1. Application

1-A Applicant and premises			
Application Type:	New Premises Licence, Licensing Act 2003		
Application received date:	24 February 2022		
Applicant:	Shawarma N More Limited		
Premises:	N/A		
Premises address:	123 Baker Street London W1U 6RZ	Ward:	Marylebone
		Cumulative Impact Area:	None
		Special Consideration Zone:	None
Premises description:	The premises intends to operate as takeaway shop.		
Premises licence history:	The premises have had the benefit of the use of Temporary Event Notices but does not have an existing premises licence.		
Applicant submissions:	There are no supporting documents from the applicant.		
Applicant amendments:	During consultation, the applicant amended the hours for Late Night Refreshment from 23:00 to 05:00 and the opening hours from 09:00 to 05:00 to the timings stated at 1-B .		

1-B Proposed licensable activities and hours							
Late Night Refreshment:				Indoors, outdoors or both			Outdoors
Day:	Mon	Tues	Wed	Thur	Fri	Sat	Sun
Start:	23:00	23:00	23:00	23:00	23:00	23:00	23:00
End:	01:00	01:00	01:00	02:00	02:00	02:00	01:00
Seasonal variations/ Non-standard timings:			N/A				

Hours premises are open to the public							
Day:	Mon	Tues	Wed	Thur	Fri	Sat	Sun
Start:	09:00	09:00	09:00	09:00	09:00	09:00	09:00
End:	01:00	01:00	01:00	02:00	02:00	02:00	01:00
Seasonal variations/ Non-standard timings:			N/A				

2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service
Representative:	PC Dave Morgan
Received:	14 April 2022
<p>With reference to the above, I am writing to inform you that the Metropolitan Police Service as a Responsible Authority are objecting to this application on the basis that if granted, it would undermine the Licensing Objectives, namely The Prevention of Crime and Disorder.</p> <p>The hours sought are well beyond those of Westminster Council's Core Hours policy and there is insufficient information within the operating schedule to address how the Four Licensing Objectives will be promoted.</p> <p>Fast food premises that open beyond 11pm can attract large crowds of people, some of whom may be intoxicated. The Police have concerns that the hours sought for Late Night Refreshment will generate crime and anti-social behaviour in an already demanding area .</p> <p>To move forward, I require more information as to why these hours are necessary and how the venue will operate beyond 11pm in a way that will not add to the cumulative impact in the area.</p>	
Responsible Authority:	Environmental Health Service
Representative:	Anil Drayan
Received:	20 April 2022
<p>I refer to the application for a Premises Licence for the above premises.</p> <p>The applicant has submitted plans of the premises showing the ground floor, Drawing ref 52701/SUR/01, dated Nov 2021.</p> <p>The following licensable activity is being sought:</p> <p>1. Provision of Late-Night Refreshment 'Outdoors' between 23:00 and 05:00 Monday to Sunday.</p> <p>I wish to make the following representations based on the plans submitted and the supporting operating schedule:</p> <p>1. The Provision of Late-Night Refreshment and for the hours requested may have the effect of increasing Public Nuisance in the area and impact on Public Safety</p> <p>Environmental Health also makes the following further comments and representations:</p> <ul style="list-style-type: none"> • A list of undertakings have been offered with the application. These will need to be converted into enforceable condition and also considered as to whether they are sufficient to allay Environmental Health concerns. • Clarification is requested on the proposed longer use into the early hours of the plant and machinery and if this been assessed with regards to noise impact from its use. • The Council revised its Statement of Licensing Policy last year – see on the Council's website. One of the new requirements under the Policy is that greater emphasis has been 	

placed on licensed premises demonstrating compliance with policy CH1, Protection of Children from Harm, (see page 36 of policy). Free advice on complying with this can be found at:

[Stat guidance template \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk)

The applicant is therefore requested to contact the undersigned to discuss the above and arrange a site after which Environmental Health may propose additional conditions for the proposed use.

I am opposed to giving this extended license. We already have problems with people hanging out on our street late at night to smoke etc and leaving the street a mess. Multiple times I find people using our street as a toilet. I am opposed to increasing the trading hours because the current owners have not been able to manage their patrons as it is.

Received:	30 March 2022		
The local residents community of [REDACTED] suffer from the heavy presence of food take-aways and Deliveroo drivers. Food take-aways clients use [REDACTED] as a dining area and daily trash our streets, seat on our property stairs and generally generate anti-social behaviours such as smoking weed, and drinking. The problem is aggravated during week-ends where the crowd attracted by the take-aways and fast foods is greater. Also the Deliveroo scooters traffic on [REDACTED] is very noisy and dangerous since they use [REDACTED] to meet and park. Having take-aways open until 5 am at night is only going to aggravate the problem. Let's not forget the neighbourhood is a residential area and in [REDACTED] alone over 200 families with young children live. We have the right to live in a peaceful environment. Thank you for your consideration.			
Further submissions from the interested party in response to the amended hours received on 27th June 2022.			

I won't be able to go to the hearing but below are my reasoning to be against it. The change in time does not impact my view on it given it will still be late at night.

██ and we have all collectively seen a sharp deterioration of the quality of life in the neighbourhood on several levels :

- Hygiene : ██████████ has become a garbage landfill over the past 24 months. People collect take- aways and throw half consumed food and packaging on Bickenhall Street. It goes from food packaging (Wok to Walk, MacDonald's, Nando's, Shawarma & more, KFC, Starbucks and Costa coffee mainly) to broken bottles. They are deposited on the sidewalks, on the mansions doorsteps. ██████████ is going under renovation and when people seat and eat on our doorsteps it creates stains from the fat contained in the food which are very hard to be removed.

