1. Executive Summary

- 1.1 The Council is required, if it wishes to pay such allowances, to adopt a Members' Allowances Scheme on an annual basis with effect from 1 April each year. Such a scheme can be amended in year.
- 1.2 In drawing up the Members' Allowances Scheme, regard has been given to the recommendations of the London-wide Independent Remuneration Panel convened by London Councils whose most recent report (2018) is listed with the relevant statutory guidance as background documents.
- 1.3 The proposed scheme from the 1st April 2022 has been prepared on the basis of the current scheme.

2. Recommendations

- 2.1 That the Council be recommended to approve the Members' Allowances Scheme attached as Appendix A for 2022-2023 with effect from 1 April 2022.
- 2.2 That the Council be recommended to agree to increase the Members' Allowances (Basis and SRA) attached in Appendix A for 2022-2023 in line with any salary increase for Council staff that may be agreed by the National Joint Council for Local Government Services.

3. Background

- 3.1 There is a requirement for local authorities if they wish to adopt a Members' Allowance Scheme, that this be done on an annual basis, with effect from 1 April each year. Schemes can be amended at any time during the year.
- 3.2 When considering a new scheme, or amending an existing scheme, local authorities must have regard to the report of the London Councils' Independent Panel on the Remuneration of Councillors and relevant guidance from the Secretary of State. The Committee and the Council are required to have regard to the Panel's report in considering its own scheme. The Council's overall budget for Members Allowances remains amongst the lowest of all London boroughs.

Members' Allowances

- 3.3 The current Members' Allowances Scheme, as amended, was adopted by the Council on 3 March 2021 upon recommendation from the General Purposes Committee. As in previous years regard has been given to the findings and recommendations detailed in the Panel's most recent report published in January 2018.
- 3.4 The Members Allowance budget is deemed sufficient to meet the revised financial commitments for 2022-23, as set out in the proposed scheme.
- 3.5 The Chief Whip of the Majority Party has, as in previous years, been consulted on the proposals. The Chief Whip of the Minority Party has also been invited to give views on matters to be considered. Any comments received will be verbally reported at the Committee meeting.

Basic Allowance

- 3.6 It is proposed to increase the level of Basic Allowance payable to all Members by the increase in salary for Council staff agreed by the National Joint Council for Local Government Services.

Special Responsibility Allowance (SRA)

- 3.7 Special responsibility allowances reflect the tasks undertaken, in particular day time duties.
- 3.8 The Scheme continues to reflect and reward the levels of duties undertaken by Members in formal posts, including those bodies which have a particularly frequent schedule of meetings.
- 3.9 It is therefore proposed for an uplift in allowance by the increase in salary for Council staff once agreed by the National Joint Council for Local Government Services.

ICT Allowance

- 3.10 The IT allowance is not changed as part of this review and was paid to Members in June 2018. A review of the 2022-26 allowance is scheduled to be undertaken by the Finance, Smart City and City Management Policy and Scrutiny Committee.

Travel and Subsistence Allowance

- 3.11 The Council's scheme continues to be more restrictive than the Panel's recommendations and only allows for travel claims for approved duties outside of the Greater London area (travel to other London Boroughs is not reclaimable). No change to this part of the scheme is proposed. Reference is included in the scheme to the availability of all zone permits for Members, for use when undertaking official duties.

4. Legal Implications

- 4.1 Under Regulations 4 (1) (a) and (b) of the Local Authorities (Members' Allowances) (England) Regulations 2003 (S12003/1021) there is a requirement that councils must make a scheme in accordance with the Regulations which provides for the payment of an allowance in respect of each year to each member of an authority. The scheme may provide for paying a basic allowance and any other allowances permitted by the Regulations. Regulation 10 (1) provides that if it wishes to have a scheme for the following year to commence on 1 April, the Council must make the scheme before the start of the year. Under Regulation 10 (3) schemes can be amended at any time during the year and under Regulation 10(6) amendments can take effect from the beginning of the year. The approval of the full Council is necessary for any amendments to existing schemes or the adoption of new schemes.
- 4.2 Regulations relating to Members' Allowances require the publication of the report of the Independent Remuneration Panel, the scheme of allowances and details of the total sums paid to each Member under each category of allowance in each year. The statutory guidance on the publicity requirements suggests that details of allowances paid are made available on the Council's website together with information on the responsibilities of elected Members and the duties and time commitment which the basic allowance is intended to remunerate. This has previously been agreed by this Committee.

5. Financial Implications

- 5.1 The Members' Allowances budget for 2022-2023 is sufficient to fund the changes proposed in this report.
- 5.2 The Members Allowances Scheme proposed for 2022-2023 is fully funded in the draft budget for 2022-2023 including any potential uplift. The total cost is £982,341, excluding employers National Insurance contributions.

5.3 Any further increase in members' allowances - in order to mirror a possible salary increase for Council staff approved by the National Joint Council for Local Government Services is expected to be met within budget.

6. Consultation

6.1 The Chief Whips of the Majority Party and Minority Party have been consulted. Any comments received will be reported at the meeting.

