2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service
Representative:	Dave Morgan
Received:	26 February 2020
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, are making a representation against this application.</p> <p>The venue is situated within the Cumulative Impact Area and it is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder.</p> <p>In order to progress, I would like to arrange a site visit in order that we could discuss your proposed conditions further.</p> <p>On 5th May the Metropolitan Police made the following additional comments:</p> <p>I am writing in reference to the above application which is scheduled to go to committee on the 21st May 2020.</p> <p>I believe that you have been in contact with Karyn Abbott who has made representations for the same reasons as the Police, i.e. the proposed hours are beyond core and also the issue over the shaded green area on the plan.</p> <p>Similarly to Karyn's response, the Police are also concerned that restaurant premises within the cumulative impact areas do not, even in part, come to operate as bars and particularly not as "vertical drinking" premises where customers consume alcohol standing throughout the evening.</p>	

Can you therefore please confirm how the Green Shaded area will be managed.

Will the area be solely used by customers as an ancillary to their table meal or will it operate as bar for vertical drinking by any customer whether or not they have (or about to) consume a meal?

I don't believe I have seen a response to this query so I look forward to your reply

Responsible Authority:	Licensing Authority
Representative:	Karyn Abbott
Received:	26 February 2020

I write in relation to the application submitted for a new premises licence for 18 Rupert Street, London, W1D 6DD.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

- **Recorded Music**

Monday to Sunday 10:00 to 01:30

Non Standard Timings:

All licensable activities shall be extended from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day.

An additional hour to the standard and non-standard times on the day when British Summertime commences.

- **Late Night Refreshment**

Monday to Sunday 23:00 to 01:30

Non Standard Timings:

All licensable activities shall be extended from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day.

An additional hour to the standard and non-standard times on the day when British Summertime commences.

- **Supply of Alcohol On & Off Premises**

Monday to Sunday 10:00 to 01:30

Non Standard Timings:

All licensable activities shall be extended from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day.

An additional hour to the standard and non-standard times on the day when British Summertime commences.

- **Opening Hours to Public**

Monday to Sunday 10:00 to 01:30

Non Standard Timings:

All licensable activities shall be extended from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day.

An additional hour to the standard and non-standard times on the day when British Summertime commences.

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HSR1, PB2 and RNT2.

At present, the operating hours applied for licensable activities currently fall outside of Westminster's core hours. For premises for the supply of alcohol for consumption on and off the premises and other licensable activities, the Licensing Authority encourage that the applicant reduce the hours to be within Westminster's Core hours;

Supply of Alcohol On the Premises

Monday to Thursday 10:00 to 23:30

Friday to Saturday 10:00 to 00:00

Sunday 12:00 to 22:30

Other Licensable activities

Monday to Thursday 09:00 to 23:30

Friday to Saturday 09:00 to 00:00

Sunday: 09:00 to 22:30

The applicant has applied for the sale by retail of alcohol both on and off the premises. The Licensing Authority would encourage the applicant to provide further submissions as to the proposed operation of the 'off sales' from the premises, and how this is intended to be operated and controlled from the premises to ensure that there is no adverse impact within the West End Cumulative Impact Area. The Licensing Authority would propose model conditions 16 and as follows;

1. *There shall be no sales of alcohol for consumption off the premises after 23.00 hours.*

The Licensing Authority note on the proposed plans there is an 'Existing outside seating area' marked within the licence demise and would like the applicant to provide further submissions into how this area will be operated and controlled i.e. by way of waiter/waitress service. Paragraph 2.5.7 states 'The council is concerned that granting a premises licence which includes an area of public highway within a premises is confusing and may mislead by wrongly implying that permission for the use of the highway is being given. That is not to say that permission for the provision of licensable activities on the highway may not be granted where an appropriate tables and chairs licence is or will be in force and the licensing objectives would be promoted, but the council would prefer to permit such licensable activity to be conditioned as an exceptional 'off sale' to an area appropriately authorised by tables and chairs licence. The Licensing Authority encourage the applicant to submit new plans without this 'Existing outside seating area' included in the 'On Sales' demise. The Licensing Authority would also propose model conditions 19 as follows;

1. *All outside tables and chairs shall be rendered unusable by 23.00 each day.*

The Licensing Authority propose that if a new plan with the 'Existing outside seating area' is removed from the licensing demise that the applicant would replace proposed condition 15 that reads:

15. No drinks shall be taken outside the premises save for persons seated at any external table and chairs duly authorised under a current tables and chairs licence.

with model condition 70A as follows;

2. *The sale and supply of alcohol for consumption off the premises shall be restricted to alcohol consumed by persons who are seated in an area appropriately authorised for the use of tables and chairs on the highway and bona fide taking a substantial table meal there, and where the consumption of alcohol by such persons is ancillary to taking such a meal, and where the supply of alcohol is by waiter or waitress service only.*

The Licensing Authority note that the applicant has proposed on the plans a green area on the ground floor. As part of the application, the applicant has proposed the following condition:

Save for customers (limited to 25 at any one time) in the area shaded green on the attached plan, the premises shall only operate as a restaurant.

(i) in which customers are shown to their table,

(ii) where the supply of alcohol is by waiter or waitress service only,

(iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery (except chopsticks),

(iv) which do not provide any take away service of food or drink for immediate consumption,

(v) which do not provide any take away service of food or drink after 23.00, and

(vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

Notwithstanding this condition customers are permitted to take from the premises part consumed, and resealed bottles of wine supplied ancillary to their meal.