We have seen increasing occurrences of people urinating at night in our street as well. The problem is mainly happening in evenings and at night when the street is quieter.

- Unsocial behaviour : people eat in the evening on our doorsteps and make noise. We have too many Deliveroo drivers meeting and parking on the corner of ██████████ days and night waiting for orders to be picked up. Some of the behaviour is sometimes very 'gang' styles and feels unsafe for residents.

- Dangerous driving : the Delivery drivers speed up in our street without respecting traffic signs.

The problem is very accute on ██████████ as well.

This is an actual residential area and we feel that Westminster has failed at regulating the area. Why do we have so many junk food restaurants all packed together on that particular section of Baker Street ? This does not bring the best of social behaviour and we, the residents, now pay the price of it. Westminster has failed at maintains the area clean and it now feels we live in a deprived neighbourhood.

Status:	Valid	In support or opposed:	Opposed

Received:	30 March 2022
------------------	---------------

I completely object to this application due to the large numbers of residential blocks that are in the surrounding area. ██████████ in question and this means there will be a huge disruption at night for all of the residents ██████████

We currently have real issues with delivery drivers parking in ██████████ whilst they are awaiting an order. They leave their rubbish and urinate in the street which is just disgusting. This application will exacerbate the situation throughout the night.

The area at the top of Baker street has become dirty and unsafe (newer policed) there are delivery bikes everywhere picking up from the fast food places . they ride on the pavement and

have virtually taken over an area . the arrival of an all night takeaway will leave this area of marylebone a virtual no go area after dark.

Please think about the community and the people that live there.

Don't let this licence get approved.

Name:	[REDACTED]		
Address and/or Residents Association:	[REDACTED] [REDACTED] [REDACTED]		
Status:	Valid	In support or opposed:	Opposed
Received:	01 April 2022		

The area at the top end of Baker street has got progressively worse , with the continued traffic for fast food and the abundance of delivery scooters and bikes. I no longer feel safe at night time, with numerous drunk people , being loud , peeing and throwing up in the area, The area is NEVER POLICED and it is becoming unsafe . it is pushing families away.

The arrival of this NEW venue with the ALL NIGHT licence TO BE OPEN, will magnify the problems and turn the area into a dirty no go area. DO NOT let this happen.

Further submissions from the interested party in response to the amended hours received on 27th June 2022.

I strongly feel that these revised times do nothing to help the situation, serving food to late night partygoers and bringing with it all the problems that creats.

Since the development of fast food chains in the north area of Baker Street over the past years, the neighbourhood has become more dirty, more noisy and dangerous. Every day we can find abandoned cans/plastic bottles and cups/food bags laying in the street as clients of these take away places get rid of their meal containers in the street.

In addition, these establishments draw a large number of delivery men, hanging in the area until very late at night and disturbing the neighbourhood.

As such, allowing a licence to be open all night will simply worsen the situation even further bringing more garbage, noise and increasing the level of danger when living in the area.

The people actually living in this area of [REDACTED] deserve to be treated with respect and have the right to live in a clean, quiet (at least during the night) and safe environment.

I strongly object to the proposal to have all night opening just around the corner from [REDACTED] [REDACTED]. We already have many fast food sites at this end of the street, there are always associated significant litter problems which the council struggle to cope with, pavement congestion with delivery motorcycles, unwanted noise, and bad behaviour associated with excessive alcohol consumption, generally making the area grubby and unattractive. Whilst other parts of Baker Street have seen significant improvements over the years I have lived here, (approximately 25) this end of the street has consistently failed to live up to the area.

Given that this is an application for an all-night license, we can fully expect the noise and disruption associated with motorcycles and customers to go on on a 24-hour basis, if this application is granted.

[REDACTED] I object in the strongest possible terms.

I respectfully object to the "late night 23:00-05:00 refreshment" licensing of the shawarma vendor located on Baker Street, at the end of [REDACTED], to include its outside seating area, for the following reasons:

Its location next to a residential area that houses multiple families and single families would in fact create a noise disturbance if allowed to stay open in the late hours. Thus, multiple residents of the neighborhood would become disturbed due to the noise and ultimately complain or move away. Most in the neighborhood are day works and the restaurant would draw a younger crowd from the tube station after drinking that would be more prone to noise and bad behavior. This would also become a safety issue for residents and patrons.

Thank you for your consideration.

[REDACTED] and have watched with dismay as the zoning gods chose with ironic amusement to offset all of the fantastic improvements made to Baker St by turning its northerly end into a year-round fast-food franchise festival.

I can instantly reel off more than 10 fast food places (I'm sure there are more) at the end of my street and it already causes problems.

Litter - something I've written to Westminster about several times - is a persistent problem. Sure, Baker St gets cleaned 7 days a week, but not the side streets. People sit on my steps, eating their take-away and take it as an affront if I dare ask them to get out of the way, or heaven forbid, not to leave any food rubbish. And of course they do.

Delivery drivers are everywhere. I now regularly walk past banks of 10-plus men hanging out near their bikes. Those drivers aren't generally badly-behaved, but they are no respecters of driving laws, and to them our street is not one-way only. That can be dangerous. Lights is something else many consider optional.

For these reasons - and the bigger point that it was not always thus - I object to the application. You are continuing to feed the beast and setting a dangerously low precedent.

What has been allowed to happen to my neighbourhood, my street, is bad enough but so far we haven't had alcohol and late night crowds to contend with. That changes the instant you open the door to night-time food and socialising.

As a nearby resident, I strongly object to the all night opening of Shawarma on Baker Street. For us, neighbors and residents, the north area of Baker Street has already become very noisy. This will attract further noise, anti-social behavior, and increased litter to the area. The shop is already opened very late, and it is not clear what service opening even later would provide, besides disturbances to neighbors.

