Responsible Authority:	Licensing Authority
Representative:	Jessica Donovan
Received:	28 July 2021

Dear Sirs

I write in relation to the application submitted for a new premises licence for 22 Great Windmill Street, London, W1D 7LD.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. - Public Safety
- Protection of children from harm

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1, PB1 and RTN1.

The Licensing Authority note that the application falls within Westminster's core hours and the intended use of the premises is a Café. As part of the operating schedule the applicant has proposed the following condition:

1. Notwithstanding condition 1, alcohol may be supplied and consumed prior to 9pm without a substantial table meal to persons seated and served by waiter/waitress.

This part of the operating schedule before 9pm falls within Westminster's PB1 Policy as there is no ancillary nature to the Sale by Retail of Alcohol.

Westminster's PB1 (B) policy states:

B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:

1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.
2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.

The Licensing Authority encourages the applicant to provide further submissions as to how the cafe will operate before 9pm and whether there is any limitation to the specific types of alcohol on sale.

As stated above this part of the operating schedule does fall within Westminster's PB1 policy and the applicant will need to demonstrate exceptional circumstances to allow the application to depart from policy.

The Licensing Authority also note in the operating schedule the applicant has proposed the below condition bringing this part of the application after 9pm in line with Westminster's RTN1 policy:

1. The premises shall only operate as a café:
 - (i) in which customers are shown to their table or the customer will select a table themselves,
 - (ii) where the supply of alcohol is by waiter or waitress service only,
 - (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table,
 - (iv) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

For the purpose of this condition 'Substantial Table Meal' means – a meal such as might be expected to be served as the main midday or main evening meal, or as a main course at either such meal and is eaten by a person seated at a table, or at a counter or other structure which serves the purposes of a table and is not used for the service of refreshments for consumption by persons not seated at a table or structure servicing the purposes of a table.

Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.

Westminster's RTN1 (B) Policy states;

B. Applications inside the West End Cumulative Impact Zone will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The hours for licensable activities are within the council's Core Hours Policy HRS1.
3. The applicant has demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.
4. The application and operation of the venue meeting the definition of a restaurant as per Clause C.

C. For the purposes of this policy a restaurant is defined as:

1. A premises in which customers are shown to their table or the customer will select a table themselves to which food is either served to them or they have collected themselves.
2. Which provide food in the form of substantial table meals that are prepared on the premises

and are served and consumed at a table.

3. Which do not provide any takeaway service of food and/or drink for immediate consumption.

4. Where alcohol shall not be sold, supplied, or consumed on the premises otherwise than to persons who are bona fide taking substantial table meals and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

5. The sale and consumption of alcohol prior to such meals may be in a bar area but must also be ancillary to the taking of such meal.

The applicant has applied for the sale by retail of alcohol both on and off the premises. The Licensing Authority would encourage the applicant to provide further submissions as to the proposed operation of the 'off sales' from the premises, and how this is intended to be operated and controlled from the premises to ensure that there is no adverse impact within the West End Cumulative Impact Zone. The Licensing Authority would propose model condition 17 as follows;

1. There shall be no sales of alcohol for consumption off the premises after 23.00 hours

The Licensing Authority require the applicant to provide submissions as to how the operation of the premises will not add to cumulative impact in the West End cumulative impact Zone, in accordance with policy CIP1.

Please accept this as a formal representation.

A condition was agreed between the applicant and the Licensing Authority. This condition can be found at Appendix 4.

Responsible Authority:	Metropolitan Police Service
Representative:	PC Bryan Lewis
Received:	3 August 2021

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, is objecting to this application as it is our belief that if granted this application would undermine the Licensing Objectives.

The venue is located in the West End Cumulative Impact Area, a locality where there is traditionally high levels of crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

Also the application is contradictory, in that conditions state alcohol will only be sold to persons seated and by waiter waitress, combined with the provision of off sales, beyond core hours. Insufficient conditions proposed to deal with off sales.

