Received:	06 September 2020		

[REDACTED] objects to this variation application.

[REDACTED] are very concerned that if granted, the variation of the licence to enable deliveries to 4.30am will cause a nuisance from noise etc to the [REDACTED]
[REDACTED]

Delivery vehicles would have to double park and will cause noise arriving and leaving when turning off and turning off engines and opening and shutting vehicles doors.

Even worse would be the intolerable noise from the constant coming and going of motor bikes or motor scooters, collecting an order for delivery. There will be noise from the engines being turned off and on and from delivery persons congregating outside the premises and all talking etc.

Noise nuisance will also be caused when collecting the delivery from the premises.

We are concerned with engine fumes as well as noise, especially if engines idling.

Nuisance could also be caused to [REDACTED] where booked delivery is being delivered to in the early hours of the morning.

We know of no similar applications approved in W2.

We also do not understand why the applicant wishes to delete Condition 15.

We are happy for our details and this representation to be forwarded to the applicant and, as always, we are willing to meet up to discuss the variation with the applicant.

Dear Mr Koduah

I have sought instruction from my client and I can confirm the following.

The licence holder will be using third party companies such as Uber Eats etc to deliver the food supplies. The licence holder does not have the option to require a third party to exclusively use bicycles or to park delivery vehicles away from the premises. In addition, the use of bicycles will restrict the radius in which hot food may be supplied.

This premises is located next door to a Burger King which we understand has a late licence into the early hours and which obviously attracts visitors. As is made clear on our application we will not permit visitors to attend the premises during the extended period.

The street on which this premises is located is busy throughout the night with pedestrian and vehicular traffic so it is unlikely that the addition of intermittent delivery drivers to our premises will contribute to any potential for public nuisance.

Thank you for your previous contact.

Kind regards
Paul Jones