I am extremely concerned by the application for a Late Night Refreshment Licence and I would like to object strongly.

[REDACTED] of Shawarma is entirely residential. The potential for increased litter, late night noise and antisocial behaviour is significant and should be resisted.

The delivery drivers have already transformed the top of Baker Street into a much noisier and dangerous area in which to live. The application for outdoor seating until 5am will encourage the type of behaviour which local residents should not have to endure on their doorstep.

I would encourage Westminster Council to reject this application. With my thanks.

<p>I am very unhappy about this application. [REDACTED] Shawarma. We already have an unpleasant and noisy atmosphere in the evening with numerous delivery drivers congregating, people eating food on the steps of our block, and massive amounts of littering. As an older person, it can be quite intimidating walking round the area in the evening, and this will only get worse with a late night license. This license is likely to attract an even more rowdy late night crowd that will make life even more uncomfortable.</p>

<p>The stretch of Baker Street immediately to the south of the Marylebone Road crossroads, as far as the junction with York Street, has deteriorated noticeably over the past three or four years since it has become used as a "base" by delivery bicycles and motor-bikes. There are rarely less than 20 of them, often more than 30. While they are generally good-natured, they are also noisy and messy. There has been a great increase in the amount of litter on the pavements and the drivers often use the entrance steps to [REDACTED] as somewhere to sit and eat their snacks, moving with bad grace to allow residents to enter or leave; the motorbike drivers frequently ride at speed the wrong way along [REDACTED]. This application must in part be directed at these delivery drivers: it will not benefit the residents and will detract still further from the amenity of this area by increasing night-time noise and adding still further to litter.</p>

Reasons for objecting include:

Increased litter generated throughout the night - attraction of late night anti-social behaviour-- noise throughout the night from patrons eating outside (or worse, on our steps!) - congregation of motorbike delivery drivers throughout the night - danger from increased frequency of motorbike delivery drivers travelling up & down bickenhall street in wrong direction- the council are already struggling to keep this end of baker street clean - we are already blighted by take away delivery drivers until 11.30pm- residents deserve some peace and quiet -the density of fast food shops in this area is already problematic in the daytime and must not be allowed to continue through the night

This representation is made by the [REDACTED]. We object to this application as it clearly contravenes Policy HRS1 and if granted would be highly likely to contravene PN1 and CD1.

The application seeks to serve 'Takeaway food' throughout the night until 5:00am. This would be the only takeaway food shop in the vicinity with these hours. All the others in this stretch of Baker Street (Chik'n, KFC, McDonalds, Nandos) have late night refreshment licences within Core Hours or, for older licences, none later than midnight.

The applicant has outlined measures to be taken within the shop for safety concerns but offers no solutions to potential noise and nuisance issues outside the shop. However, even if conditions were formulated to address this we can see no justification for the granting of a licence beyond Core Hours in this neighbourhood. Porter Street, Bickenhall Street and indeed Baker Street are all residential and would be adversely effected by such an operation.

Status:	Valid	In support or opposed:	Opposed
Received:	02 April 2022		

We object in the strongest terms.

[REDACTED] we are already very negatively affected by the density of fast food shops here. For the last year we have been in constant dialogue with Veolia/Westminster Council about the fast food litter here. We often return home in the day to find patrons of McDonalds, KFC eating on the steps of our home where they also leave a slimy mess of food and packaging. Allowing a take away kebab shop to open 24 hours a day would encourage this behaviour through the night. I would not feel safe returning home in the dark to find people sat on my door step. This would also be very disturbing for those living in the lower ground, ground and first floor flats in particular who would be affected by noise of those congregating outside their windows. Unfortunately takeaway establishments open through night often attract anti-social drunken behavior. We do not want this.

The constant stream of Uber/Deliveroo drivers that already serve the fast food shops here in the day cause problems and now this could continue all night. They congregate in large groups and flagrantly disregard the fact that our residential street is one way and use our street as a short cut, travelling in the wrong direction. They would be likely to do so even more during the night when there is less traffic around. We do not want any further takeaway provision that encourages deliveries via Uber/Deliveroo etc - our street and surrounding streets are becoming increasingly dangerous for pedestrians due to vast numbers of motorbike drivers.

This north end of Baker Street has becoming increasingly grotty. The sheer density of fast food shops in this area already means litter problems, people eating take away food on our door steps, noisy anti-social behaviour, congregating takeaway delivery drivers and dangerous driving. WE STRONGLY OBJECT TO THIS APPLICATION

The Shawarma shop shouldn't be operational late at night as it creates anti-social behaviour around the neighbourhood. Customers from the shop sometimes end up eating their food at the entrance steps of [REDACTED] which: (i) Leads to rubbish on the steps of [REDACTED]
[REDACTED]
(ii) Safety issues as customers eating that late tend to create anti-social behaviour

Further submissions from the interested party in response to the amended hours received on 27th June 2022.