I am happy to discuss how this application may be progressed.

Responsible Authority:	Environmental Health Service
Representative:	Anil Drayan
Received:	5 August 2021

I refer to the application for a new Premises Licence for the above premises which is located in the West End Cumulative Impact Zone

The applicant has submitted plans of the premises showing the Ground Floor, ref: Licensing Drawing 0.2, dated 29/6/21.

The following licensing activities are being sought:

1. Provision of Late-Night Refreshment 'Indoors' on Monday to Thursday from 23:00 to 23:30 hours and Friday and Saturday from 23:00 to 00:00. Also from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day and On Sundays prior to bank holidays 23:00 – 00:00
2. Supply of Alcohol 'On' and 'Off' the premises Monday to Thursday from 09:00 to 23:30 hours, Friday and Saturday from 09:00 to 00:00 and Sunday from 09:00 to 22:30. Also from the end of permitted hours on New Year's Eve to the start of permitted hours on New Year's Day and On Sundays prior to bank holidays 09:00 – 00:00

I wish to make the following representations based on the plans and operating schedule submitted:

1. Provision of Late Night Refreshment and for the hours requested may have the effect of increasing Public Nuisance in the Area.
2. The Supply of Alcohol and for the hours requested may have the effect of increasing Public Nuisance in the Area.

Environmental Health also makes the following further comments:

- Some conditions have been offered in the operating schedule and these are under consideration as to whether they there are sufficient to allay Environmental Health concerns.
- It is unclear from the application if the premises have already been constructed for the proposed use. Nevertheless, it will need to be inspected for Public Safety by Environmental Health prior to commencement of any licensable activities.
- The food preparation/cooking facilities will also need to be assessed in order to evaluate whether Public Nuisance may arise from cooking odour and/or noise from the operation of any plant and machinery.
- The standard of the party-wall sound insulation will also need to be assessed for the prevention of internal transfer of noise through the building fabric which may affect other users within the building block.
- The provision of sanitary accommodation for a public capacity over 25 must be at least in line with the guidance set out in British Standard 6465 and, where necessary, separate facilities for staff in compliance with guidance to Food Hygiene legislation.
- The Council has recently revised its Statement of Licensing Policy which is available on the Council's website. One of the new requirements under the Policy is that licensed premises must demonstrate achieving compliance with policy CH1 (Protection of Children from Harm, see page 36 of Policy). Free advice on achieving this can be found at:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/419604/What_to_do_if_you_re_worried_a_child_is_being_abused.pdf

The applicant is therefore requested to contact the undersigned to discuss the above issues and arrange a site visit after which Environmental Health may propose additional conditions for the proposed use.

<p>This premises is located within the overall structure of Soho Parish School. It shares party walls with the school's classrooms.</p> <p>As part of the designated West End Stress Area, Soho has the highest number of licensed premises in the UK. We do not think another licensed premises, specifically next to the only school in Soho, is needed or is desirable.</p> <p>This is a brand new premises licence, not changes to an existing licence. The previous tenant, Soho Radio, operated brilliantly without selling alcohol and contributed positively to the school and neighbourhood community.</p> <p>The Thin White Duke is simply yet another bar/restaurant. Soho has c.500 licensed premises. This is proliferation.</p> <p>Parents have to stand in a queue in the street right outside this premises to drop-off and pick up their children. There are after school clubs that operate till 6pm. We already have drinkers standing outside the two pubs nearby. Kids and parents don't need more drinkers and smokers to navigate right outside our school.</p> <p>Noise - we know from 27 years of living in Soho that it is nigh on impossible for bars and restaurants to consistently keep the noise from music and their patrons within reasonable limits. It's hard to see how the Thin White Duke and their patrons are not going to create noise for the school. Particularly if there are plans for a terrace (? it's not clear on the submitted plan?).</p> <p>We do not support this new premises licence application.</p>

Relevant proposed conditions

Condition 1; premises shall only operate as a café: (i) customers are shown to a table, (ii) the supply of alcohol is by waiter service, (iii) substantial table meals are prepared on the premises and consumed at the table, (iv) alcohol shall not be sold or supplied, otherwise than for consumption by persons seated in the premises and taking substantial table meals, and provided always that the consumption of alcohol is ancillary to taking such meals.

