Just a couple of points to resolve.</p> <ul style="list-style-type: none"> • Can I please request the no drinks / glass outside model condition • Can you explain the request for the bar to remain open until midnight 2nd of January? as this is not standard • Will the bar close at the terminal hour for use by non-residents or will it continue to serve residents? I refer to the application for a new Premises Licence for the above premises.

The applicant has submitted the following plans of the premises:

- Lower and Upper Basement drawing no. 4457-L1-099, dated 9.12.20

- Floors 4 and 5 – drawing no. 40ET-SRA-XX-XX-DR-A-98-807, dated 31/10/18

The following licensable activities are being sought:

1. To provide for the Supply of Alcohol 'On' and 'Off' the premises between 10:00 and 23.30 Monday to Thursday, 10:00 to 00:00 hours Friday and Saturday and 12:00 to 22.30 Sunday. For Hotel residents 24 hours a day. Non-Standard timings: To extend the licensing hours on New Year's Eve: 10:00 to 24:00 New Year's Day / 2nd January.

I wish to make the following representations based on the plans submitted and the supporting operating schedule:

1. The hours requested for and the Supply of Alcohol 'On' and 'Off' the premises may lead to an increase in Public Nuisance in the area
2. The hours requested for and the provision of Late-Night Refreshment 'Indoors' and 'Outdoors' may lead to an increase in Public Nuisance in the area
3. The hours requested for and the provision of Films 'Indoors' may lead to an increase in Public Nuisance in the area

Environmental Health also makes the following comments:

- Some conditions and undertakings have been offered in the operating schedule and these are under consideration as to whether they are sufficient to allay Environmental Health concerns. Some of the undertakings will need to be converted to reflect Westminster's model wording for conditions so that they are enforceable.
- Further information is requested on how 'Off' sales of alcohol and the 'Outdoor' provision of Late-Night Refreshment will be managed
- It's unclear if the premises have already undergone refurbishment for the proposed use. The premises will in any case need to be inspected by Environmental Health for Public Safety prior to commencement of licensable activities.
- It is also not clear on the level of food provision and the premises will therefore also need to be assessed for its food preparation/cooking facilities in order to evaluate whether Public Nuisance may arise from odour and/or from the operation of any plant and machinery.

- The provision of sanitary accommodation for any proposed capacity is recommended to be in line with British Standard 6465.
- Since the application was submitted the Council has revised its Statement of Licensing Policy which is available on the Council's website at;
- https://www.westminster.gov.uk/sites/default/files/411_20_wcc_licensing_policy_document_007.pdf

One of the new requirements under the Policy is that licensed premises must demonstrate compliance with policy CH1 (see page 36). Free advice on this can be found at:

- https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/419604/What_to_do_if_you_re_worried_a_child_is_being_abused.pdf

The applicant is therefore requested to contact the undersigned to discuss all of the above issues. Environmental Health may then propose further conditions to allay its concerns.

Received:	13 January 2021		

[REDACTED] is the recognised Amenity Association for this part of Bayswater by Westminster City Council and the west side of Eastbourne Terrace where the hotel is proposed, falls within our remit.

[REDACTED] wishes to lodge an objection to the above application on the grounds of potential noise nuisance etc and public nuisance in the surrounding residential area, especially in Chilworth Mews, which backs onto the rear of the proposed hotel.

There is also potential for crime and disorder matters in the area.

We are at present objecting to a similar hotel Premises Licence application in North Wharf Road W2, which has been submitted by the same applicant and has yet to be determined.

We have been led to understand that Whitbread were going to operate two distinct separate hotels using the two hotel entrances in Eastbourne Terrace, the new entrance is just in from junction Chilworth Street.

This is not fully clear in application so clarification would be appreciated.

We assume all coaches and taxis etc will be using entrances in Eastbourne Terrace and no dropping off and no waiting in the adjoining streets (Chilworth Street and Chilworth Mews).

We also trust coaches and taxis etc will not 'wait up' in the busy Eastbourne Terrace.

Our main concern on this application is the potential detrimental effect on the residents in the general vicinity.