I would still strongly object to this as my reasonings before still stands:

- 1) Creates anti-social behaviour late at night
- 2) Even with the current opening hours, the litter made on [REDACTED] is terrible

I object to this licence being approved. It will cause and attract a lot of late night anti-social behaviour. Already we have a problem with loitering of motorbikes and Uber drivers. It's unsafe right now and this will make it worse. We have a terrible litter issue with the takeout restaurants, and this will make the area worse; dirtier, messier and awful. There are already a huge amount of fast food shops in the area, this will merely downgrade it even further. Throughout the night , it will cause further noise, mess, lack of safety (particularly for solo women coming home at night), danger with drivers coming the incorrect direction uo Baker Street. The list really is endless and I don't want people sat on my doorstep with food and leftover wrappers on the			

steps. Already it's happening in the day, this will only get worse

<p>I object to the application for an all night refreshment licence on the following grounds:</p> <ul style="list-style-type: none"> - Increased noise and disturbance / anti-social behaviour throughout the night on the Baker Street, very close to the east end of [REDACTED] [REDACTED] as it will attract late night revellers and congregations of motorbike delivery drivers. - This in turn will diminish the (sense of) security/safety for a single female, such as myself, leaving and/or returning to [REDACTED] via Baker Street at night. - This will especially be the case once the major renovation of [REDACTED] is completed with the new fully automated door entry system. The residents have the right to the quiet, peaceful and safe/secure enjoyment of their [REDACTED]. - This will worsen the litter problem on [REDACTED], which it is already a struggle to keep contained. - We have already had to deal with re-locating large congregations of motorbike delivery drivers at my end of [REDACTED] during the day and evening due to the location of various fast-food outlets on Baker Street, which had a detrimental effect on the character of [REDACTED] [REDACTED] - This will set a dangerous precedent for other fast-food outlets at this end of Baker Street. - Allowing this end of Baker Street to become an all night fast-food destination will have a seriously detrimental effect on the character of the wider neighbourhood for the reasons outlined above.

I strongly object to granting a licence for late night refreshment for the Shawarma kebab shop 123 Baker Street as this will have serious consequences. This area is already saturated with fastfood shops and this shop will mean my area will become increasingly noisy and dirty due to litter being thrown on the street and road. This shop will cause increased traffic congestion especially by delivery drivers who are already overcrowding the area late into the night. There will undoubtedly be much more litter disposed onto street and road during the night especially with shawarma paper wraps and other items purchased. There is the serious concern of congregation and late night anti-social behaviour [REDACTED] doorstep which is extremely concerning in my safe neighbourhood area. There will be noise throughout the night which will undoubtedly result in disturbance to the peaceful enjoyment of my property and my sleep. The congregation of motorbike delivery vehicles is of great concern as there is already saturation of this problem. There is the risk also of these motorbike delivery drivers traveling up and down [REDACTED] in wrong direction as has been case. The amount of fast-food shops in this area is already a problem during the day, thus it should definitely be prevented from carrying on through the night.

Strongly objecting to this. Neighbors do not wish for the Shawarma place to be opened till 5am. We already get rubbish scattered on the street and noise from the air conditioning unit. Thank you

Further submissions received from the interested party on 24th June 2022.

I strongly object to the application of the Shawarma and more being open till 5am.

I am a local resident and it greatly concerns me that this could even be an option.

I am very worried about the noise, rubbish, antisocial behaviour, deliveroo drivers loitering (even more than usual). I am also concerned that this will cause other businesses in the area to do the same.

[REDACTED] also filled out a form online objecting to this but he didn't receive an email so please note that his objection is the same as mine.

I truly hope this request from "Shawarma and more" gets denied.

<p>[REDACTED] object to this application. This end of the street has become increasingly, noisy, dirty and dangerous in terms of delivery drivers. The proposed late night license only further exacerbates an already hazardous situation that is endangering the lives of local residents. This late license application will increase litter, ASBO, hazardous increase in traffic of delivery drivers in area already under pressure.</p> <p>Further submissions from the interested party in response to the amended hours received on 27th June 2022.</p> <p>My comments on the amended 123 Baker St application still stand.</p> <p>In addition please can the following be taken in account at next week's hearing.</p> <p>[REDACTED] 123 Baker St. I find the proposed application will increase traffic and noise levels to an area already suffering from these factors. The present level of traffic of cars, motorbikes and fast food cyclists is unprecedented and a dangerous to a street that is becoming increasingly younger in its demographic i.e younger children who are not able to navigate fast incoming traffic. [REDACTED] and the surrounding parts of Baker St that include 123 Baker Street have been plagued by fast food rubbish and food that not only leads to an unsightly street but increases the level of rodents harbouring diseases. Residents on [REDACTED] are already suffering from increased noise levels from patrons that park and eat on [REDACTED], for this to continue past midnight is untenable. How are residents to cope with the noise and get up the next day and go to sleep work ? We would like Westminster Council to protect the surrounding streets to [REDACTED] from noise, rubbish, pollution and ASBO. We would like more trees being planted to absorb unprecedented high levels of pollution and for Westminster Council to take active steps to promote cleaner, safer streets.</p>

This end of Baker St is full of fast food outlets, this one Smells of curry day and night. The delivery drivers congregate all day up until businesses close, but if this has an all night licence then they will be there all night as well. hence extra smell , extra people hanging around and extra trash, which is a perennial problem in the base case. There is outside seating which would also contribute to late night noise.

There are already at this end of Baker Street about 20 Fast Food outlets and to allow them to function throughout the night will definitely be extremely detrimental to this residential neighbourhood.

We have had an ongoing battle with the number of delivery drivers, many of whom ride down [REDACTED] the wrong way. An ongoing battle with the trash that accumulates from the said drivers and many elderly people feel intimidated . especially later at night by the sheer numbers of drivers.

A huge mistake to grant this all night license.

Further submissions from the interested party in response to the amended hours received on 27th June 2022.

You say that Schwarma and More have altered their application to stay open late but not all night.

I still wish to oppose this extension as the premises is on the ground floor of a [REDACTED] , albeit it on Baker Street. If using the Tube I need to walk past this establishment, it is always teaming and although have never had a problem, I feel that later at night, or early in the morning I would certainly feel uncomfortable. On the other hand, as I have said it is below a mansion a block and the smell from Schwarma is all invasive so I definitely feel sorry for anyone who lives above it or even near by.

I personally unable to attend this hearing, but hope that a representative from Marylebone will be there.