Condition 19; no licensable activities shall take place at the premises until the premises has been assessed by the EHCT, at which time this condition shall be removed, any such capacity will not exceed 30 persons (excluding staff) at any time.

The Soho Society's Position

- **The application:** states these premises will operate as a café providing tables meals, however they also seek to permit the supply of alcohol prior to 9pm without a substantial table meal to persons seated, and to provide the sale of alcohol off the premises in sealed containers and not to be consumed on the premises. We object to this application, we are concerned this café is seeking to sell alcohol without food for the vast majority of its opening hours 9am - 9pm which will fundamentally change the nature of the café and turn into a bar in the West End Cumulative Impact Zone, its also proposing to include off sales. If granted this application will fail to promote the licensing objectives of the prevention of crime and disorder and public nuisance and increase cumulative impact in the West End Cumulative Impact Zone.
- **Licensed premises:** Soho has a huge number of food and beverage premises with over 200 restaurants, 72 cafés, 39 bars, 46 pubs and 31 clubs (including members clubs). It is also at the forefront of the evening and night time economy in Westminster, and after midnight Soho is saturated with late night premises, between 1am to 6am there are 126 licensed premises with a capacity of over 20,400. Soho is open 24 hours where alcohol is readily available, the area cannot accommodate another bar selling alcohol from 9am to 9pm, or an off licence until core hours.

Statement of Licensing Policy 2021

This application as presented is contrary to the Pubs & Bars Policy PB1, and Cumulative Impact Policy CIP1.

- **Public Houses and Bars Policy PB1;** it is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than, '1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1, 2. Applications to seek to vary the existing license so as to reduce the overall capacity of the premises.' The policy also states an exception may be permitted to applications no later than 9pm, if they meet other policies in the statement which include CD1 and PN1. It goes on, under the reasons for

this Policy, F10 states, ‘... *Premises that primarily serve alcohol, with or without the provision of any ancillary playing of music, can give rise to public nuisance for residents and other businesses, particularly with there is a concentration of such premises. This is principally due to noise from the premises and from patrons when they leave. Pubs and bars present opportunities for crime and they can also give rise to disorder.*’ The council’s own policy clearly highlights the negative impact of pubs and bars on residents. In our view there is no exception in this case, it will fail to promote the licensing objectives CD1 and PN1 and should be rejected on these grounds.

- **Cumulative Impact Policy CIP1**; this area has been identified by the Westminster City Council as under stress because of the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The Cumulative Impact Assessment 2020 highlights the cumulative impact in the West End Zone, 1(p.9) stating, ‘*The rate of incidence per square kilometre here, as well as the rate of license premises per square kilometre, was approximately nine times than the borough average rate. For crimes in particular, the rate was 10–13 times higher between 6pm – 6am compared to the borough’s average.*’ In relation to the impact of bars in an area, F82 states, ‘*among specific premises types assessed within the CIA, pubs and bars were one of the top licensed premises operation types that were most significantly aligned with incidents in their proximity.*’
- The policies in relation to the cumulative impact zone are directed at the global and cumulative effects of licences on the area as a whole (D16. of the policy). The policy provides an assumption to refuse pubs and bars, music and dance venues and fast food premises, the policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (D.11 of the policy). The growth in the number of licensed premises in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of this historic area.

The Licensing Objectives

The Statement of Licensing Policy 2021 or Section 182 Guidance does not provide for any circumstance, including exceptional or otherwise, which would permit an application to be granted if the licensing objectives were harmed. We now consider the impact of this application on these objectives.

