The recommendation was to 'Remind relevant staff that all decisions about suitability should be communicated in writing and set out the statutory right to a review.' Cllr Sanquest clarified: <i>I'd like that to cover how suitability decisions are made and communicated, including any work in response to the recommendation from the ombudsman, and to inform those who are refused options for alternatives. There has been a lot of work done around best practice for local government to communicate with residents regarding debt collection, and I think we could learn from this to do similar work on communicating suitability decisions. believe we can improve on how messages are communicated.</i>
Sheltered housing	Review of the policy that states that WCC residents accepted for sheltered housing must accept a studio apartment before becoming eligible to move to a one bed sheltered property after one year.