This location keeps omitting a very strong smell of grill and smoke. This is an issue that needs to be remedied for the residents above and in the surrounding area.

More importantly the proposal seems to request longer trading hours well into the night and early hours of the morning. This is not a good idea nor acceptable for families and residents with small children living above the premises and in surrounding buildings. The area is already suffering from increased antisocial behaviour and noise. With shop windows being smashed at night (see Joe & the juice

Baker st) and fights and noise coming from the numerous delivery mopeds and delivery drivers. The last thing the area needs is more scope for drunken punters and more noise from a night time (usually loud and drunk) crowd.

I vehemently object to the extended trading hours. I also

Request that the bad smell and smoke from continued grill be remedied.

<p>I am very concerned about this application to extend opening hours of this takeaway shop to the entire night due to the severe risk of increasing public disturbance and reducing quality of life for nearby residents.</p> <p>We have already seen a marked increase in anti-social behaviour in the area as the doorsteps on [REDACTED] are regularly used to eat takeaway meals purchased from the many nearby shops on Baker Street. This creates considerable litter as takeaway bags and their contents are often simply left behind on the steps, and we have noticed many signs that drugs are also taken on the same locations by these customers (strong cannabis smell, discarded gas canisters).</p> <p>The applicant's argument that not being a dine-in facility means that there is no public disturbance (as clients do not stay within the shop for more than 10 min) is invalid as the consumption of meals and disturbance is simply moved to the streets nearby.</p> <p>I therefore worry that extending opening hours of this takeaway shop serves no purpose for local residents' quiet enjoyment of their homes and their neighbourhood, and will increase anti-social behaviour throughout the night, and set a dangerous precedent for the area.</p>

[REDACTED] I can attest that that there is not infrequently shouting and drunken altercation in [REDACTED] at 3 or 4 am that disturbs our sleep, particularly in the summer when we must keep the window open. Late clubbers and others come into our quiet uncommercial street because they think that they will not be disturbed. Take-out schawarma eaters will obviously do this in much greater numbers. I noted with interest that on page 15 of its application, Shawarma N More claims that 'as we are just a take away restaurant and we do not provide any dine in facility, there is not much of public disturbance.' The opposite will of course be the case: because these people will have no where to go with their food, they can only be a public disturbance.

I totally object to this late night licence. Our street is already littered with rubbish from the fast food outlets and that's just in the daytime. We are constantly disturbed by the noisy motorbike delivery drivers.. Even though Shawarma is primarily a take away, the customers mostly gather on the pavement outside, or come into Bickenhall Street and sit on our steps to eat. There is no way this behaviour should continue all through the night as well.

I object strongly to the proposal for Shawarma to hold a late night refreshment licence until 5am. If licensed, this will have a profoundly negative effect on the area and the life of the nearby residents. There have been problems in the area caused by take away delivery riders. A late refreshment licence will inherently increase the number of diners throughout the night which will lead to			

increased noise, disruption as well as the potential for anti-social activity.

Residents deserve peace and quiet from 23:00 until dawn and I would like to add my voice to the many local residents who have already objected to this proposal.

The area, and our street specially, already suffers from constant Street littering as people just throw away all their food wrappers from the many fast food shops around. With that goes the loud noises in the evening after closure (11pm to midnight) of drunk people being rowdy and staff taking out bottles and rubbishes. Having the prospect of one those low quality food places being opened all night long is simply terrifying for us from a safety, health and living (sleeping) quality point of view. I hope you will not grant such an application.

I would like to object to the Planning Application above for the following reasons:-

1. There is no need for a restaurant to be open all night in this neighbourhood as there is no activity to warrant such an establishment, professional or social.
2. In an area already blighted by litter, this would only serve to increase the problem.
3. Increased noise levels in a residential area at night plus increased risk of antisocial behaviour.
4. Allowing this planning application in an area already dense with other fast food outlets would set a dangerous precedent.

I hope you will look kindly on the above objections.

I am writing to object to the application for a 'Late Night Refreshment License' from 23.00 to 5.00 7 days a week for the Shawarma Kebab Shop.

[REDACTED]
[REDACTED]

I recognise that I live in central London and that there will be some west end noise. I even enjoy the occasional gathering of sports fans at the Globe before a big match (though the mess they

leave is a problem!)

I do object however to the fact that [REDACTED] is now plagued by

- o The litter and debris from the excess of fast food shops
- o The fact that people stop to eat take aways on the steps to our homes
- o The noise of the gathering of numerous motorcycle and push bike riders for Uber Eats, Deliveroo etc
- o I have sympathy with these people as they are employed by Apps who cheat the system by offering them no PAYE employment security and no welfare, toilets etc
- o That said I am extremely concerned that they all cycle the wrong way down one ways and our whole area is becoming a pedestrian hazard - WCC needs to do something about this - I suggest you divert the traffic wardens from policing parking which is not a problem to policing this dangerous activity
- o If this license is granted we residents will have no respite from the noise of gathering drivers, the litter, and the dangerous driving

I urge you to reject this license

[REDACTED] and wish to register our strong objection to the above application.

The character of the top end of Baker Street is already blighted by the dense concentration of fast food shops and the associated congestion caused by delivery drivers.

Allowing all night opening would set a very bad precedent and encourage applications from other shops in the area.

In addition to the nuisance created to residents, all night opening would result in an increase in noise and atmospheric pollution, more rubbish on the streets and encourage rodent infestations. It may also create a risk of antisocial behaviour.

In our view the policy priority for planning should be to encourage continual improvement in the environment on Baker Street. This application has no benefit to residents but has significantly negative environmental impacts.

We strongly request that this application is rejected.

I am writing regarding this planning application to grant a late night refreshment licence to "Shawarma and More".