We also have serious concerns on the effect on the residents who live in the houses in

Chilworth Mews, as the mews backs onto the proposed hotel at 40 Eastbourne Terrace.

Of particular concern are the hours and potential noise caused by the deliveries and collections and refuse & recycling collections, to and from the hotel.

We understand that all servicing will take place at rear of the hotel in Chilworth Mews, in a dedicated covered by loading bay approximately in the middle of the mews.

The Planning Consent for the hotel dated 1 November 2019, under Condition 18 states:

'All servicing must take place between 07.00 - 20.00 on Monday to Saturday and 10.00 to 16.00 Sundays and Bank Holidays. Servicing includes loading and unloading goods from vehicles.'

We also have concerns of staff (and hotel guests) arriving or leaving hotel at the rear, particularly in the evening and night causing noise etc nuisance to the residents in Chilworth Mews, whether by foot, cyclists, motor cycles/scooters or being collected by taxi or likes of Uber etc.

Also we do not want hotel staff, hotel guests and visitors using the hotel to be smoking / using mobile phones etc or congregating at the rear of hotel or in the dedicated hotel parking area in the mews.

Under Condition 27 of the planning consent dated 1 July 2019, it states only staff with cycles or guests using the DDA parking spaces at the rear should use the Chilworth Mews access. We would like a condition to that effect on the licence.

The planning consent also has a condition (No 32) which restricts the use of reversing 'bleepers' in the mews, which would be extremely disturbing for residents. The applicant should make the same commitment on the Premises licence.

We also require details of where the 'no smoking area' is to be situated for hotel guests, other guests and staff - which we assume will have to be at the front of the hotel, so as not to effect local residents in the adjacent Chilworth Street, Chilworth Mews and Eastbourne Mews.

We assume there will be a condition not to allow drinks to be taken or consumed outside the hotel.

We object to the request for thirty minute extension, passed the hours applied for, as this could cause nuisance in the area after midnight.

We note on application it states hours of opening to non-hotel guest as starting at 6am. We wish this to be amended to 7am to be same as the planning consent which states under condition No 28B of planning consent dated 1 November 2019 which states:

'The restaurant shall not be open to members of the public (Non - Hotel guests) between Midnight and 7am daily.'

We require a condition that sale of alcohol to non-guests to hotel, that alcohol will be ancillary to the taking of substantial food with persons to be seated with table service.

On the 'Off Sales, part of application, we trust normal conditions will apply, including no sale of beer or cider with an APV of more than 5.5% alcohol.

At the rear we require that the doors and windows on the ground floor are kept closed at all times (as conditioned in the planning permission granted for the building to be a hotel, from its

previous use as an office block, where Conditions N27 & No 28A of planning approval for the hotel dated 1 November 2019, states.

'The doors and windows to the ground floor rear elevation of the restaurant facing Chilworth Mews shall not be opened or used, except in the case of an emergency.'

As always, [REDACTED] is willing to meet up or have a virtual telephone call, with the applicant in order to discuss our genuine concerns.

[REDACTED] are content for this objection, and our contact details, to be forwarded to the applicant.

We look forward to hearing from you and applicant in due course.

I object to this application. Requests in this Licensing Application must be consistent with the permissions provided for the 40 Eastbourne Terrace development as follows:

- o type of hotel, (a mid market hotel was the description given to the Committee. This is inconsistent with Whitbread's own description of it's Premier Inns and residents feel that the market point is significant in our area);;
- o the location of the dining room and kitchen areas, (these appear to have migrated to the Chilworth Mews side of the building. The details of venting are contrary to what was approved);
- o the number of exit doors into Chilworth Mews and conditions on their use, (this licensing Application shows 2 additional exit doors in Chilworth Mews, which contradicts the original permission);
- o public and staff entry and exits, smoking areas, drop-off, waiting and collection points, (these are not allowed in Chilworth Mews in the permissions for 40 Eastbourne Terrace. This must be explicitly cited on any agreed Licensing for this location).

I am writing to object to this application.