Prevention of Crime and Disorder - CD1

Under this Policy the criteria applied is, ‘*whether the premises make or will make a significant contribution to levels of crime and disorder, and whether the operating schedule is based on an adequate risk assessment, undertaken by the applicant, which takes account of all the relevant considerations below to reduce the likelihood of crime and disorder occurring as a result of the grant of the application.*’

The recently published Cumulative Impact Assessment 2020 presents overwhelming evidence of the year on year increase in cumulative impact in the West End Zone 1, ***it highlights the rate of crime as 10 - 13 times higher between 6pm - 6am compared to the borough average.*** It goes on to detail the number and types of crimes in the West End,

- **Public realm crimes:** (serious violence, robberies, theft and drug offences), alcohol-related callouts incidents, anti-social behaviour and demands on services were prevalent in Westminster between 2017 and 2019, among the highest in London and the country. All incidents observed concentrated in the West End many occurring in the evening and at night as well as weekends.

- **Total incident type 2017-2019:** serious violent crimes Night, 795 - proportion of Borough's incidents (31%). **Robberies Night, 2237 (33%). Theft and Handling Night, 24,407 (33%). Drug Offences Night, 1529 (40%).** Noise Complaints Night, 1389 (16%). Reactive Waste Management, 6630 (10%). Ambulance call outs to locations of licensed premises, 5353 (22%). Anti-Social behaviour on transport Night, 592 (13%), Anti-Social behaviour MPS, 9662 (16%). **Total = 50,594.**
- **Data description of incidents in 2017-2019** found all incident categories observed varied both in space and time. Many occurred in the evening and at night and on weekends when alcohol related activities typically peak. Incidents were primarily concentrated in the West End where licensed premises are disproportionately concentrated.
- **Robberies:** clustered within the West End, Charing Cross, Oxford Street in the evening and night.
- **Serious violent crimes:** recorded between **6pm and 6am** concentrated overwhelmingly in the West End.
- **Drug related crimes:** Westminster recorded the highest volume of drug offences of any borough between 2017-2019. Half of crimes were reported (48%) in the evening and night time. Drug related crimes between **6pm - 6am** were significantly clustered in and around the West End to varying degrees.
- **Theft and Handling:** most common crime type in the borough, in the evening and night they are particularly concentrated in the West End and along Oxford Street.

For residents living in Soho the findings of the Cumulative Impact Assessment is unsurprising, Soho transforms in the evening and night-time into an area which feels very unsafe and where levels of crime and disorder are high. As evidenced above criminal activity associated with the large number of venues and the large numbers of people on the streets (including following the lifting of COVID restrictions) results in high levels of serious crime.

To add another premises functioning as a bar and an off licence in area already saturated will only increase crime and disorder and fail to promote the licensing objectives.

Prevention of Public Nuisance Policy PN1

Under this Policy the criteria applied states, *'the potential for nuisance associated with the style, characteristics and activities of the business to be carried on at the premises and the potential steps which could be taken to reduce the risk of a nuisance occurring. This will particularly apply in areas of residential accommodation and where there is residential accommodation in the proximity of the premises.'*

Residents live along the length of Gt. Windmill St and already suffer from late night noise, disturbance (pedicabs playing loud music, waiting taxis) anti-social behaviour including street fouling and high levels of crime and disorder from the existing number of licensed premises in the area. We are particularly concerned that these residents will be disturbed by intoxicated people leaving these premises.

In summary

The application proposes a new bar and off licence in the West End Cumulative Impact Zone in our view this application if granted will fail to support the licensing objectives and increase cumulative impact.

Please do not hesitate to contact us if you require any further information.