I am a local resident and have been concerned for a number of years now about the constant litter issues around Baker Street and in addition the huge number of Deliveroo/Uber Eats delivery men who always seem to be loitering in the area. The simple truth is that for so many

residents the area has become far less safe and clean to live in and granting this late licence would only make things worse. It would mean that the area would continue to be flooded with delivery men waiting for jobs at all hours and in addition there would be a lot of drunk/unsavoury characters getting food at all hours.

Many people in the local area have young families and the last thing we need is noise in the middle of the night and disruption due to a late licence. If this late licence is granted then inevitably many more local restaurants will also apply and the domino effect will be to ruin the local area for the residents.

I would also add that the majority of the delivery men who work in the area seem to pay no attention to the rules of the road. We frequently see Motorcycles going the wrong way on [REDACTED] and it's only a matter of time before someone is seriously injured; either a local resident who is hit by a motorcycle or a car hitting a motorcycle going the wrong direction. Granting this late licence will mean that there will be increased traffic during the night but more people drive tired or in the darkness might miss something.

Unless the council intends to deploy 24/7 security to the area to patrol, ensure no litter is left on the street (this is a daily issue...there are frequently chicken bones and empty drinks left all over the street) and install cameras to punish motorcycles driving the wrong way up [REDACTED] then this licence must be rejected.

I strongly object to a license being granted.

We already have rowdy mobs collecting outside the pub opposite on football days

We have bike delivery drivers travelling up and down [REDACTED] in the wrong direction unable to tell the difference between road and pavement

[REDACTED] are considered as picnic sites and all the rubbish is left behind.

If a license is granted other applications will follow

We already have far too many fast food shops in the area and the character of the place has been totally destroyed My sleep is often disturbed by late night revellers and if a late night license is granted it will make life intolerable

Please do not grant a license.

[REDACTED]
[REDACTED] I strongly object to this proposal This end of Baker Street is a disgrace from the

numerous fast food outlets and there is nothing positive about this application extending hours only ,extremely negative factors.

Why has this end of Baker Street been allowed to deteriorate so much ,? It is now full of downmarket fast food outlets and residents do not want a precedent set for late night opening which they will not use.

Uncomfortable for many females walking (in current business hours)past large groups of delivery people (99.9% approx men)congregating ,let alone extended hours past midnight and people sitting outside a shawarma shop late at night More delivery drivers congregating talking loudly, More delivery drivers going on pavements and wrong way up [REDACTED] on bikes and mopeds with extended hours and often no lighting on their bikes More litter and dirt in bickenhall street with extended hours .my daughter had a problem last week when she asked someone not to throw throw fast food litter and use a bin and got abused verbally and that was a lunchtime More cannabis smoking which happens frequently in [REDACTED] [REDACTED] mostly from people using fast food outlets and often sit on the steps of [REDACTED] People double parking or using permit spaces so residents struggle to park and why should residents coming home late be unable to park and feel unsafe going to their home Will attract late night anti social behaviour Increased noise at night Increased unpleasant food smells There is absolutely no need for extended hours to be given to this application and I strongly object

[REDACTED] I am concerned about the application because the density of fast food restaurants in that area is already problematic during the daytime. There is quite a lot of noise, litter, and activity on this corner. Delivery drivers congregate on this corner and create dangerous situations for pedestrians. I have been surprised and nearly slipped several times by these bikes as the drivers ride onto the sidewalk unexpectedly.

Allowing the restaurant to remain open all night will increase the activity and noise and will deny residents of the peace and quiet that would be expected in our homes. The drivers are already operating until 11:30 PM. Noise throughout the night and an increase in disorderly behaviour is not fair to the residents in this area.

Name:	[REDACTED]		
Address and/or Residents Association	[REDACTED] [REDACTED]

[REDACTED] and object most strongly to the application for a late night Refreshment Licence by Shawarma Kebab Shop on Baker Street.

We already experience a high volume of noise, often until nearly midnight, 7 days a week from patrons of nearby Baker Street food outlets. They eat outside at tables and chairs provided, and then spill over to the pavements nearby and into [REDACTED], often encroaching onto the [REDACTED].

There has been a noticeable increase in recent years of motorbike delivery drivers congregating on [REDACTED]. They often dispose of food delivery packaging in the

street, leaving cigarette ends and drinks containers all over the pavements and curbs and front steps to [REDACTED].

Should this Licence be granted then there is the heightened possibility other food and drink outlets in the area will also apply for licence extensions, making the above problems even worse.

The Council cleaning staff are already struggling to keep our end of [REDACTED] clean and tidy during daytime hours, this proposed licence extension will make matters even worse, both for your staff and residents of [REDACTED].

<p>I would like to register my objections for the above mentioned to remain open until 5am. In my opinion this will lead to anti social behaviour on the street. As it is roaming groups are often to be heard shouting in the small hours (not necessarily attributal to the above business) without this becoming an all night destination. Would also imagine that increased litter and food waste will attract pests</p> <p>Further submissions from the interested party in response to the amended hours received on 27th June 2022.</p>			

██████████ I can only emphasise that while the business may be well intentioned and want to increase their revenue they will simply have no control over the behaviour of their customers. There is enough to contend with as it is. Essentially the nature of a large number of people is to sit on the steps, make excessive noise and leave their waste behind. This is a health hazard and unsightly. These considerations should be paramount.

As a local resident, I would like to voice my opposition to businesses in this area being granted late night licenses. This is a hugely family centric neighbourhood as there are a huge amount of nurseries and schools in the area, and having this type of foot traffic in the evening would be very unsafe, as well the street noise would be very disruptive to the local families that reside in the area.

