of the licence in order to act as deterrent. If the licence was revoked on 23 September 2019 then there would be no licence to shadow, which was what was being applied for in the application before the Sub-Committee today. If this application was granted, then that would undermine the interim steps taken previously.

PC Lewis explained that there were concerns over whether in regard to the incident the Applicant had acted responsibly. This required further detailed discussion at the hearing on 23 September 2019 before a shadow licence should be granted. In terms of the City Council's Statement of Licensing Policy (SLP) the granting of shadow licences were regarded as having the potential to undermine any sanctions imposed by a Sub-Committee. Therefore, the Police was of the opinion that it was vitally important to adjourn the application to a future date on the basis it was in the public interest to do so.

Mr Wormold, representing the Applicant, acknowledged that review proceedings were scheduled to take place on 23 September 2019 where the Police were seeking revocation of the licence held by the tenant. If the licence was revoked then that would result in the landlord having to make an application for a new licence in the Cumulative Impact Area (CIA), therefore making it unlikely for it to be granted on the same terms as currently permitted. To preserve the landlord's position in the event the tenant's licence was revoked a shadow licence application had been made to the Licensing Authority.

The Sub-Committee was advised by Mr Wormold that the Applicant was a responsible landlord who held a significant commercial interest in the Leicester Square area. They had invested substantial funds in redeveloping the Trocadero providing an upmarket offer including a 700-bedroom hotel. It was in their interest for the Premises in question to be operated responsibly to late hours, attracting an international clientele to a high-class nightclub. It was recognised that revocation of the licence was a potential sanction and this would have serious ramifications for the Applicant. It was stressed that it was the current tenant who had breached the conditions on the licence and if the licence was therefore revoked then it would be impossible in future to operate the Premises as a nightclub. It was stated that when the Premises Licence Holder was originally granted the licence, it was agreed for the Premises to run as a nightclub and Leicester Square was considered the ideal location for it. The shadow licence application had been submitted on 24 July 2019, a month prior to the serious incident in question. The Sub-Committee was advised that the application had been submitted as part of the Applicant's decision at board level to have shadow licences on all their Premises so that they were able to exert a greater degree of control over their properties. Currently, if the tenant held a licence but the landlord did not then the tenant had the position of power, a situation the landlord was hoping to address. This application was a deliberate

move by the Applicant, who was a responsible landlord, to become more involved in the licensing aspect of its Licensed Premises. If the application was to be adjourned by the Sub-Committee, then this application would fall away as there would be no licence to shadow.

Miss Gadd, representing the Licensing Authority, supported the Police's request to adjourn the application. It was confirmed that on 30 August 2019 the Sub-Committee had agreed to suspend the licence to prevent any licensable activities from taking place at the Premises until the review hearing scheduled for 23 September 2019. If the application for a shadow licence was granted licensable activities would be permitted at the Premises irrespective of any potential sanctions that may be imposed on 23 September 2019. Given that there was outstanding review proceedings for the Premises it was believed that it was in the public interest to adjourn the application until after the review hearing on 23 September 2019. This was so as not to undermine the review proceedings and interim steps taken by the Sub-Committee on 30 August 2019 to suspend the existing Premises licence.

The Legal Adviser to the Sub-Committee clarified for all parties that at the review hearing scheduled for 23 September 2019 the Sub-Committee had a range of options available to it under the provisions of the Licensing Act 2003 of which revocation was only one. Therefore, it did not automatically follow that the Sub-Committee would revoke the Premises Licence because each case had to be considered on its individual merits in light of the evidence before it.

The Sub-Committee very carefully considered the request from the Police to adjourn the application and considered that they, and the Licensing Authority, had both presented strong evidence as to why it should happen. It was acknowledged that the Applicant had expressed concerns about the outcome of the review hearing scheduled for 23 September 2019. However, the Sub-Committee was not in a position, and did not wish to, pre-judge what decision may be taken at this hearing. The Sub-Committee sitting on 23 September 2019 had wide-ranging powers and the suggestion by the Applicant that it might result in revocation of the licence was by no means certain. Having taken into account the evidence provided by all parties, it was considered that it was in the public interest to adjourn the application to a future date. This would ensure that the review proceedings and interim steps taken by the Sub-Committee on 30 August 2019 to suspend the existing premises licence would not be undermined.
