1. Background Information

- 1.1 Ward budgets were established under the City Council's Neighbourhood Programme agreed by the Cabinet in November 2007.
- 1.2 The programme enables ward members to fund projects in the local area which benefit residents of that area and/or meet local priorities.
- 1.3 £46,000 is provided to each ward in each financial year of a 4-year electoral cycle. Monies not spent in year roll-over to the next until the end of the cycle.
- 1.4 Budget provision for the financial years 2018 to 2022 equates to £184,000 per ward
- 1.5 All decisions on projects to be funded are made by the ward members from the wards concerned, to support their local priorities.

2. Proposed Projects

- 2.1 £19,400.00 will fund North Paddington Food Bank's (NPFB) 'Emergency Food and Essential Supplies' project. NPFB would like to support local residents experiencing emergency food and essentials crisis. This will be carried out via the provision of emergency food packages containing long-life essentials, such as milk, fresh fruit and vegetables, tinned fish, toiletries, nappies and baby food, and bread and other fresh foods. Each package of food is sufficient for up to 1 week and is tailor made to suit their family make-up, dietary requirements i.e., vegetarian or halal and food preparation capacity.

Food bank sessions are run 4 days a week from two collection sites, every week of the year. These food packages will be distributed in 2 ways; the customer can either visit one of NPFB's 2 local collection centres to pick up their package, or NPFB can deliver to those struggling with mobility issues or who are in isolation due to the Covid-19 pandemic.

NPFB hope this project will directly benefit 10,000 people.