Thank you for your consideration

██████████ and I'm writing to object to this late night refreshment licence from 23:00-05:00 for Shawarma fast food establishment.

I believe all night opening would set a dangerous precedent for other fast food shops at this end of Baker Street which is already in a vulnerable state, plagued with anti social behaviour of Deliveroo drivers and other dodgy characters who occupy the narrow street and often come to consume fast food from the above mentioned place while smoking drugs (there's is almost everyday a strong smell of marijuana)on the doorsteps of ██████████.

Allowing late night opening and activities around this kebab shop (which is already exasperating residents with their strong smell from the kitchen) will lead to increased litter , attraction of late night anti social behaviour (I often don't feel safe coming back at home due to the presence of dubious individuals congregating at this end of ██████████).

I believe my council tax contributions should enable me to feel safe as a woman walking back home late at night in this part of ██████████ and the presence of such places it only adds to the problem.

Cleanliness: it's absolutely disgusting to step on fast food left overs on the whole street and on the door steps .

I often have to make my way to open the entrance door through a bunch of individuals sitting on the doorsteps and consuming fast food , alcohol and drugs hoping and praying I won't be attacked or mugged .

I believe as a resident of this beautiful (otherwise)part of W1 I deserve to feel safe, enjoying some peace and quiet environment and also to be able to open my windows and get some fresh air , not fast food smell in my home .

By allowing and encouraging a longer hours activity of such fast food places (the area is being already oversaturated) will create more problems and also turn this end of Baker Street into an ugly area.

I encourage the presence of small businesses such as the florist at the top end close to Bill's

restaurant, which bring a little more diversity and beautify the surrounding area. I'm hoping this letter will bring light on how my household feels and I'm sure the rest of residents about encouraging more fast food activity around here.
Thank you for your consideration

Name:		[REDACTED]	
Address and/or Residents Association		[REDACTED] [REDACTED]	
Status:	Valid	In support of opposed:	Opposed

This is regarding the application of a 'Late Night Refreshment License" for Shawarma (kebab shop) on Baker Street, located next to Bill's on Baker Street. The license application reference number is 22/01952/LIPN.

[REDACTED] Baker street where the Shawarma shop is located. The opening of the Shawarma shop has already created considerable nuisance for my family and allowing it to stay open 24/7 will considerable reduce our quality of life. These are some of the key observations we've seen from the Shawarma shop staying open late on the weekends -

- High level of noise from patrons eating outside the shop and littering on our street
- High level of noise from patrons eating on our [REDACTED]
- Significant litter of "Shawarma & More" wrappers all across [REDACTED]
- Poor restaurant exhausts resulting in the full street smelling of kebab
- Motorbike delivery drivers driving the wrong way at high speeds down [REDACTED] to reach/leave the shop
- 1x instance of violence/screaming in January, presumably from patrons - given no other establishments are open there

I would kindly implore you to **reject** the application for "Shawarma & More" - 22/01952/LPN. As the restaurant opening late on the weekends has had a adverse impact on our quality of life and it being open 24/7 will make living on the ground floor untenable.

Further submissions from the interested party in response to the amended hours received on 27th June 2022.

[REDACTED] and raised a complaint to the increased hours - as this has clearly deteriorated my quality of life (noise, litter, increased late night violence and delivery drivers driving the wrong way down a 1 way). Please advise how can I support this petition against the increased timing.

Furthermore, I am quite surprised to find that the restaurant is currently only allowed to be open until 11pm. As this Saturday, I walked by at 1230am and the restaurant was open and serving customers.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
 5. The proposed hours when any music, including incidental music, will be played.
 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
 9. The capacity of the premises.
 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
 14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days

	<p>are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <ol style="list-style-type: none"> 1. Casinos: Up to 24 hours a day whilst casino gaming is permitted by a premises licence under the Gambling Act 2005. 2. Cinemas, Cultural Venues and Live Sporting Premises: Monday to Sunday: 9am to 12am 3. Hotels: Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am. For the sale of alcohol to guests for consumption in hotel/guest rooms only: Anytime up to 24 hours. 4. Off licences: Monday to Saturday: 8am to 11pm. Sunday: 9am to 10.30pm. 5. Outdoor Spaces: Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am. 6. Pubs and bars, Fast Food and Music and Dance venues: Monday to Thursday: 10am to 11.30pm. Friday and Saturday: 10am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 12pm to 12am. 7. Qualifying Clubs: Monday to Thursday: 9am to 12am.. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am. 8. Restaurants: Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am. 9. Sexual Entertainment Venues and Sex Cinemas: Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am. <p>D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.</p> <p>E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.</p>
<p>Policy FFP1 applies</p>	<p>A. Applications outside the West End Cumulative Zones will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities are within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 4. The applicant has taken account of the Special Consideration Zones Policy SCZ1 if the premises are located within a designated zone. 5. The application and operation of the venue meet the definition of a fast food premises in Clause D.

	<p>B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <ol style="list-style-type: none"> 1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1, and/or, 2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises. <p>C. The applications referred to in Clause B1 and B2 will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 3. The application and operation of the venue continuing to meet the definition of a Fast Food Premises in Clause D. <p>D. For the purposes of this policy a Fast Food Premises is defined as:</p> <ol style="list-style-type: none"> 1. A premises that provides late night refreshment, either by way of fast food over a counter, via a self-seating basis or take away for immediate consumption. 2. Food and drink are: <ol style="list-style-type: none"> a. Available on the premises for self-selection. b. Prepared on the premises. c. Cooked or produced off the premises but brought to that premises in advance of its sale to customers. 3. The food and drink are provided in pre-sealed or open disposable packaging which is intended for immediate consumption. 4. A fast-food premises can provide a delivery service as part of its operation, however that service must be ancillary to the main function of the premises as defined within sub-clauses D,1 to D,3 above.
--	---

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

CONDITIONS CONSISTENT WITH THE OPERATING SCHEDULE AND CONDITIONS PROPOSED BY A PARTY TO THE HEARING

When determining an application for a new premises licence under the provisions of the Licensing Act 2003, the licensing authority must, unless it decides to reject the application, grant the licence subject to the conditions which are indicated as mandatory in this schedule.

