## 2. Representations

<b>Responsible Authority:</b>	Environmental Health Service ( <i>Withdrawn 28<sup>th</sup> April 2022</i> )
<b>Representative:</b>	Dave Nevitt
<b>Received:</b>	27 April 2022
<p>I wish to make Representations on the following grounds:</p> <p>Representation is made in relation to the application, as the proposals are likely to increase the risk of Public Nuisance and may impact upon Public Safety.</p> <p><b><i>Following further discussions with the applicant and the district surveyor, the Environmental Health Service withdrew their representation on 28<sup>th</sup> April 2022.</i></b></p>	

2-B Other Persons	
<b>Name:</b>	[REDACTED]
<b>Address and/or Residents Association:</b>	[REDACTED] [REDACTED] [REDACTED]
<b>Status:</b>	Valid
<b>In support or opposed:</b>	Opposed
<b>Received:</b>	26 April 2022
<p>Following the receipt of a notification of a new premises licence application (22/03444/LIPN), I am writing on behalf of [REDACTED] to make representations. Please see below the arguments against the licence's approval:</p> <p>Noise Nuisance - Exposure to noises associated with night life and catering activities - including bars and pubs - cause great disturbance and can negatively impact the residents' health on the long-term. That is already the case with the Lime Tree Hotel from which sounds travel considering the open gardens.</p> <p>Noise Pollution - The propagation of noises caused by outdoor cooling compressor is above the limit allowed in the city of Westminster.</p> <p>No Premises Licence Variations - The conditions stated in the licence remain unchanged. The new premises licence application had already been assessed and rejected under similar circumstances. - consequently, the outcome should remain the same.</p> <p>Neighbourhood Change- The project may change the entire concept of the Eccleston Yard which is family-oriented, thereby overall negatively impacting the residents' well-being and potentially causing residential stress.</p>	

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

#### Policy HRS1 applies

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
  2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
  3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
  4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
  5. The proposed hours when any music, including incidental music, will be played.
  6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
  7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
  8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
  9. The capacity of the premises.
  10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
  11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
  12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
  13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
  14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days

	<p>are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <ol style="list-style-type: none"> <li>1. <b>Casinos:</b> Up to 24 hours a day whilst casino gaming is permitted by a premises licence under the Gambling Act 2005.</li> <li>2. <b>Cinemas, Cultural Venues and Live Sporting Premises:</b> Monday to Sunday: 9am to 12am</li> <li>3. <b>Hotels:</b> Monday to Thursday: 9am to 11.30pm.