I would like to object to the planned works on the above application as the premises in question that are part of my residential home should not be used as a restaurant as the premises as far as my research has found does not hold a liquor license and should not be granted one for change of use.

i quote from Mr Almonte " a members only recording studio in the basement' this is not mentioned on the application

Points 8-9 indicate that a substantial meal will be prepared and served on the premises with no fumes, steam and odours being emitted from the premises. I live in the townhouse which shares the ground floor and my home occupies all of the above floors.

I can't see how this is going to be achieved as fumes, steam and odours rise. We Have logged many complaints to Westminster council with regards to the noise and smell of smoke coming from the premises from the last occupants.

Point 10: Regardless of signs being prominently displayed at all exits once patrons have been drinking these signs are ignored. We have video evidence of antisocial behaviour taking place on the street from the many venues that are already there.

Point 11 states that no noise will be generated from the premises by either equipment or patrons, again this seems a huge statement to make regardless of the acoustic test that the applicant wishes to perform. Also I have correspondence from Mr Almonte stating that they will be holding occasional concerts on the premises.

Point 15: As far as i am aware the collection of rubbish and recycling takes place in the early hours and this point has been worded in a manner to counteract them stating there will be no removal from the premises of said items between 2300 and 0800 hours. This needs further clarification.

Point 16: same as above

point 18: Once patrons are outside the premises smoking or making phone calls the noise rising up to my home is out of the control of the venue, smoke rises and voices become louder once alcohol is consumed, and I don't wish to have my windows closed during the proposed opening hours plus i have 2 terraces one on the front and one on the back that i will not be able to enjoy.

My [REDACTED] of the premises and people standing outside smoking is unacceptable. I have venues all around me and enjoy the vibrancy the area offers. I object to this application as the venue will be the basement and ground floor of my building. This will be detrimental to both my daughters and my own mental health and quality of living and does not offer anything that the area does not already have.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
 5. The proposed hours when any music, including incidental music, will be played.
 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
 9. The capacity of the premises.
 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
 14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

	<p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>8. Restaurants Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am.</p> <p>D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.</p> <p>E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.</p>
<p>Policy RNT1 applies</p>	<p>A. Applications outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. Hi Emanuela

Please find attached e mails to:

1. The Police
2. The Licensing Authority
3. The 3 interested parties, including Mr Murray below:

Hello Mr. Murray,

My name is Giovanni Almonte and I am the director of the business coming soon to 22 Great Windmill Street. I have received a copy of your objections to our receiving an alcohol license from the Westminster City Council. I understand your concern and hope to further clarify our aims for the business.

We do not intend to open a "bar". The Thin White Duke is primarily a hub for producers and recording artist. It is designed to function as a social setting for creatives to meet, eat, drink, share and collaborate. The cafe/restaurant portion is complementary to this purpose and ensures that we support the studio financially as our membership based model is unprecedented and a risk.

Because this is a recording studio, sound isolation is critical so our objectives and building strategies differ substantially from those of a "bar" or typical "restaurant". We have to ensure our studios enable controlled acoustic environments for our clients.

We respect our neighbours and understand the need for a safe environment. I assure you there will not be antisocial behaviour during school hours or otherwise from our customers. We are a very high end concept which itself does the most to curb bad behaviour but in addition alcohol is ancillary and complimentary to our main products which are the studios, coffee and food.

My fiancé Sasha and I moved into Soho several months ago to be near our business and have intentions of entering our future offspring into SoHo Parish as well if we can. Soho is our permanent home and we love the amount of creativity and options available to us and our family. We intend to elevate the offerings in Soho with all of our businesses, not downgrade them.

I would also like to impress upon you just how small our venue is. The ground floor measures a total of 320sq feet. That is the total size of our cafe/restaurant which includes 2 bathrooms. We have an estimated max seating capacity of 20-30 people.

Sasha and I would love to invite you to talk over in person any concerns you might have and show you our business model in detail which we think is truly unique, special and elevating.

Thank you for your time Mr. Murray.

Sincerely,

Giovanni Almonte