The current permission for 40 Eastbourne Terrace does not include selling alcohol to the general public. Having a public licensed premises at 40 Eastbourne Terrace would create additional noise and disruption to those living in the area, in particular residents of Chilworth Mews, as the mews backs onto the proposed hotel at 40 Eastbourne Terrace. It would have a similarly seriously detrimental effect on all residents in the general vicinity.

The potential for large crowds congregating in the Mews and for general antisocial behaviour is obvious, especially as the proposed licensing hours fall outside regular pub hours, therefore becoming an instant magnet for additional (drunken) last orders. The extra footfall will inevitably cause noise and disruption at antisocial hours, a rise in potential crime and disorder in the area, and will no doubt generate additional rubbish and fouling of the Mews.

I am extremely concerned about the hours and potential noise caused by the bar's deliveries and refuse /recycling collection arrangements to and from the hotel. I am also extremely concerned about the flow of taxis/uber traffic delivering customers to and from the bar, and the waiting for customers at pick ups and drop offs.

Finally, it is entirely unjust and contrary to the requirements in Regulation 25 of the Licensing Act (2003) that notification of this Application has not been provided to residents and homeowners.

Any requests in this Licensing Application must be consistent with the permissions provided for the 40 Eastbourne Terrace development; in particular that public and staff entry and exits, smoking areas, drop-off, waiting and collection points are not allowed in Chilworth Mews. This must be explicitly cited on any agreed Licensing for this location were it to go ahead.

I strongly object to this proposal.

I understand the tenant of 40 Eastbourne Terrace, is seeking an extension on its licence to include selling alcohol to the general public.

I would like to raise my objection, particularly the noise generated from deliveries, refuse, taxi's and inebriated customers spilling onto the residential streets of Chilworth Street and Eastbourne Mews.

Dear Committee,

I am a resident of [REDACTED]. I wish to object in the strongest terms to the licensing of the sale of alcohol to the general public from the hotel planned for this site. The planning decision already recognised that the deliveries to the hotel was under considered and was passed without acknowledging the full impact of the trucks on our lives and safety..they will have to make a two to three point turn into the delivery space.. which blocks our cars and deliveries and our safety if we walk out of our homes, or the safety of our visitors. The noise and traffic increase will disrupt my practice with venerable people, and effect my ability to open my windows for fresh air. It will turn a quite Mews into an even more untenable environment and potentially attract even more drug deals..which already occur in the night, young people smoking dope in the Mews, and create the potential for even more anti-social behaviour. The hours requested mean that at no time in the week can we, as residents, enjoy the absence of continuous traffic, both commercial and now private taxis and private cars parking on the yellow lines in the Mews from Sat mid day to all day and all night on Sunday Thank you, [REDACTED]

[REDACTED]. This is totally unacceptable interference with the expectations of normal life and ones right to safety, fresh air and community. I would request you look at the original and the further investigations held by the council and take particular note of the regrets expressed that even the first planning for deliveries was not properly thought through.. The suggestion for a turntable to be installed to facilitate just the traffic from the office building and the hotel alone was disregarded, as the developers lied about the volume expected to occur. NOW there can be no

illusion that this Mews will be over run all week and at all hours if this licence is granted. Thank you

I understand that the current permission does NOT include selling alcohol to the general public.

I am concerned that should permission be granted, for alcohol to be sold to the general public at a bar, and not with a substantial meal . It would cause additional disruption and noise for the residents of Chilworth Mews.

This would arise not only from people parking in the Mews in order to access the hotel bar, but also from additional deliveries and refuse collection.

So I really object to this permission being granted. And refer you to :-
a letter from [REDACTED]. In which he sets out very clearly all the objections and Additional letters from other Residents.

Dear Westminster Licensing,

Reference Number: 20/11835/LIPN, 40 Eastbourne Terrace.

I object to this application, along with others who live in [REDACTED] I live opposite this

The potential for large crowds congregating in the Mews and for general antisocial behaviour is obvious, especially as the proposed licensing hours fall outside regular pub hours, therefore becoming an instant magnet for additional (drunken) last orders. The extra footfall will inevitably cause noise and disruption at antisocial hours, a rise in potential crime and disorder in the area, and will no doubt generate additional rubbish and fouling of the area.