At a hearing the licensing authority may, in addition, and having regard to any representations received, grant the licence subject to such conditions which are consistent with the operating schedule submitted by the applicant as part of their application, or alter or omit these conditions, or add any new condition to such extent as the licensing authority considers necessary for the promotion of the licensing objectives.

This schedule lists those conditions which are consistent with the operating schedule, or proposed as necessary for the promotion of the licensing objectives by a responsible authority or an interested party as indicated. These conditions have not been submitted by the licensing service but reflect the positions of the applicant, responsible authority or interested party and have not necessarily been agreed

Mandatory Conditions

1. All persons guarding premises against unauthorised access or occupation or against outbreaks of disorder or against damage (door supervisors) must be licensed by the Security Industry Authority.

Conditions consistent with the operating schedule

None

Conditions proposed by the Metropolitan Police Service and agreed with the applicant so as to form part of the operating schedule.

2. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises and will include the external area immediately outside the premises entrance. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31-day period.
3. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
4. A minimum of one (1) SIA licensed door supervisors shall be on duty at the premises from 2200 to 0200 hours every Thursday, Friday and Saturday and they must correctly display their SIA licence(s) when on duty so as to be visible.

5. An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police. It must be completed within 24 hours of the incident and will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received concerning crime and disorder
 - (d) any incidents of disorder
 - (e) all seizures of drugs or offensive weapons
 - (f) any faults in the CCTV system, searching equipment or scanning equipment
 - (g) any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service.

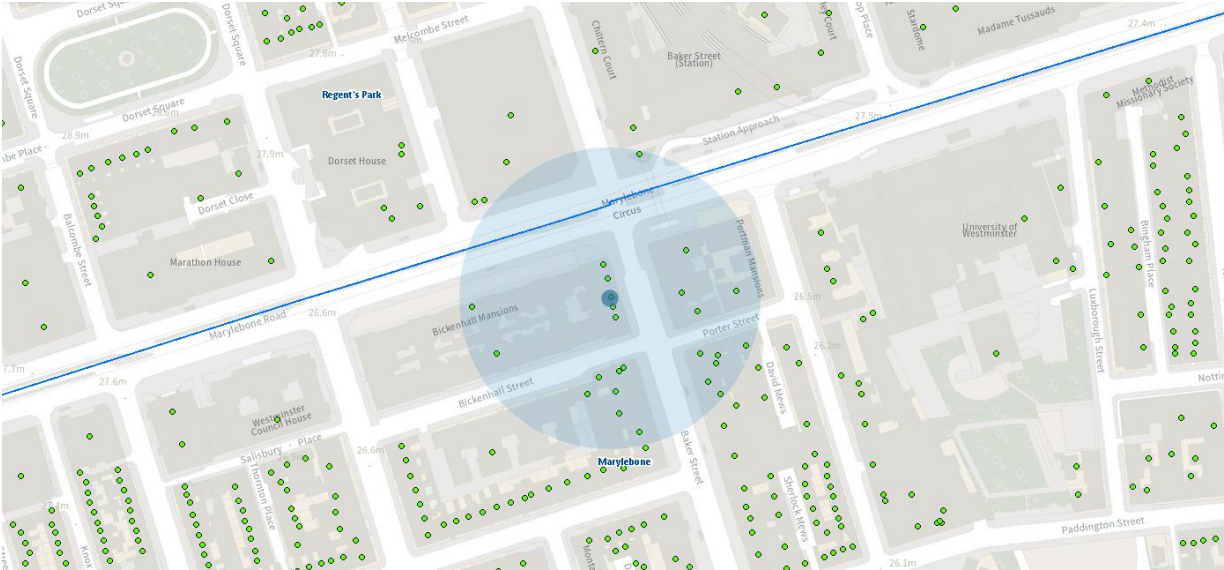

Conditions proposed by the Environmental Health Service and agreed with the applicant so as to form part of the operating schedule.

6. Takeaways of food and drink by use of a courier service shall only be with a courier service who have agreed that their delivery drivers have been given clear, written instructions to use their vehicles in a responsible manner so as not to cause a nuisance to any residents or generally outside the licenced premises; not to leave engines running when the vehicles are parked; not to obstruct the highway. In addition the courier service will positively encourage delivery drivers to use quieter vehicles that are less likely to cause a nuisance such as bicycles or electric vehicles.
7. All outside tables and chairs shall be removed or rendered unusable by 23.00 each day.
8. The licence holder shall ensure that any queue to enter the premises which forms outside the premises is orderly and supervised by staff so as to ensure that there is no public nuisance or obstruction of the public highway.
9. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.
10. A direct telephone number for the manager at the premises shall be publicly available at all times the premises are open. This telephone number and/or is to be made available to residents and businesses in the vicinity.
11. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.
12. No fumes, steam or odours shall be emitted from the licensed premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.
13. All waste is to be properly presented and placed out for collection no earlier than 30 minutes before the scheduled collection times.
14. No collections of waste or recycling materials (including bottles) from the premises shall take place between 23.00 and 07.00 hours on the following day unless collections are arranged during the times for the Council's own commercial waste collection service for the street.

16. During the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed, and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.
17. No deliveries to the premises shall take place between 23:00 and 0:70 hours on the following day.