1. This Scheme is made under, and in accordance with, the provisions of the Local Authorities (Members' Allowances) (England) Regulations 2003.
2. The rates of allowances specified will apply until the Scheme is amended or replaced, in which event the revised rates of allowances will be paid from the date from which the amendment takes effect.
3. Subject to the relevant form being completed at the appropriate time, entitlement to allowances under the Scheme commences on the date upon which a Member is elected to the Council or is elected or appointed to an office qualifying for special responsibility. The entitlement ceases on the date upon which a Member ceases to hold a qualifying office or ceases to be a Member of the Council (the fourth day after polling day in the year of City Council elections, i.e. the Monday). An apportionment of the relevant allowances will be made in the same proportion as the number of days that the Member held Office or was a Member, bears to the number of days in the relevant year.
4. Any Member may by notice in writing to the Committee and Councillor Support Manager elect to forego for any period any part of an entitlement to an allowance under the Scheme which will take effect from the date upon which the notice is received by the Committee and Councillor Support Manager.
5. Allowances will be paid by equal monthly instalments on the 20th day of each month by BACS to the account notified by the relevant Member for these purposes to the Committee and Councillor Support Manager. Members will also be required to provide a valid National Insurance Number. A £1,000 lump sum additional Basic Allowance for Members to purchase ICT equipment will be paid to any Member elected. This allowance is also payable to any Member elected at a by-election except that this allowance will not be paid if a Member received this allowance upon having been elected at a by-election in the previous 12 months.
6. Except where so authorised by the Committee and Councillor Support Manager any claim for travel, subsistence and care allowances must be made within two months of the date of the duty to which the claim relates.

Basic Allowance

7. A Basic Allowance of £9,622 pa from 1 April 2022 will be paid to every Member of the Council who formally elects to receive it.

Special Responsibility Allowance

8. Payments of Special Responsibility Allowances will be made to Members of the Council who hold special offices unless they formally elect not to receive them. Attached as Annex A is a list of the Special Responsibility Allowances payable from 1 April 2021.

Conferences

9. Councillors are entitled to have their Conference fees met when approved by the appropriate Cabinet Member, Committee or the Committee and Councillor Support Manager in consultation with the relevant party Chief Whip and to receive payments at the approved rates for travel and subsistence in respect of their attendance at conferences held outside the City to discuss matters relevant to the discharge of the Council's functions.

Travel Expenses

10. Members and Co-opted Members are entitled to claim payment of Travel Allowances at the rates of allowance set out in Annex B where expenditure has necessarily been incurred to enable them to attend an approved duty, defined as set out in Annex C, but only when travelling outside the Greater London area. Members of Education Admissions and Exclusions Appeal Panels are entitled to claim travel allowances for attendance at meetings relating to their membership at the rates set out in Annex B.

Members of the Council shall be entitled to a City Council all zones official parking permit for use when undertaking official council duties and otherwise used in accordance with the rules relating to their use.

Subsistence

11. Subsistence may be claimed only for accommodation or meals at conferences (approved in accordance with paragraph (i) of Annex C) where such costs are not included in the conference fee, subject to the maximum allowance referred to in Annex B.

Dependant/Carer's Allowance

12. Members may claim this allowance against care expenses they incur in arranging carers to look after dependants who cannot be left by themselves by reason of age or other special needs. The allowance may only be claimed in respect of approved duties defined in Annex C to this scheme (and is subject to tax and National Insurance deductions at personal rates).

The maximum rate claimable shall be set at the level of the London Living Wage rate set annually by the Living Wage Foundation.

The following criteria shall also apply:

- Payment is claimable in respect of children aged 15 or under or in respect of other dependants where there is medical or social work evidence that care is required.
- The allowance is not payable to any member of the claimant's household.
- The claim shall cover the time spent at the meeting plus up to one hour for travel to and from the meeting.
- The claim needs to be supported by a receipt which should be retained by the Member for auditing purposes for a period of six years.
- Any dispute as to entitlement and any allegation of abuse should be referred to the Council's Monitoring Officer for adjudication.

Sickness and Parental Leave Policy

13. All Members shall continue to receive their Basic Allowance in full in the case of pregnancy, maternity, paternity and sickness leave.

Members entitled to a Special Responsibility Allowance shall continue to receive their allowance in the case of maternity, shared parental or adoption leave at a rate of three months full pay and the following three months at half pay.

In accordance with Section 85 of the Local Government Act 1972, Members of the Council are required to attend a meeting of the Council within a six month period unless the Council agrees to an extended leave of absence prior to the expiration of that six month period. Where a Member requires an extended absence they should seek a dispensation from the Leader of the Council by submitting an application in writing to the Committee and Councillor Support Manager.

Payments whilst under Suspension

14. Payments of allowances, basic and special responsibility, shall not be paid to a Member who is suspended or if partially suspended that element of special responsibility allowance which may be payable in respect of an office held by the Member to which the partial suspension relates.

Publication

15. This scheme will be published as required by legislation. At the end of each financial year the City Council is required by legislation to publish the sums paid to councillors under the Scheme.