Finally, it is entirely unjust and contrary to the requirements in Regulation 25 of the Licensing Act (2003) that notification of this Application has not been provided to residents and homeowners.

Any requests in this Licensing Application must be consistent with the permissions provided for

the 40 Eastbourne Terrace development; in particular that public and staff entry and exits, smoking areas, drop-off, waiting and collection points are not allowed in Chilworth Mews. This must be explicitly cited on any agreed Licensing for this location were it to go ahead.

I strongly object to this proposal.

Good afternoon,

I am writing to object to Whitbread's application for an alcohol license to non hotel residents. The hotel in itself represents a significant departure from what the area has been. It is the first commercial business open to the public on Eastbourne Terrace in decades.

Already, the situation of the entrances of the proposed hotel make it inevitable that the hotel will have a deleterious impact on Chilworth Street with increased traffic of all kinds at all times of the day.

The change away from the residential nature of Chilworth Street and Westbourne Terrace should in my view not be exacerbated further by now also allowing the area to become a bar open to anyone coming in and out of Paddington station.

I totally endorse the statements submitted by [REDACTED] regarding this application.

I particularly object to Whitbread's license application to sell alcohol to non-hotel residents.

Along with my neighbours in Chilworth Mews, Eastbourne Mews and Chilworth St., I am distressed by the prospect of increased pedestrian and vehicular traffic, noise, litter and general disruption to what is a remarkably peaceful residential community.

Please respect the fact that the location which looks likely to be your drop-off, delivery and refuse area opens onto our Front Doors!

Yours sincerely,

I object to the above application for the same reasons and basis set out in the email below from my immediate neighbour, [REDACTED]

I would stress that I too have not received notice from WCC of the application and only became aware of it upon receipt of a copy of said email.

<p>Westminster Licensing, Reference Number: 20/11835/LIPN, 40 Eastbourne Terrace. I also object to this application.</p> <p>Like [REDACTED], i didnt receive any letter and i can concur that there is no Applications signs close to my property which is odd as there are significant poles, lights and other fixing the application could have been applied too.</p> <p>My objection relates specifically to the inconsistencies between the original permissions granted for 40 Eastbourne Terrace and the licence application. As noted in other submissions that are a number of other quite major conditions that WCC insisted on when granting the permission to develop 40 Eastbourne Terrace and it seems only logical that these conditions should be mirrored in the licence application. Approving the licence application with these inconsistencies in place just does not make sense.</p>			

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at

	<p>night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for this application for each premises use type as defined within this policy are:</p> <p>3. Hotels</p> <p>Monday to Thursday: 9am to 11.30pm.</p> <p>Friday and Saturday: 9am to 12am.</p> <p>Sunday: 9am to 10.30pm.</p> <p>Sundays immediately prior to a bank holiday: 9am to 12am.</p> <p>For the sale of alcohol to guests for consumption in hotel/guest rooms only: Anytime up to 24 hours.</p>
Policy HOT1 applies	<p>A. Applications outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities being within the council's Core Hours Policy HRS1. 3. The sale by retail of alcohol, regulated entertainment and late-night refreshment must be an ancillary function to the primary purpose of the venue as a hotel. 4. The applicant has taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone. <p>5. The application and operation of the venue meeting the definition of a Hotel as per Clause C.</p> <p>B. Applications inside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities are within the council's Core Hours Policy HRS1. 3. The sale by retail of alcohol, regulated entertainment and late-night refreshment must be an ancillary function

	<p>to the primary purpose of the venue as a hotel.</p> <p>4. The applicant has demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.</p> <p>5. The application and operation of the venue meeting the definition of a Hotel as per Clause C.</p> <p>C. For the purposes of this policy a Hotel is defined as a premises that is primarily used as an establishment providing overnight accommodation for customers.</p>

CONDITIONS CONSISTENT WITH THE OPERATING SCHEDULE AND CONDITIONS PROPOSED BY A PARTY TO THE HEARING

When determining an application for a new premises licence under the provisions of the Licensing Act 2003, the licensing authority must, unless it decides to reject the application, grant the licence subject to the conditions which are indicated as mandatory in this schedule.