In paragraph 2.5.3 the policy states 'The Council is particularly concerned that restaurant premises in the cumulative impact areas do not, even in part, come to operate as bars and particularly not as "vertical drinking" premises where customers consume alcohol standing throughout the evening. The council, however, is not minded to relax conditions for restaurants where alcohol may only be consumed by persons as an ancillary to their substantial table meal.

The Licensing Authority would like the applicant to provide further submissions as to how the green area will be operated and controlled? i.e. will the proposed area operate by way of a bar with vertical drinking?

The Licensing Authority note that the applicant has proposed the below condition 16 of the operating schedule and would like further submissions on what the regulated entertainment entails. i.e. is this back ground music or for a DJ etc;

16. When regulated entertainment is taking place and/or after 23:00 hours all external doors and windows shall be kept closed save for immediate access and egress of persons.

The premises currently benefits from a separate premises licence (20/00408/LIPDPS). This licence has not been proposed to be surrendered as part of this new premises licence application or operating schedule, does the applicant have capacity to do so? If this is the case The Licensing Authority would propose model conditions 62 as follows;

1. *No licensable activities shall take place at the premises until premises 20/00408/LIPDPS (or such other number subsequently issued for the premises) has been surrendered [and is incapable of resurrection].*

The Licensing Authority would like confirmation whether the applicant is agreeable to the above proposed conditions to be able to assess any further relevant policy considerations.

The Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the West End cumulative impact area, in accordance with policy CIP1.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

DISPERSAL POLICY

This Dispersal Policy has been implemented to assist in the promotion of the four licensing objectives, in particular crime and disorder, public nuisance and public safety.

This document is subject to change from time to time as it is a working best practices document that may change through discussions with interested parties and more specifically with our neighbours.

Management are aware of the potential for neighbourhood noise and disturbance at the time that customers leave at closing time. Management have agreed to implement a written dispersal policy to move customers from the premises and the immediate vicinity in such a way so as to cause minimum disturbance or nuisance to neighbours. Every effort will be made to minimise any potential nuisance and it will be the responsibility of all members of staff to support this policy.

Winding-down Period

1. Management have put into place an effective “wind-down” procedure in order to facilitate prompt closure of the premises and orderly dispersal pattern by customers.
2. At closing key members of trained staff are directed to work in the customer areas near the front entrance and exit. Customers are informed that the premises are about to close and are directed towards the nearest exit.
3. The premises will promote the gradual departure of customers and will ensure the control of the flow of customers by carefully managing the restaurant bookings and exit areas upon closing.
4. Internal lighting levels will be increased during the last 30 minutes of trading and waiters will ask customers if they have any last food and drink orders.
5. The winding down period outlined above ensures that customers disperse gradually prior to cessation of trade.
6. We are proud of the area and we will endeavour to keep the area clean and attractive for our patrons and our neighbours. This means dealing with debris outside our frontage that may have nothing to do with us but in the interests of maintaining good standards in the area we will still clear it up.

Staff to assist with Dispersal

7. Staff trained in closing procedures shall be maintained until the premises are closed

and shall be in position early enough in the evening to ensure that procedures for promoting public safety and preventing public nuisance are effective

8. Such staff to be trained in the following:-

- a. where the nearest mode of public transport is
- b. details of taxis and a number is available at the reception
- c. general local knowledge so that if customers decide to move on the staff can help them with directions.

Notices

9. Notices shall be displayed at customer exits and in prominent positions requesting that patrons respect the needs of local residents and leave the premises and area quietly.
10. All employees are given appropriate instructions and training to encourage customers to leave the premises and the area quietly.

Incident Reports

11. All incidents of crime or disorder or nuisance are to be reported by the designated premises supervisor or responsible member of staff.
12. The licence holder shall ensure that the details of all complaints are recorded in an occurrence book.

Taxi Service

13. Staff will ensure taxis are available for customers so that they can wait inside the premises. and staff will ensure that car doors are not slammed and will ensure that taxi drivers keep engines turned off if they are parked outside.
14. Arrangements are made with all local taxi firms for taxis to stop at a safe stopping place when collecting patrons. A recommended list of local taxi companies is available to customers.
15. Staff are trained to be aware of the location of taxi ranks, bus stops and hire car offices and advise customers accordingly.
16. Taxi drivers will be asked to remain in their vehicles and radios should not be played at a volume likely to disturb the neighbourhood.
17. At the end of the shift employees will say goodbye to each other inside the premises and arrange for lifts or taxis to collect them at a convenient and safe stopping point away from residential properties

Overall

Staff shall be in place at the exits to wish customers farewell and ask them to leave quietly and shall answer any questions regarding transport availability. Staff will not tolerate departing customers congregating outside of the premises. Staff will at all times be aware of activity outside of the premises and endeavour by their presence to minimise bad behaviour. They should be aware of potential areas of difficulty (nearby residences) and provide a presence in those places to minimise potential problems. Whilst carrying out their legitimate

duties outside of the premises all staff are trained not to behave in a manner likely to disturb the neighbourhood, conversation and laughter must be quiet and any communication is usually digital through an earpiece.

Staff will attach the utmost importance to the careful investigation and prompt resolution of any complaint made in respect of the running of the premises. Particular emphasis will be placed on building and maintaining close links with local residents including hosting meetings where necessary to allow our neighbours to raise any issues and for those issues to be quickly resolved. The telephone number of the premises will be provided to all our immediate residential neighbours.

Staff will constantly review this Dispersal Policy and respond quickly to the needs of our neighbours.
